Item 7.01. Regulation FD Disclosure.

During a previously announced investor conference call held on Tuesday, November 4, 2008, Emerson senior management discussed the Company's fourth quarter and fiscal year 2008 results. During this call, Emerson senior management also gave the Company's outlook for 2009. Portions of the investor slide presentation relating to the Company's outlook for 2009 are attached hereto as Exhibit 99.1. A replay of the conference call will be available for the next three months via the Internet in the Investor Relations area of Emerson's website at www.emerson.com/financial.

The investor slide presentation contains non-GAAP financial measures as such term is defined in Regulation G under the rules of the Securities and Exchange Commission. While the Company believes these non-GAAP financial measures are useful in evaluating the Company, this information should be considered as supplemental in nature and not as a substitute for or superior to the related financial information prepared in accordance with GAAP. Further, these non-GAAP financial measures may differ from similarly titled measures presented by other companies. The reasons why management believes that these non-GAAP financial measures provide useful information are set forth in the Company's most recent Form 10-K filed with the Securities and Exchange Commission.

Statements in the investor slide presentation that are not strictly historical may be forward-looking statements, which involve risks and uncertainties, and the Company undertakes no obligation to update any such statements to reflect later developments. These risks and uncertainties include economic and currency conditions, market demand, pricing, and competitive and technological factors, among others, as set forth in the Company's most recent Form 10-K filed with the Securities and Exchange Commission.
