Item 1.01. Entry into a Material Definitive Agreement.

On May 1, 2008, Genta Incorporated (the Company), entered into a Supply Agreement (the Agreement) with Avecia Biotechnology, (Avecia), a Delaware corporation based in Milford, Massachusetts, whereby Avecia will supply Genasense® active pharmaceutical ingredient (API) to the Company over the term of the Agreement. The Agreement became effective on May 1, 2008, and shall remain in effect until the earlier of (i) December 31, 2017 and (ii) the seventh anniversary of the date of Regulatory Authority Approval, the first marketing approval by any regulatory authority for the drug product containing API (the Initial Term). Either party may terminate the Agreement after the Initial Term upon giving at least two years prior written notice to the other party after certain conditions have been satisfied. Avecia shall supply a significant amount of the global requirements of the Company over the term of the Agreement. This Agreement supersedes a prior supply agreement that had been in effect between the Company and Avecia.

The foregoing summary of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which will be filed as an exhibit on a Form 10-Q or Form 8-K as the Company deems appropriate, with portions omitted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment.
