PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS
OF ANIXTER INTERNATIONAL INC.

TO BE HELD MAY 20, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Anixter International Inc., a Delaware corporation (the "Company," which as used herein shall mean together with or without its subsidiaries, as the context may require). The Company's corporate headquarters are located at 2301 Patriot Boulevard, Glenview, Illinois 60025 (telephone 224-521-8000). The Proxy Statement and form of proxy were first mailed to stockholders on or about April 13, 2004. Proxies solicited by the Board of Directors of the Company are to be voted at the Annual Meeting of Stockholders of the Company to be held on Thursday, May 20, 2004, at 9:00 a.m., at 2301 Patriot Boulevard, Glenview, IL 60025, Illinois, or any adjournment(s) thereof.

This solicitation is being made by mail, although directors, officers and regular employees of the Company may solicit proxies from stockholders personally or by telephone, telegram or letter. The costs of this solicitation will be borne by the Company. The Company may request brokerage houses, nominees or fiduciaries and other custodians to solicit their principals or customers for their proxies, and may reimburse them for their reasonable expenses in so doing. In addition, the Company has retained Morrow & Co. to assist in the solicitation for a fee of \$6,000 plus expenses.

VOTING

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

Shares of Common Stock, \$1.00 par value, of the Company ("Common Stock") represented by proxies in the accompanying form which are properly executed and returned to the Company (and which are not effectively revoked) will be voted at the meeting in accordance with the stockholders' instructions contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted IN FAVOR OF the election as directors of the nominees listed herein and other proposals.

Each stockholder has the power to revoke his or her proxy at any time before it is voted by (i) delivering to the Company prior to or at the meeting written notice of revocation or a later dated proxy or (ii) attending the meeting and voting his or her shares in person.

The Board of Directors has fixed the close of business on March 31, 2004 as the record date for the determination of stockholders entitled to notice of, and to vote at, the meeting or any adjournment(s) thereof.

As of March 31, 2004, 36,641,625 shares of Common Stock were outstanding. Each holder is entitled to one vote per share.

A majority of the outstanding shares of Common Stock will constitute a quorum for purposes of the meeting. If a quorum is present, in person or by proxy, the election of directors will be determined by a plurality of the votes. Abstentions and broker non-votes are counted as present for establishing a quorum for the transaction of business at the Annual Meeting, but neither will be counted as votes cast. A broker "non-vote" occurs when a broker votes on some matter on the proxy card but not on others because the broker does not have discretionary voting authority to do so and has not received instructions as to how to vote on a particular proposal. Brokers have discretionary authority to vote on the election of directors.

ELECTION OF DIRECTORS

In the absence of contrary instructions, the proxies received will be voted for the election as directors of the nominees listed below to hold office until the next annual meeting of stockholders or until their successors are elected and qualified. Although the Board of Directors does not contemplate that any nominee will decline or be unable to serve as a director, in either such event the proxies will be voted for another person selected by the Board of Directors upon recommendation of the Nominating and Governance Committee, unless the Nominating and Governance Committee acts to reduce the size of the Board in accordance with the provisions of the Company's by-laws. The current number of directors has been set by the Nominating and Governance Committee at ten.

The following table sets forth the name and age as of March 20, 2004 of each director or nominee for director of the Company, the year each director was first elected, his or her position with the Company, his or her principal occupation(s) during the last five years, any other directorships held by such person in companies which have a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or subject to the requirements of Section 15(d) of the Exchange Act or directorships of issuers registered as investment companies under the Investment Company Act of 1940, and family relationships between directors and other directors or executive officers. The term of office of each director will extend until the holding of the next annual meeting of stockholders or until his or her successor is elected and qualified.

BOARD AND COMMITTEE MEETINGS

The Audit Committee currently consists of Messrs. Crandall (Chair), Klein, Petty and Theobald, each of whom are "independent" as defined in Sections 303.01(B) (2) (a) and (3) of the listing standards of the New York Stock Exchange. Mr. Crandall has been designated as the "audit committee financial expert," as defined by the Securities and Exchange Commission. The Board has determined that Mr. Crandall's service on the audit committees of three other public companies does not impair his ability to effectively serve on the Company's Audit Committee. Pursuant to its written charter, a copy of which is attached as an appendix, the Audit Committee provides general review of the Company's accounting and auditing procedures, selects its independent auditors, meets with the Company's independent auditors to review their recommendations, and reviews related party transactions. The Audit Committee held seven meetings in 2003.

The Compensation Committee, currently consisting of Messrs. Sloan (Chair) and Crandall, Lord Blyth and Ms. Wilderotter, each of whom meet the independence requirements of the New York Stock Exchange, exercises all powers of the Board of Directors in connection with compensation matters, including incentive compensation, benefit plans and stock grants. The Compensation Committee held three meetings in 2003.

The Executive Committee, currently consisting of Messrs. Klein and Petty and Samuel Zell (Chair), exercises the full powers of the Board of Directors to the extent permitted by law in the intervals between Board meetings. The Executive Committee did not meet in 2003.

The Nominating and Governance Committee, currently consisting of Ms. Wilderotter (Chair), Lord Blyth, and Messrs. Crandall, Handy, Klein, Petty, Sloan and Theobald, each of whom meet the independence requirements of the New York Stock Exchange, identifies and recommends director nominees, advises the Board of Directors on corporate governance issues and Board organization, and assesses Board performance. The Nominating & Governance Committee will consider candidates submitted by shareholders on the same basis as other candidates. Shareholders desiring to recommend a candidate for nomination at an annual stockholder's meeting must notify the Company's Secretary no later than 120 days prior to the first anniversary of the date of the most recent annual meeting proxy statement. Communications should be sent to: Secretary, Anixter International Inc., 2301 Patriot Boulevard, Glenview, IL 60025. Communications must set forth: the name, age, business address and residence address, e-mail

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

address and telephone number of the

proposed nominee; the principal occupation or employment of the proposed nominee; the name and record address of the shareholder who is submitting the notice; and a description of all arrangements or understandings between the shareholder who is submitting the recommendation and the proposed nominee. The Nominating and Governance Committee held four meetings in 2003.

The Board of Directors held four meetings in 2003. Each of the directors attended 75 percent or more of the total of all meetings held by the Board and the committees on which the director served.

The Board determines the independence of its directors by requiring each of them to complete and return a questionnaire which solicits information relevant to a determination of independence under applicable rules and listing standards, as well as any other direct or indirect relationship that the director may have with the Company. Independence is determined by the Board after presentation and discussion of questionnaire responses. Based on this procedure, the following directors were found to be independent: Lord Blyth, Robert Crandall, F. Philip Handy, Melvyn Klein, John Petty, Stuart Sloan, Thomas Theobald and Maggie Wilderotter.

CORPORATE GOVERNANCE

Executive Sessions and Communication with the Board of Directors and Non-Management Directors

The Chairman of the Board of Directors presides over executive sessions of the Board. If he is not present, the presiding director for the meeting is selected by the non-management directors present.

Shareholders and other parties interested in communicating directly with the Board of Directors, individual directors, the presiding director or the non-management Directors may do so by directing such communications to the Company's Secretary at: Secretary, Anixter International Inc., 2301 Patriot Boulevard, Glenview, IL 60025 and should prominently indicate on the outside of the envelope that it is intended for the board of directors, individual directors, the presiding director, or for non-management directors. Each communication intended for members of the Board of Directors and received by the Secretary will be reviewed by the Secretary. Communications related to the operation of the Company which are not sales solicitations or of a similar commercial nature will be forwarded to the specified party or parties.

Governance Guidelines and Charters

The operation of the Board of Directors is governed by the Company's by-laws and Corporate Governance Guidelines. The operations of the Audit Committee, the Compensation Committee and the Nominating & Governance Committee are governed by the charters for each committee. The Corporate Governance Guidelines and the committee charters can be viewed on the Company's website at: <http://web.anixter.com/Anixter/anixter.nsf/InvestorRelations/CorporateGovernance>. Copies of these documents can be obtained by writing the Company's Secretary at: Secretary, Anixter International Inc., 2301 Patriot Boulevard, Glenview, IL 60025.

Above amounts are annual straight life annuity amounts (which are not reduced for social security benefits) payable upon retirement at age 65 under Anixter Inc. funded and unfunded defined benefit plans for Messrs. Grubbs, Letham, Faber, Dul and Shoemaker, who have 26, 11, 4, 15 and 18 years of service, respectively. The determination of remuneration is based upon payment, not accrual, and therefore the covered compensation for 2003 will be the salary shown in the summary compensation table for 2003 and the bonus shown in that table for 2002. Under the enhanced portion of the management incentive plan in effect in 1999, 2000 and 2001, the regular bonus opportunities for Messrs. Grubbs and Letham were halved; therefore, their cash bonuses for these years will be doubled in computing their covered compensation for pension purposes.

COMPENSATION OF DIRECTORS

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

In 2003, the Company paid its non-employee directors (except the Chairman of the Board) annual retainers of \$90,000 payable in stock units which will convert to Common Stock at the pre-arranged time selected by each director, \$2,500 for each Board, Compensation Committee and Nominating and Governance Committee meeting attended, and a \$5,000 annual retainer for the chair of each of these committees. Audit Committee members received \$3,500 for each meeting attended, and the chair received an annual retainer of \$10,000.

The Chairman of the Board received an annual retainer of \$200,000 payable in stock units as described above, and did not receive meeting fees.

Directors are reimbursed for any expenses they incur in attending meetings.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

Messrs. Grubbs and Letham are employed pursuant to contracts terminable on six months notice by either party, or earlier if there is good cause for termination as defined in the contracts. Good cause for termination by the executive includes forced relocation, significant reduction of salary, regular bonus opportunity, and other benefits, no longer holding his current position as defined in the contracts or any other significant reduction of responsibilities. Good cause for termination by the Company includes material fiduciary breaches and dishonest acts. If employment is terminated by the executive for good cause or by the Company without good cause within four years after a change of control as defined in the contracts, the executive is entitled to certain benefits. These benefits include (i) payment of a pro rata portion of his regular bonus for that year and his salary and regular bonus for the next two years, (ii) all his options to purchase stock will vest and be exercisable for the lesser of two years or their remaining life, (iii) his medical and life

6

insurance coverage will continue during this two year period, and (iv) he will be held harmless from any golden parachute federal excise tax on these benefits. The executive is required to delay his termination for a specified period if the good cause is based on a change of position or reduction in responsibilities, but his stock options will vest at the time of the change of control if he is not continuing in his current position. If in connection with a change of control, at least 25% of the Common Stock is being exchanged for any consideration other than publicly traded common stock, the contracts provide that the executive's stock options will be exercisable to the extent necessary to enable the executive to participate in such exchange on a pro rata basis. Change of control is defined by the contracts as any third person (other than Samuel Zell and his affiliates) acquiring at least 25% of the Common Stock or substantially all the assets of the Company or the majority of the directors of the Company being comprised of individuals who were not nominated by the Board of Directors of the Company. Such a change of control will also vest the restricted shares or restricted stock units granted to Messrs. Grubbs and Letham and the other participants in the enhanced portion of the Company's management incentive plan. See "Compensation Committee Report on Executive Compensation."

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Stuart Sloan, Lord James Blyth, Robert Crandall and Maggie Wilderotter were members of the Compensation Committee of the Board of Directors in 2003.

During the year ended January 2, 2004, no person who is or was formerly an officer or employee of the Company or any of its subsidiaries served as (i) a member of the Compensation Committee; (ii) a member of the compensation

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

committee (or other board committee or full board performing equivalent functions) of another entity, one of whose executive officers served on the Board of Directors of the Company; or (iii) a director of another entity, one of whose executive officers served on the Board of Directors of the Company.

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the Compensation Committee Report on Executive Compensation, the Audit Committee Report and the Performance Graph presented below shall not be incorporated by reference into any such filings.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation policy of the Company for its executive officers (including those named in the Summary Compensation Table) has been to pay, based on performance and seniority, base salaries and annual bonuses at or above the median of the range paid by others for comparable positions, and to provide long-term incentive opportunities within the high end of the range provided by others for comparable positions. From time to time, the Committee reviews studies comparing the compensation of the Company's executives with the compensation of similar executives of selected groups of companies. The companies in the comparison groups were selected because they were believed to be representative of the types of companies with which the Company competes for executives. The companies in the comparison group were of all sizes and in several industries and have no correlation to the companies included in the peer group used in the "Performance Graph." Because of the great differences in size and industry between the Company and the companies in the comparison group, the determination of the Committee that the current compensation of the Company's executives is consistent with the Company's compensation policy is subjective.

The salary of Mr. Grubbs was increased 12% in 2003 to move his salary closer to his peers in other companies and to offset inflation. Previous to this, it had been 24 months since Mr. Grubbs' last salary review.

Mr. Grubbs participated in the 2003 regular management incentive plan. Mr. Grubbs' incentive target opportunity for 2003 was established at 105% of his salary, with 38% of this opportunity determined by the operating earnings of the Company, 37% of this opportunity determined by the Company's return on tangible

7

capital, and 25% of this opportunity determined by the achievement of qualitative goals, with no weighting among these goals. Mr. Grubbs was awarded a regular incentive bonus for 2003 of \$356,930. This represented 52% of his incentive target because the Company's financial goals were partially achieved and his qualitative goals in the aggregate were achieved.

The incentive opportunities for the other executive officers who participated in the 2003 regular incentive plan were set by the Committee at the beginning of the year at 38% to 101% of salary. Seventy to seventy-five percent (70-75%) of this opportunity was based on the financial results of the Company and the remainder was based on the achievement of specified qualitative goals. The components of the financial results were operating earnings and return on tangible capital, with the weighting dependent upon responsibilities. Incentive awards for 2003 for these executive officers were from 57% to 72% of target incentive opportunities because the Company's financial goals were partially achieved and the qualitative goals in the aggregate of each participant were exceeded.

The guideline to determine unit grants was assessment of the incentives

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

required to pay at or above the median of comparator companies for long-term compensation. In 2003, the committee made a grant to Mr. Grubbs consistent with this approach.

The components of executive officer compensation related to the performance of the Company are the levels of the annual incentive awards as described above and the ultimate value of long-term incentive awards as determined by the stock market.

It is the policy of the Company to structure its compensation in a manner which will avoid the limitations imposed by the Omnibus Budget Reconciliation Act of 1993 on the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code to the extent it can reasonably do so consistent with its goal of retaining and motivating its executives in a cost effective manner.

REPORT OF AUDIT COMMITTEE

The Board of Directors adopted a new Audit Committee Charter on February 11, 2004, a copy of which is attached to this proxy statement at Appendix A.

Among other things, the new Audit Committee Charter:

- requires pre-approval of all audit and permissible non-audit services;
- requires that Audit Committee members be "independent" as defined in SEC and NYSE rules;
- vests in the Audit Committee the direct responsibility to appoint, retain, compensate and oversee the independent auditor, including the resolution of disagreements between management and the independent auditor concerning financial statements;
- requires the Audit Committee to establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal controls or auditing matters and the confidential anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and
- requires the Audit Committee to have at least one "audit committee financial expert".

The function of the Audit Committee is to oversee (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and the Company's internal audit function. While the Audit Committee has the duties and powers set forth in its Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

In fulfilling our oversight responsibilities, we reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the disclosures in the financial statements.

We reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, we discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of nonaudit services provided by the auditors to the Company with their independence.

We discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee regularly meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee also reviews proposed interim financial statements with management and the independent auditors. We held seven meetings during fiscal year 2003.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board of Directors has accepted that recommendation) that the audited financial statements be included in the Annual Report on Form 10-K for the Fiscal year ended January 2, 2004 for filing with the Securities and Exchange Commission. The Committee selects the Company's independent auditors.

PROPOSAL 1

APPROVAL OF ANIXTER INTERNATIONAL INC. MANAGEMENT INCENTIVE PLAN

The Board recommends that shareholders approve the Anixter International Inc. Management Incentive Plan (the "Incentive Plan"), which was adopted by the Compensation Committee subject to shareholder approval. One of the primary reasons for seeking shareholder approval of the Incentive Plan is to qualify for the "performance-based compensation" exception to the tax deduction limit imposed by Section 162(m) of the Internal Revenue Code (the "Code"). The key features of the Incentive Plan are summarized below, with the full text of the Incentive Plan included in Appendix B to this Proxy Statement.

The primary objectives of the Incentive Plan are: (i) to attract, motivate, and retain high-caliber individuals by providing competitive annual incentive opportunities; (ii) to provide an incentive to key employees of the Company who have significant responsibility for the success and growth of the Company; and (iii) to satisfy the requirements of Section 162(m)(4)(C) of the Code.

The Incentive Plan shall be administered by the Compensation Committee, which shall consist exclusively of two (2) or more nonemployee directors. The Committee shall have full power in its discretion to, among other things: (i) select key employees who shall participate in the Incentive Plan; (ii) determine the sizes and types of awards; (iii) determine the terms and conditions of awards; (iv) construe and interpret the Incentive Plan; and (v) amend or terminate the Incentive Plan in whole or in part.

The Committee may select from all eligible employees those to whom awards shall be granted in any given Incentive Plan Year and shall determine the nature and amount of each award.

Because the Incentive Plan provides for broad discretion in selecting participants and in making awards, the total number of persons who will participate and the respective benefits to be accorded to them cannot be determined at this time.

The Compensation Committee shall establish an Award Pool equal to 3 percent (3%) of the Company's operating income before extraordinary and nonrecurring items reported on the Company's consolidated statements of operations for the Plan Year. The Compensation Committee may, in its discretion, decrease the size of the Award Pool or the maximum award for any participant. The total amount of all awards under the Incentive Plan for any Incentive Plan Year may not exceed one hundred percent (100%) of the amount in the Award Pool for that Incentive Plan Year. The maximum award for any participant in a given Incentive Plan Year may not exceed fifty percent (50%) of the applicable Award Pool.

Payment of all awards under the Incentive Plan shall be made wholly in cash. The Committee may, in its discretion, authorize payment to a participant of less than the participant's maximum award or may provide that a participant may receive no award at all. In exercising its discretion, the Compensation Committee shall consider such factors as it deems appropriate.

Unless terminated earlier, the Incentive Plan will remain in effect for a period of ten (10) years from the date of shareholder approval. Upon termination of the Incentive Plan, the right to grant awards under the Incentive Plan will terminate. Prior to that date, the Committee may amend, modify, or terminate the Incentive Plan, in whole or in part, subject to the terms of the Incentive Plan. Any amendment or revision that would cause the Incentive Plan to fail to comply with any requirement of applicable law, regulation, or rule if it were not

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

approved by shareholders will not be effective unless the shareholders of the Company approve the amendment or revision.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE ANIXTER INTERNATIONAL INC. MANAGEMENT INCENTIVE PLAN.

14

PROPOSAL 2

AMENDMENT TO ANIXTER INTERNATIONAL INC. 2001 STOCK INCENTIVE STOCK PLAN

At the Company's 2001 Annual Meeting, the Company's shareholders voted to approve The Anixter International Inc. 2001 Stock Incentive Plan (the "Stock Plan"), which authorized the issuance of 2,500,000 shares, not more than 25 percent of which can be awarded in a form other than stock options or stock appreciation rights ("SARs"). As of March 31, 2004 858,636 shares remain available for issuance under the Stock Plan. In addition, the Company has 148,913 shares remaining available under the following predecessor plans: The 1983 Stock Incentive Plan, The 1987 Key Executive Equity Plan, The 1989 Employee Stock Incentive Plan, The 1996 Stock Incentive Plan, The 1998 Stock Incentive Plan, and The Director Stock Plan (the "Predecessor Plans").

In 2003, the Company chose to issue a relatively smaller number of restricted stock units to its employees in lieu of stock options, in order to minimize dilution to existing shareholders and for other reasons. To enable it to continue this practice, the Company is asking shareholders to approve an amendment to the Stock Plan which would:

- Cancel the remaining authorized shares available under the Predecessor Plans;
- Allow for the grant of 820,000 shares available under the Stock Plan to be awarded in a form other than stock options or SARs;
- Cancel 38,636 shares available under the Stock Plan; and
- Clarify the Stock Plan language allowing for the grant of restricted stock units.

The affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to vote at the Annual Meeting is required for adoption of the amendment.

SUMMARY DESCRIPTION OF THE STOCK PLAN

The following summary of the terms of the Stock Plan is qualified in its entirety by reference to the text of the Stock Plan, which is attached as Appendix C to this Proxy Statement. As of March 31, 2004, the closing price of a share on the New York Stock Exchange was \$28.25.

Administration. The Compensation Committee of the Company's Board of Directors, such other board committee as the Board may designate, or the Board itself will administer the Stock Plan (the "Committee").

Eligibility. Any key employee, director, or active consultant of the Company and its subsidiaries is eligible to receive a grant under the Stock Plan. The Committee will make the determination of the persons to receive grants, the terms, the form, and level of grants.

Approximately 210 employees of the Company and its subsidiaries will

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

currently be eligible to participate; however, because the Stock Plan provides for broad discretion in selecting participants and in making awards, the total number of persons who will participate and the respective benefits to be accorded to them cannot be determined at this time.

Stock Available for Issuance Through the Stock Plan. The number of shares of Company common stock originally authorized for issuance under the Stock Plan was 2,500,000. Of the 858,636 remaining, 38,636 shares are proposed to be cancelled. The remaining 820,000 will be adjusted for stock splits, spin-offs, extraordinary cash dividends, and similar events. The shares may be newly issued or common stock reacquired by the Company. No person may be granted, in any period of two consecutive calendar years, awards under the Stock Plan covering more than 900,000 shares of the Company's common stock. To the extent that shares subject to an outstanding stock option (other than in connection with the exercise of a tandem SAR), freestanding SAR, restricted stock, restricted stock unit, performance share, performance unit, or stock award are not issued or delivered for any reason including, but not limited to, the expiration, termination, cancellation, or forfeiture of such award, then such shares shall again be available under this Stock Plan.

15

Description of Awards Under the Stock Plan. The Committee may award to eligible employees incentive stock options ("ISOs"), nonqualified stock options ("NQSOs"), stock grants, stock units, SARs, restricted stock, restricted stock units, performance units, performance shares, dividend equivalent rights, and reload options.

Stock Options and SARs. The Committee will have discretion to award ISOs, which are intended to comply with Section 422 of the Internal Revenue Code (the "Code"), NQSOs, which are not intended to comply with Section 422 of the Code, and SARs.

The exercise price of any stock option or SAR cannot be less than the fair market value of the corresponding number of shares as of the date of grant, provided that up to 10 percent of the shares provided by the Stock Plan may be granted pursuant to stock options or SARs that have exercise prices that are not less than 85 percent of the fair market value of the corresponding number of shares as of the date of grant and provided further that stock options or SARs replacing options or rights not granted by the Company may have exercise prices that, in the judgment of the Committee, result in options or rights comparable in value to those being replaced. In the Company's previous grants, the exercise price of stock options has been fair market value at the time of the grant and it is anticipated that the Company will continue this practice, absent special circumstances.

Stock options granted to participants under the Stock Plan will expire at such times as the Committee determines at the time of the grant; provided, however, that no stock option will be exercisable later than ten years from the date of grant. Each stock option award agreement will set forth the extent to which the participant will have the right to exercise the stock option following termination of the participant's employment with the Company. The termination provisions will be determined within the discretion of the Committee, may differ among participants, and may reflect distinctions based on the reasons for termination of employment. Subject to the specific terms of the Stock Plan, the Committee will have discretion to set such additional terms and conditions on stock option grants as it deems appropriate.

No stock option may be repriced by amendment, substitution, or cancellation and regrant, unless authorized by the stockholders. Adjustments pursuant to stock splits and other events that adjust the number of shares subject to the

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

Stock Plan, as explained above, will not be considered repricing.

The form of payment of an SAR will be determined by the Committee at the time of grant, and may be in shares of common stock, cash, or a combination of the two. Upon exercise of the SAR, the participant will receive an amount equal to the excess of the fair market value of one share of stock on the date of exercise over the exercise price, multiplied by the number of shares of stock covered by the SAR.

Restricted Stock and Restricted Stock Units. The Committee will also be authorized to award shares of restricted common stock under the Stock Plan upon such terms and conditions as it shall establish. The award agreement will specify the period(s) of restriction, the number of shares of restricted common stock, and such other provisions as the Committee shall determine and/or restrictions under applicable federal or state securities laws. Although recipients may have the right to vote their restricted shares from the date of grant, they will not have the right to sell or otherwise transfer the shares during the applicable period of restriction or until earlier satisfaction of other conditions imposed by the Committee in its sole discretion. Participants holding restricted stock may also receive dividends on their shares of restricted stock and the Committee, in its discretion, will determine how such dividends on restricted shares are to be paid.

The Committee will also be authorized to award restricted stock units under the Stock Plan upon such terms and conditions as it shall establish. Restricted stock units are similar to restricted stock and are subject to the same provisions listed above with respect to restricted stock, except that no shares are actually awarded to the participant on the date of grant, and participants holding restricted stock units will have no voting rights with respect to such units.

Each award agreement for restricted stock or restricted stock units will set forth the extent to which the participant will have the right to retain the restricted stock or restricted stock units following termination of the participant's employment with the Company. These provisions will be determined in the sole discretion of the Committee, need not be uniform among all shares of restricted stock issued or restricted stock units

16

granted pursuant to the Stock Plan, and may reflect distinctions based on reasons for termination of employment.

Performance Units and Performance Shares. The Committee will also have discretion to award performance units and performance shares under the Stock Plan upon such terms and conditions as it shall establish.

Other Stock-Based Awards. The Committee will also have discretion to award other stock-based awards under the Stock Plan upon such terms and conditions as it shall establish. Each stock-based award shall have a value as may be determined by the Committee.

The Committee may, from time to time, suspend, terminate, revise, or amend the Stock Plan or terms of any grant except that, without the approval of stockholders, no such revision or amendment may change the number of shares covered by or specified in the Stock Plan, change the restrictions described above, or expand those eligible for grants under the Stock Plan.

FEDERAL INCOME TAX CONSEQUENCES

Options. With respect to options which qualify as ISOs, a Stock Plan participant will not recognize income for federal income tax purposes at the

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

time options are granted or exercised. If the participant disposes of shares acquired by exercise of an ISO either before the expiration of two years from the date the options are granted or within one year after the issuance of shares upon exercise of the ISO (the "holding periods"), the participant will recognize in the year of disposition: (a) ordinary income, to the extent that the lesser of either (i) the fair market value of the shares on the date of option exercise, or (ii) the amount realized on disposition, exceeds the option price; and (b) capital gain, to the extent the amount realized on disposition exceeds the fair market value of the shares on the date of option exercise. If the shares are sold after expiration of the holding periods, the participant generally will recognize capital gain or loss equal to the difference between the amount realized on disposition and the option price. The Company receives no tax deduction for compensation expense with respect to ISOs unless the holding period requirements are not fulfilled by the participant.

With respect to NQSOs, the participant will recognize no income upon grant of the option and, upon exercise, will recognize ordinary income to the extent of the excess of the fair market value of the shares on the date of option exercise over the amount paid by the participant for the shares. Upon a subsequent disposition of the shares received under the option, the participant generally will recognize capital gain or loss to the extent of the difference between the fair market value of the shares at the time of exercise and the amount realized on the disposition. The Company will receive a tax deduction for compensation expense with respect to NQSOs upon the exercise of the option in an amount equal to the spread.

SARs. The recipient of a grant of SARs will not realize taxable income and the Company will not be entitled to deduction with respect to such grant on the date of such grant. Upon the exercise of an SAR, the recipient will realize ordinary income, and the Company will be entitled to a corresponding deduction, equal to the amount of cash or stock received.

Restricted Stock and Restricted Stock Units. A participant holding restricted stock will, at the time the shares vest, realize ordinary income in an amount equal to the fair market value of the shares and any cash received at the time of vesting, and the Company will be entitled to a corresponding deduction for federal income tax purposes. Dividends paid to the participant on the restricted stock during the restriction period will generally be ordinary income to the participant and deductible as such by the Company.

Alternatively, an employee may make an election under Section 83(b) of the Code to pay tax on the initial value of the restricted grant if he so elects within 30 days of the date of grant. This election can be made in order to take advantage of capital gain rates on any subsequent appreciation in lieu of ordinary income tax rates.

In general, the Company will receive an income tax deduction at the same time and in the same amount which is taxable to the employee as compensation, except as provided below under "Section 162(m)." To the

17

extent a participant realizes capital gains, as described above, the Company will not be entitled to any deduction for federal income tax purposes.

A participant holding restricted stock units will not be taxed until those units are actually paid out (whether in the form of shares or cash), at which time the participant will realize ordinary income in an amount equal to the fair market value of the units and any cash received at the time of payout, and the Company will be entitled to a corresponding deduction for federal income tax purposes. Dividends paid to the participant on the restricted stock units during

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

the restriction period will generally be ordinary income to the participant and deductible as such by the Company.

In general, the Company will receive an income tax deduction at the same time and in the same amount which is taxable to the employee as compensation, except as provided below under "Section 162(m)."

Performance Units and Performance Shares. The recipient of a grant of performance units and/or performance shares will not realize taxable income and the Company will not be entitled to a deduction with respect to such grant on the date of such grant. Upon the payout of such award, the recipient will realize ordinary income and the Company will be entitled to a corresponding deduction, equal to the amount of cash received or the value of any stock received.

Stock-Based Awards. The recipient of a grant of stock-based awards will not realize taxable income and the Company will not be entitled to a deduction with respect to such grant on the date of such grant. Upon the payout of such award, the recipient will realize ordinary income and the Company will be entitled to a corresponding deduction, equal to the amount of the value of any stock received.

Section 162(m). Under Section 162(m) of the Code, compensation paid to certain executives ("Covered Employees," below) in excess of \$1 million for any taxable year is not deductible unless an exemption from such rule exists. Compensation paid by the Company in excess of \$1 million for any taxable year to "Covered Employees" will generally be deductible by the Company or its affiliates for federal income tax purposes if it is based on the performance of the Company, is paid pursuant to a Stock Plan approved by shareholders of the Company, and meets certain other requirements. Generally, a "Covered Employee" under Section 162(m) means the chief executive officer and the four other highest-paid executive officers of the Company as of the last day of the taxable year.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL
OF THE FIRST AMENDMENT TO
THE ANIXTER INTERNATIONAL INC. 2001 STOCK INCENTIVE PLAN.

INDEPENDENT AUDITORS AND THEIR FEES

The Audit Committee has selected Ernst & Young LLP as independent auditors of the Company for 2004. Ernst & Young LLP (and predecessor firm) have audited the Company's financial statements since 1980. Representatives of Ernst & Young LLP, who are expected to be present at the meeting, will be given an opportunity to make a statement if they so desire and to respond to appropriate questions asked by stockholders.

AUDIT FEES

Fees for audit services totaled approximately \$1,369,000 in 2003 and approximately \$1,158,400 in 2002, including fees associated with the annual audit, reviews of the Company's quarterly reports on Form 10-Q, other SEC filings, and statutory audits of foreign subsidiaries.

AUDIT-RELATED FEES

Fees for audit-related services totaled approximately \$72,000 in 2003 and approximately \$140,000 in 2002. Audit-related services generally include pension plan audits and accounting consultations.

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

TAX FEES

Fees for tax services, including tax compliance, tax advice and tax planning (including expatriate tax services), totaled approximately \$209,000 in 2003 and approximately \$453,700 in 2002.

ALL OTHER FEES

Fees for all other services not included above totaled approximately \$7,000 in 2003 and approximately \$18,700 in 2002. These fees were for miscellaneous advisory services generally not exceeding \$5,000 per matter.

PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee's current practice is to consider for pre-approval annually all audit and non-audit services (including tax services) proposed to be provided by the independent auditors each year. The pre-approval policy is set forth in an Audit Committee position statement. In setting forth pre-approved services in its position statement, the Audit Committee details the particular services that may be provided and the policy reason why it is logical to use Ernst & Young, as opposed to another service provider for such services. Additional services may be provided without additional approval of the Audit Committee, so long as such services are pre-approved in the Audit Committee position statement, and the fees associated with such services do not exceed limits approved by the Audit Committee. Should the need arise to consider engaging Ernst & Young to provide non-audit services beyond the scope of what is outlined in the position statement or in an amount in excess of the amounts pre-approved by the Audit Committee, management shall bring such proposals to the Audit Committee Chairman for consideration. The Audit Committee Chairman shall have the authority to either act on behalf of the Audit Committee or to call a special meeting of the Audit Committee to consider any such proposal. In the event that the Audit Committee Chairman acts on behalf of the Audit Committee and pre-approves such service, the decision shall be reported at the next meeting of the full Audit Committee. In considering whether to approve non-audit services, the Audit Committee considers whether the provision of such services by Ernst & Young is compatible with the maintenance of that firm's independence.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon its review of the Forms 3, 4 and 5 furnished to the Company pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company believes that all of its directors, officers and beneficial owners of more than 10% of its common stock filed all such reports on a timely basis during 2003, except that Melvyn N. Klein filed one late Form 4 reporting a stock sale.

STOCKHOLDER PROPOSALS

Proposals of stockholders intended to be presented at the 2005 Annual Meeting of Stockholders must be received by the Company at its principal offices by December 17, 2004 in order to be considered for inclusion in the Company's Proxy Statement and Proxy relating to the 2005 Annual Meeting of Stockholders. In order for other business to be considered at the 2005 Annual Meeting of Stockholders, it must be received by the Company on or before April 4, 2005.

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

The Board of Directors knows of no other matters to be presented for stockholder action at the meeting. However, if other matters do properly come before the meeting, it is intended that the persons named in the proxies will vote upon them in accordance with their best judgment.

APPENDIX A

ANIXTER INTERNATIONAL INC. AUDIT COMMITTEE CHARTER

I. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee of Anixter International Inc. (the "Company") shall be comprised of at least three directors, each of whom the Board has affirmatively determined has no material relationship with the Company and each of whom is otherwise "independent" under applicable law and stock exchange or quotation system listing requirements. The Board shall also determine that each member is "financially literate," and that one member of the Audit Committee has "accounting or related financial management expertise," as such qualifications are interpreted by the Board of Directors in its business judgment, and whether any member of the Audit Committee is an "audit committee financial expert," as defined by rules of the Securities and Exchange Commission (the "SEC").

No director may serve as a member of the Audit Committee if such director serves on the audit committees of more than two other public companies unless the Board of Directors determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee, and discloses this determination in the Company's annual proxy statement. No member of the Audit Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from the Company other than fees for service on the Board and its committees.

Directors recommended by the Nominating and Governance Committee shall be appointed to the Audit Committee upon approval by the Board and shall serve at the pleasure of the Board.

The Audit Committee shall designate one of its members as its chairperson subject to approval by the Nominating and Governance Committee.

II. PURPOSES OF THE AUDIT COMMITTEE

The purposes of the Audit Committee are to:

1. assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and the Company's internal audit function; and

2. prepare the report required to be prepared by the Audit Committee pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

The function of the Audit Committee is oversight. While the Audit Committee has the duties and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

The independent auditors for the Company are accountable to the Board and the Audit Committee, as representatives of the shareholders. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of the independent auditors (including resolving disagreements between management and the independent auditors regarding financial reporting). The independent auditors shall report directly to the Audit Committee.

The independent auditors shall submit to the Audit Committee annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or

A-1

investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the Company, including at least the matters set forth in Independence Standards Board No. 1.

III. MEETINGS OF THE AUDIT COMMITTEE

The Audit Committee shall meet once every fiscal quarter, or more frequently if circumstances dictate or it chooses to do so, to discuss with management the annual audited financial statements and quarterly financial statements, as applicable. The Audit Committee shall regularly set aside adequate time to meet separately with each of management, the director of the internal auditing department and the independent auditors. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

IV. DUTIES AND POWERS OF THE AUDIT COMMITTEE

To carry out its purposes, the Audit Committee shall have the following duties and powers:

1. with respect to the independent auditors,

(i) to directly appoint, retain, compensate, evaluate, and terminate the independent auditors, including sole authority to approve all audit engagement fees and terms;

(ii) to pre-approve all audit and permissible non-audit services to be provided by the independent auditors;

(iii) to ensure that the independent auditors prepare and deliver

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

annually an Auditors' Statement (it being understood that the independent auditors are responsible for the accuracy and completeness of this Statement), and to discuss with the independent auditors any relationships or services disclosed in this Statement that may impact the quality of audit services or the objectivity and independence of the Company's independent auditors;

(iv) to obtain from the independent auditors in connection with any audit a timely report relating to the Company's annual audited financial statements describing all critical accounting policies and practices used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and any material written communications between the independent auditors and management, such as any "management" letter or schedule of unadjusted differences;

(v) to discuss with management, and decide upon, the timing and process for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner and consider whether there should be a regular rotation of the audit firm itself;

2. with respect to the internal auditing department,

(i) to review and approve (or if necessary, disapprove) the appointment and replacement of the director of the internal auditing department; and

(ii) to advise the director of the internal auditing department that he or she is expected to provide to the Audit Committee oral or written summaries of and complete copies of the significant reports to management prepared by the internal auditing department and management's responses thereto;

3. with respect to financial reporting principles and policies and internal audit controls and procedures,

(i) to consider any reports or communications (and management's and/or the internal audit department's responses thereto) submitted to the Audit Committee by the independent auditors required by or referred to in SAS 61 (as codified by AU Section 380), as it may be modified or supplemented;

A-2

(ii) to meet with management, the independent auditors and, if appropriate, the director of the internal auditing department:

- to discuss the scope of the annual audit;
- to discuss the annual audited financial statements and quarterly financial statements, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations", prior to the filing of the Company's Annual Report on Form 10-K or Quarterly Report on Form 10-Q;
- to discuss, in association with the review of the interim financial statements, the results of the quarterly review and any other matters required to be communicated to the Audit Committee by the independent auditors under generally accepted auditing standards;

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

- to discuss, in association with the audit of the annual financial statements, the results of the annual audit and any other matters required to be communicated to the Audit Committee by the independent auditors under generally accepted auditing standards including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements;
- to discuss any significant matters arising from any audit, including any audit problems or difficulties, whether raised by management, the internal auditing department or the independent auditors, relating to the Company's financial statements;
- to discuss any difficulties the independent auditors encountered in the course of the audit, including any restrictions on their activities or access to requested information and any significant disagreements with management;
- to discuss any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditors to the Company;
- to discuss, as appropriate: (a) any major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (b) analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; and (c) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company;

(iii) to inquire of the Company's chief executive officer and chief financial officer as to the existence of any significant deficiencies in the design or operation of internal controls that could adversely affect the Company's ability to record, process, summarize and report financial data, any material weaknesses in internal controls, and any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls;

(iv) to discuss guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk, and to discuss the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures;

(v) to obtain from the independent auditors assurance that the audit was conducted in a manner consistent with Section 10A of the Securities Exchange Act of 1934, as amended, which sets forth certain procedures to be followed in any audit of financial statements required under the Securities Exchange Act of 1934;

A-3

(vi) to discuss with the Company's General Counsel any significant legal, compliance or regulatory matters that may have a material effect on the financial statements, or the Company's business or compliance policies,

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

including material notices to or inquiries received from governmental agencies;

(vii) to discuss and review the type and presentation of information to be included in earnings press releases;

(viii) to discuss the types of financial information and earnings guidance provided, and the types of presentations made, to analysts and rating agencies;

(ix) to establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and for the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters; and

(x) confirm with management that it has not hired employees or former employees of the independent auditors which would cause such auditors not to be independent under Rule 2-01(c)(2)(iii) of Regulation S-X;

4. with respect to reporting and recommendations,

(i) to review this Charter at least annually and recommend any changes to the full Board of Directors;

(ii) to report its activities to the full Board of Directors on a regular basis and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate; and

(iii) to prepare and review with the Board an annual performance evaluation of the Audit Committee, which evaluation must compare the performance of the Audit Committee with the requirements of this charter.

The performance evaluation by the Audit Committee shall be conducted in such manner as the Audit Committee deems appropriate. The report to the Board may take the form of an oral report by the chairperson of the Audit Committee or any other member of the Audit Committee designated by the Audit Committee to make this report.

V. DELEGATION TO SUBCOMMITTEE

The Audit Committee may, in its discretion, form and delegate authority to a subcommittee of the Audit Committee. The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting.

VI. RESOURCES AND AUTHORITY OF THE AUDIT COMMITTEE

The Audit Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of special or independent counsel, accountants or other experts and advisors, as it deems necessary or appropriate, without seeking approval of the Board or management.

B-2

ARTICLE 4. ELIGIBILITY AND PARTICIPATION

4.1 Eligibility. All key Employees are eligible to participate in the Plan.

Subject to the terms of the Plan, the Committee may at any time and from time to time, alter, amend, suspend, or terminate the Plan in whole or in part; provided that unless the Committee specifically provides otherwise, any revision or amendment that would cause the Plan to fail to comply with any requirement of applicable law, regulation, or rule if such amendment were not approved by the shareholders of the Company shall not be effective unless and until shareholder approval is obtained.

9.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan; provided that the Committee shall not be authorized to adjust an Award that the Committee intends to qualify for the Performance-Based Exception if such adjustment (or the authority to make such adjustment) would prevent the Award from qualifying for the

Edgar Filing: ANIXTER INTERNATIONAL INC - Form DEF 14A

Performance-Based Exception.

9.3 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary (but subject to Section 1.1 hereof), no termination, amendment, or modification of the Plan shall cause any previously granted Awards to be forfeited. ARTICLE 10. WITHHOLDING

The Company and its Subsidiaries shall have the power and the right to deduct or withhold, or to require a Participant to remit to the Company or to a Subsidiary, an amount that the Company or a Subsidiary reasonably determines to be required to comply with federal, state, local, or foreign tax withholding requirements.

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

12.4 Governing Law. The Plan and all Awards shall be construed in accordance with and governed by the laws of the state of Delaware (without regard to the legislative or judicial conflict of laws rules of any state), except to the extent superseded by federal law.

ANIXTER INTERNATIONAL INC.

2001 STOCK INCENTIVE PLAN

1. Purpose and Effective Date. Anixter International Inc. (the "Company") has established this 2001 Stock Incentive Plan (the "Plan") to facilitate the retention and continued motivation of key employees, consultants and directors and to align more closely their interests with those of the Company and its stockholders. The effective date of the Plan shall be the date it is approved by the Company's stockholders at the 2001 Annual Meeting of Stockholders.

2. Administration. The Plan shall be administered by the Board of Directors, or the Compensation Committee of the Company's Board of Directors or such other Board committee as the Board may designate (the "Committee"). The Committee has the authority and responsibility for the interpretation, administration and application of the provisions of the Plan, and the Committee's interpretations of the Plan, and all actions taken by it and determinations made by it shall be binding on all persons. No Board or Committee member shall be liable for any determination, decision or action made in good faith with respect to the Plan.

3. Shares Subject To Plan. A total of 2,500,000 shares of Common Stock of the Company ("Shares") may be issued pursuant to the Plan. The Shares may be authorized but unissued Shares or Shares reacquired by the Company and held in its treasury. Grants of incentive awards under the Plan will reduce the number of Shares available thereunder by the maximum number of Shares obtainable under such grants. If all or any portion of the Shares otherwise subject to any grant

under the Plan are not delivered for any reason including, but not limited to, the cancellation, expiration or termination of any option right or unit, the settlement of any award in cash, the forfeiture of any restricted stock, or the repurchase of any Shares by the Company from a participant for the cost of the participant's investment in the Shares, such number of Shares shall be available again for issuance under the Plan. The number of Shares covered by or specified in the Plan and the number of Shares and the purchase price for Shares under any outstanding awards, may be adjusted proportionately by the Committee for any increase or decrease in the number of issued Shares or any change in the value of the Shares resulting from a subdivision or consolidation of Shares, reorganization, recapitalization, spin-off, payment of stock dividends on the Shares, any other increase or decrease in the number of issued Shares made without receipt of consideration by the Company, or the payment of an extraordinary cash dividend.

4. Eligibility. All key employees, active consultants and directors of the Company and its subsidiaries are eligible to be selected to receive a grant under the Plan by the Committee. The Committee may condition eligibility under the Plan or participation under the Plan, and any grant or exercise of an incentive award under the Plan on such conditions, limitations or restrictions as the Committee determines to be appropriate for any reason. No person may be granted in any period of two consecutive calendar years, awards covering more than 900,000 Shares.

5. Awards. The Committee may grant awards under the Plan to eligible persons in the form of stock options (including incentive stock options within the meaning of section 422 of the Code), stock grants, stock units, restricted stock, stock appreciation rights, performance shares and units and dividend equivalent rights, and reload options to purchase additional Shares if Shares are delivered in payment of any other options, and shall establish the number of Shares subject to each such grant and the terms thereof, including any adjustments for reorganizations and dividends, subject to the following:

(a) All awards granted under the Plan shall be evidenced by agreements in such form and containing such terms and conditions not inconsistent with the Plan as the Committee shall prescribe.

(b) The exercise price of any option or stock appreciation right shall not be less than the fair market value of a corresponding number of Shares as of the date of grant, except (i) options or stock appreciation rights being granted to replace options or rights not initially granted by the Company may be granted with exercise prices that in the judgment of the Committee result in options or rights having comparable value to the options or rights being replaced, and (ii) up to 10% of the Shares may be granted pursuant to options or stock appreciation rights that have exercise prices of not less than 85% of the fair market value of a corresponding number of Shares as of the date of grant.

C-2

(c) No more than 25% of the Shares may be awarded in a form other than options or stock appreciation rights.

(d) No option may be repriced by amendment, substitution or cancellation and regrant, unless authorized by the stockholders. Adjustments pursuant to Section 3 above shall not be considered repricing.

6. Amendment of the Plan. The Board of Directors or the Committee may from time to time suspend, terminate, revise or amend the Plan or the terms of any grant in any respect whatsoever, provided that, without the approval of the stockholders of the Company, no such revision or amendment may increase the

number of Shares subject to the Plan, change the provisions of Section 5 above, or expand those eligible for grants under the Plan.
