Item 1.01 Entry into a Material Definitive Agreement.

On September 20, 2006, John B. Sanfilippo & Son, Inc. (the Company) completed the sales and leaseback of its Selma, Texas facility to two related party partnerships, the Arthur/Busse Limited Partnership and the 300 East Touhy Limited Partnership (collectively, the Partnerships). In fiscal 2005, in order to facilitate the Company's facility consolidation project, the Company's Board of Directors appointed an independent committee to explore alternatives with respect to the Company's existing leases for the properties in the Chicago area owned by the Partnerships. After negotiations with the Partnerships, the independent committee approved a proposed transaction and, subsequently, the Company entered into several agreements with the Partnerships. The agreements provided for an overall transaction whereby, among other things, the Company would sell its Selma, Texas facility to the Partnerships for \$14.3 million (an estimate of fair value which also slightly exceeds its carrying value) and lease the properties back. The sale price and rental rate for the Selma, Texas properties were determined by an independent appraiser to be at fair market value. The lease for the Selma, Texas properties has a ten-year term at a fair market value rent (currently, \$109,052 per month), with three five-year renewal options. In addition, the Company has an option to repurchase the Selma property from the Partnerships after five years at 95% (100% in certain circumstances) of the then fair market value, but not to be less than the \$14.3 million purchase price.

Copies of the agreements related to the sale and leaseback of the Company's Selma, Texas facility are included as exhibits to this Current Report on Form 8-K.
