1. ELECTION OF DIRECTORS. To elect three Class III directors to serve until the 2004 annual meeting of stockholders;
2. RATIFICATION OF AUDITORS. To ratify the selection of Ernst & Young LLP as Buckeye's independent auditors for fiscal year 2002; and

QUORUM

A majority of the outstanding shares, present or represented by proxy, constitutes a quorum. A quorum is necessary to conduct business at the annual meeting. Under Delaware law, stockholders who abstain from voting on a proposal are treated as present and entitled to vote at the annual meeting and therefore have the effect of a vote against the proposal. If shares of common stock are held in the name of a broker, the failure of the broker to vote the shares is treated as if the beneficial owner of such shares failed to vote such shares.

We will pay the cost of preparing, printing and mailing material in connection with this solicitation of proxies. INFORMATION ABOUT THE BOARD OF DIRECTORS

ROLE OF THE BOARD

Pursuant to Delaware law, our business, property and affairs are managed under the direction of our Board of Directors. The Board has responsibility for establishing broad corporate policies and for the overall performance and direction of Buckeye Technologies Inc., but is not involved in day-to-day operations. Members of the Board keep informed of our business by participating in Board and committee meetings, by reviewing reports sent to them regularly, and through discussions with our executive officers.

BOARD STRUCTURE

We currently have seven directors. Our Board is divided into three groups, Class I Directors, Class II Directors, and Class III Directors. Each class of directors is elected to serve a three-year term. This means that the Class III directors who are elected at the 2001 meeting will serve until the 2004 annual meeting of stockholders unless they resign or are removed.

2001 BOARD MEETINGS

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

Buckeye's Board of Directors conducted five meetings (exclusive of committee meetings) during fiscal 2001, and no director attended less than 75% of the meetings held during the period.

BOARD COMMITTEES

The Board of Directors has an Audit Committee and a Compensation Committee.

THE AUDIT COMMITTEE, which consists of Messrs. Henry F. Frigon, Chairman, Red Cavaney and Samuel M. Mencoﬀ, met five times during fiscal year 2001. The Audit Committee has the authority and responsibility:

- to hire one or more independent public accountants to audit our books, records and financial statements and to review our systems of accounting (including our systems of internal control);
- to discuss with the independent accountants the results of the annual audit and quarterly reviews;
- to conduct periodic independent reviews of the systems of accounting (including systems of internal control);
- to make reports periodically to the Board with respect to its findings; and
- to undertake other activities described more fully in the section called "Report of the Audit Committee of the Board of Directors."

THE COMPENSATION COMMITTEE of the Board is composed of Messrs. Samuel M. Mencoﬀ, Chairman, George W. Bryan and Red Cavaney, all of whom are non-employee directors of Buckeye. The Compensation Committee met three times during fiscal year 2001. The Compensation Committee is responsible for establishing and administering Buckeye's executive compensation plan and developing policies and guidelines for administering the plan.

DIRECTOR COMPENSATION

Directors who are employees of Buckeye are not entitled to receive any fees for serving as directors. However, non-employee directors receive directors' fees in the amount of \$20,000 per annum payable quarterly, in cash or an equivalent amount of Buckeye's common stock, with the option provided to each director to defer receipt of his fees and receive in lieu thereof, upon the expiration of his tenure as a member of the Board, a cash payment equal to the number of shares of common stock which could have been purchased on the open market at the time of the deferral multiplied by the fair market value of the common stock at the time of expiration of such director's tenure.

Pursuant to Buckeye's Amended and Restated Formula Plan for Non-Employee Directors, each of Messrs. Bryan, Cavaney, Frigon, Mencoﬀ has been granted an option to acquire 10,000 shares of common stock at the prevailing market price at the time of the grant. Messrs. Cavaney, Frigon and Mencoﬀ received their stock option grants on November 2, 2000 and Mr. Bryan received his stock option grant on April 17, 2001. Each of these directors will be granted an additional option for 10,000 shares on the date of each annual meeting of stockholders at which he is reelected to the Board or continues his service on the Board. Under the Formula Plan, each option that

is issued on the date of an annual meeting of stockholders becomes fully exercisable on the first anniversary of its issuance or the next regularly scheduled annual meeting of stockholders, whichever occurs first. Each option issued on a date other than the date of an annual meeting of stockholders becomes fully exercisable on the first anniversary of its issuance. Future non-employee directors newly elected or appointed to the Board will also be entitled to receive options under the Formula Plan. Mr. Mencoﬀ has contractually agreed to assign to Madison Dearborn Partners, L.P., an entity for which Mr. Mencoﬀ's employer serves as general partner, all rights to director's fees and options to which he may be entitled as a director of Buckeye. All directors are reimbursed for out-of-pocket expenses related to their services as directors.

PROPOSAL 2 -- RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has selected Ernst & Young LLP, independent accountants, to audit our financial statements for fiscal year 2002. We are presenting this proposal to the stockholders for ratification at the annual meeting. A representative of Ernst & Young LLP is expected to be present at the meeting, will have the opportunity to make a statement, and is expected to be available to respond to appropriate questions.

RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS BUCKEYE'S INDEPENDENT AUDITORS REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF COMMON STOCK REPRESENTED AT THE ANNUAL MEETING.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS BUCKEYE'S INDEPENDENT AUDITORS FOR FISCAL YEAR 2002.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee consists of three directors, Messrs. Henry F. Frigon, Chairman, Red Cavaney and Samuel M. Mencoﬀ. Each member meets the independence and qualification standards required by the New York Stock Exchange. The Audit Committee operates in accordance with its written charter, which was adopted by the Board on April 18, 2000. A copy of the Audit Committee charter appears as Exhibit A to this proxy statement. During the fiscal year ended June 30, 2001, the Audit Committee met five times.

The Audit Committee monitors and reviews the performance of the independent auditors and the quality and integrity of Buckeye's internal accounting, auditing and financial reporting practices. The Audit Committee's chief duties are to:

- hire one or more independent public accountants to audit Buckeye's books, records and financial statements and to review its system of accounting, including its systems of internal control;
- monitor and evaluate, independently and objectively, Buckeye's internal financial controls and financial reporting procedure;
- discuss with the independent accountants the results of their

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

audits and reviews;

- periodically communicate the Audit Committee's findings to the Board; and
- facilitate communication among the Board, the independent auditors, and Buckeye's management.

The Audit Committee has obtained from the independent auditors, Ernst & Young LLP, a formal written statement describing all relationships between the auditors and Buckeye that might bear on the auditors'

7

11

independence. This statement conforms to Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee also has discussed with the auditors any relationships that may impact their objectivity and independence, and it has considered Buckeye's payment of fees to the auditors, and the Audit Committee is satisfied that the auditors are independent of Buckeye.

The Audit Committee has discussed with management Buckeye's audited financial statements for the year ended June 30, 2001. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended ("Communication with Audit Committees") and, with and without management present, discussed and reviewed the results of the independent auditors' examination of Buckeye's financial statements. The Audit Committee also has discussed with the independent auditors its evaluation of Buckeye's internal controls and the overall quality of Buckeye's financial reporting.

Based upon the results of the inquiries and actions discussed above, in reliance upon management and Ernst & Young LLP, and subject to the limitations of its role, the Audit Committee recommended to the Board that Buckeye's audited financial statements be included in its Annual Report on Form 10-K for the year ended June 30, 2001, for filing with the SEC. The Audit Committee has also recommended the reappointment, subject to stockholder approval, of the independent auditors, Ernst & Young LLP.

(1) Pursuant to Buckeye's Restricted Stock Plan, restricted shares of stock were awarded for the executive officers for fiscal years 2001, 2000 and 1999 in the following amounts: (i) in the case of Mr. Cannon, 4,823 shares, 2,962 shares and 4,157 shares, respectively; (ii) in the case of Mr. Ferraro, 3,361 shares, 2,086 shares and 3,015 shares, respectively; (iii) in the case of Mr. Ellis, 1,372 shares, 873 shares and 1,336 shares, respectively; (iv) in the case of Mr. Doggrell, 936 shares, 616 shares and 899 shares, respectively, and (v) in the case of Mr. Eppinger, 1,084 shares, 489 shares and 551 shares, respectively. The prices per share of \$12.33 for fiscal year 2001, \$23.37 for fiscal year 2000 and \$15.23 for fiscal year 1999 were based on the average closing price of the common stock on the NYSE for the 20 business days prior to the date of grant. Although the shares may be voted by the recipient, the shares may not be sold, pledged or otherwise transferred before the recipient's approved retirement from Buckeye, and if the recipient should violate the restrictions or otherwise leave Buckeye before an approved retirement date, the shares are subject to forfeiture. The aggregate value of all restricted stock holdings at the end of fiscal year 2001 for Messrs. Cannon, Ferraro, Ellis,

11

Doggrell and Eppinger was \$304,589, \$219,384, \$91,930, \$48,945 and \$42,725, respectively. If dividends are paid to holders of common stock, holders of restricted stock similarly will be eligible to receive dividends.

(2) None of the executive officers received options during fiscal year 2001. Options granted in fiscal year 2000 were granted pursuant to the 1995 Stock Option Plan. The exercise price of options granted to Messrs. Cannon, Ferraro, Ellis, Doggrell and Eppinger during fiscal year 2000 is \$16.00 per share. None of the executive officers received options during fiscal year 1999. All outstanding options vest periodically over a period of five years, except that optionees who were over the age of 57 at the time of the option grant have shorter vesting periods. Options that have vested may be exercised within a period of ten years from the date the options were granted or such shorter periods as are defined in the subscription agreements executed between Buckeye and the optionees.

(3) Amounts consist of accruals under the Buckeye Retirement Plan (the "Retirement Plan") and the Buckeye Retirement Plus Savings Plan (the "Retirement Plus Plan"), both of which are defined contribution retirement plans covering substantially all employees. Buckeye

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

contributes 1% of the employee's gross compensation plus 1/2% for each year of service up to a maximum of 11% of the employee's gross compensation under the Retirement Plan. The Retirement Plus Plan provides for contributions by Buckeye of shares of common stock equal to an additional 4% of the employee's gross compensation during years when Buckeye has been financially successful based on a predetermined financial threshold approved by the Board. No contribution will be made to the Retirement Plus Plan for fiscal year 2001 because such threshold was not reached. Mr. Eppinger also received taxable living expenses while on assignment away from home.

- (4) Mr. Doggrell resigned from his position with Buckeye on August 7, 2001 in order to pursue other business opportunities.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised of three directors who are not employees of Buckeye. The Committee is responsible for establishing and administering Buckeye's executive compensation programs, as well as determining the salaries, compensation and benefits of the Chief Executive Officer and the Chief Operating Officer. The Compensation Committee has engaged the consulting firm of William M. Mercer, Inc., Atlanta, Georgia, to conduct appropriate surveys of executive compensation plans and to compile data for comparable companies for committee comparison and review.

This report of the Compensation Committee describes the components of Buckeye's executive officer compensation programs and describes the basis upon which compensation is awarded to the executive officers of Buckeye.

This Compensation Committee report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Buckeye specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Philosophy and Structure

Total compensation levels are designed to attract, retain and reward executives who contribute to the long-term success of Buckeye. Compensation for Buckeye executives is comprised of three principal components: salary and benefits, annual at risk compensation, and long-term, equity-based incentive compensation. The Compensation Committee believes that executive compensation should be materially influenced by Buckeye's financial performance and, as such, the Committee has approved an executive compensation program that places a significant portion of executive compensation "at risk" dependent upon the company's and each individual's performance against clearly established criteria.

Buckeye seeks to provide salary and benefit levels that are comparable to those of companies that perform similarly. Salary targets are established for various officer positions based on surveys of relevant industries conducted by an outside compensation consultant. Utilizing these targets, individual salaries are established to reflect the officer's performance in meeting the company's objectives.

During 2001, Buckeye paid bonuses averaging 0.9% of base salary to eligible employees, including officers, under a broad-based profit sharing plan for company employees. Under this plan, bonuses of up to 15% of base salary are achievable depending upon Buckeye's business performance measured against

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

specific annual financial targets.

Buckeye makes payments under its At Risk Compensation ("ARC") program to officers and certain other employees based on Buckeye's business performance and the individual's role in contributing to the success of Buckeye. These awards are determined within a percentage range of base salary, with the payment of at least two-thirds of the award based on quantifiable performance criteria established by the Chief Executive Officer and the Chief Operating Officer, and the balance based on an assessment of the individual's overall performance and his or her contribution to Buckeye during the fiscal year. During the 2001 fiscal year, no payments were made to executive officers under the ARC program.

In addition, from time-to-time, Buckeye makes long-term incentive awards to officers and certain other employees of (1) incentive and non-qualified stock options from stock option plans previously approved by the stockholders and (2) restricted stock from treasury shares of common stock set aside by Buckeye pursuant to the Restricted Stock Plan approved by the Board of Directors. The purpose of these awards is to focus the recipient's

14

18

attention on the long-term performance of the business and to strengthen the alignment of stockholder and employee interests in share price appreciation. Restricted stock has been issued to certain Buckeye officers under the Restricted Stock Plan, at the fair market value of the common stock based on the average closing price on the New York Stock Exchange for the 20 business days prior to the date of grant, as a supplemental retirement benefit to partially offset the loss of benefits under Buckeye's defined contribution plans resulting from the cap on wages required by applicable rules and regulations.

Chief Executive Officer and Chief Operating Officer

Policies with respect to the compensation of the Chief Executive Officer and the Chief Operating Officer are essentially the same as those for other officers, except that their compensation, including the criteria used for determining their ARC, is directly established by the Compensation Committee. The salary and bonus compensation of the Chief Executive Officer and the Chief Operating Officer for fiscal year 2001 reflect Buckeye's overall performance during the period. Neither the Chief Executive Officer nor the Chief Operating Officer received an ARC award for fiscal year 2001.

The consulting firm engaged by the Committee has conducted compensation and benefit surveys that include both an assessment of Buckeye's financial performance compared to a group of comparable companies, as well as comparisons with the compensation paid to the chief executive officers and the chief operating officers of other companies.

The Compensation Committee believes that the compensation levels of Buckeye's executive officers are competitive and reasonably comparable with the compensation and benefits paid to executive officers of companies that generate similar financial results.

 SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The federal securities laws require Buckeye's directors and executive officers, and persons who beneficially own more than 10% of a registered class of Buckeye's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of any securities of Buckeye. To Buckeye's knowledge, based solely on review of the copies of such reports furnished to Buckeye and representations by certain reporting persons, all of Buckeye's officers, directors and greater than 10% beneficial owners made all filings required in a timely manner.

 CERTAIN TRANSACTIONS

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

Prior to April 2001, Mr. Robert E. Cannon was the sole owner of a limited liability company that owned an aircraft that was leased to Buckeye from time to time for company business. The Audit Committee of the Board of Directors has determined that the charges for the use of the aircraft by Buckeye were no less favorable to Buckeye than those that would be paid in a comparable transaction in arm's-length dealings with an unrelated party.

OTHER MATTERS

The Board of Directors knows of no matters other than those discussed in this proxy statement which will be presented at the 2001 annual meeting of stockholders. However, if any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of management.

Upon the written request of any record holder or beneficial owner of common stock entitled to vote at the annual meeting, we will provide, without charge, a copy of our Annual Report on Form 10-K for the year ended June 30, 2001. Requests should be directed to Shirley Spears, Buckeye Technologies Inc., P.O. Box 80407, 1001 Tillman Street, Memphis, Tennessee 38108-0407, (901) 320-8125.

The following shall be the principal recurring processes of the audit committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding the committee may supplement them as appropriate.

- The committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the board and the audit committee, as representatives of the Company's shareholders. The committee shall have the authority and responsibility to evaluate and, where appropriate, recommend replacement of the independent auditors. The committee shall discuss with the auditors their independence from management and the Company and the matters included in the written disclosures required by the Independence Standards Board. Annually, the committee shall review and recommend to the board the selection of the Company's independent auditors, subject to shareholders' approval.
- The committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk, and legal and ethical compliance programs. Further, the committee shall meet separately with the internal auditors

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

and the independent auditors, with and without management present, to discuss the results of their examinations.

- The committee shall review the interim financial statements with management and the independent auditors prior to filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

- The committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.
