Item 1.01. Entry into a Material Definitive Agreement

On September 29, 2006 the Compensation and Nominating Committee of the Board of Directors (the Compensation Committee) of Sona Mobile Holdings Corp. (the Company) approved an amendment to the Company s compensation plan for directors. Pursuant to the existing plan, each non-employee director was to receive an option to purchase 5,000 shares of common stock as part of the annual directors fee. Under the amended plan, that option has been replaced with an option to purchase shares of common stock of the Company with a value equal to approximately \$40,000, with the number of shares determined by the Compensation Committee on the date of the grant based upon the trading price of the Company s common stock on that date. The option will vest in equally quarterly installments and will be exercisable for a period of ten years from the date of grant or within two years after the director ceases to serve as a director of the Company, whichever is earlier. Pursuant to the amended plan, on October 24, 2006, the Compensation Committee of the Board of Directors granted to each of the Company s non-employee directors options to purchase 75,000 shares of common stock of the Company at an exercise price equal to the fair market value of the Company s common stock on the grant date.
