**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement.**

On February 10, 2006, Exelon Generation Company, LLC (Generation) entered into separate unsecured one-year revolving bilateral credit facilities with each of Wachovia Bank, National Association, Citibank, N.A. and HSBC Bank USA, National Association, and, on February 13, 2006, Generation entered into separate unsecured one-year revolving bilateral credit facilities with each of The Royal Bank of Scotland plc, Barclays Bank PLC and Wells Fargo Bank, National Association (Credit Facilities). The Credit Facilities provide for an aggregate commitment of \$875 million, which may be drawn down in the form of loans and/or letters of credit. The Credit Facilities will be used principally to meet short-term financing needs at Generation and to issue letters of credit.

Loans outstanding under the Credit Facilities will bear interest at a rate equal to (a) at any time a loan is a LIBOR Loan, the LIBO Rate for each applicable interest period plus a specific margin and (b) at any time a loan is a Base Rate Loan, the applicable lender's standard prime rate as in effect. In addition, Generation will pay a facility fee at a rate per annum equal to a specified facility fee rate on the individual commitment amount under each Credit Facility regardless of usage.

The Credit Facilities incorporate by reference the covenants in Generation's existing syndicated credit facility dated as of July 16, 2004 among Generation, Exelon Corporation, Commonwealth Edison Company, PECO Energy Company and various financial institutions and JPMorgan Chase Bank, N.A., as administrative agent, as amended (Syndicated Credit Facility). These covenants include, among others: a limitation on liens; a limitation on mergers, consolidations and a disposition of assets; and maintenance of specified interest coverage ratios.

The Credit Facilities also incorporate by reference the events of default in the Syndicated Credit Facility, which are standard events of default for agreements of this type. The nonpayment of any outstanding principal, interest, fees or amounts due under the Credit Facilities and the failure to perform or observe covenants, among other things, could result in an event of default.

The description of the Credit Facilities set forth above is not complete and is qualified in its entirety by reference to the Credit Facilities, copies of which are attached hereto as Exhibits 10.1 through 10.6 and are incorporated by reference herein.

**Section 2 Financial Information**

See Item 1.01 above for a description of Generation's Credit Facilities, copies of which are attached hereto as Exhibits 10.1 through 10.6 and are incorporated herein by reference.
