This Current Report on Form 8-K relates to the cash tender offer by Knickerbocker Acquisition Corp. (Purchaser), a New York corporation and wholly-owned subsidiary of *infoUSA* Inc. (the Company), to acquire (i) all of the issued and outstanding shares of common stock, par value \$0.0001 per share (the Common Shares), of Guideline Inc., a New York corporation (Guideline), at a price of \$1.35 per Common Share, in cash, and (ii) all of the issued and outstanding shares of Series A preferred stock, par value \$0.0001 per share, of Guideline (the Preferred Shares and, along with the Common Shares, the Shares), at a price equal to the liquidation preference per Preferred Share of \$1.50 per share plus accrued dividends thereon, in cash (collectively the Offer), all pursuant to that certain Agreement and Plan of Merger, dated as of June 28, 2007, by and among the Company, Purchaser and Guideline (the Merger Agreement).

On August 23, 2007, the Company announced the successful completion of the previously announced subsequent offering period, which expired at 12:00 midnight EDT at the end of Wednesday, August 22, 2007. As of the expiration of the subsequent offering period, an additional 1,704,097 Common Shares had been validly tendered, resulting in the ownership by Purchaser of an aggregate of 21,267,898 Common Shares, or 94.4% of all Common Shares outstanding, as well as all of the Preferred Shares outstanding.

Also on August 23, 2007, the Company announced its intent to consummate a short-form merger without a vote of Guideline shareholders, as permitted by and pursuant to the New York Business Corporation Act. The merger was consummated on August 24, 2007. As a result of the merger, all remaining outstanding Common Shares, other than Common Shares held by shareholders of Guideline that perfect their rights to appraisal under the New York Business Corporation Act, were converted into the right to receive \$1.35 per Common Share, in cash, without interest.

Common Shares held by shareholders who perfect their appraisal rights will represent only the right to receive the amount awarded in the appraisal, or, if such demand for appraisal is withdrawn or forfeited, \$1.35 per Common Share, in cash, without interest. As a result of the merger, Guideline, the surviving corporation in the merger, became a wholly-owned subsidiary of the Company, with the Company owning all 1,000 outstanding shares of Guideline.

Approximately \$39.4 million was required in connection with the consummation of the Offer and the merger, including repayment of Guideline indebtedness and payment of transaction-related expenses. The Company and Purchaser used working capital and funds available under the Company's credit facility to pay such amounts.

A copy of the August 23, 2007 press release issued by the Company announcing the expiration of the subsequent offering period and the expected closing of the merger is attached hereto as Exhibit 99.1 hereto and is incorporated herein by reference.
