**Commencement of Tender Offer for Existing \$100.0 Million Senior Notes due 2006.**

Corrections Corporation of America, a Maryland corporation formerly known as Prison Realty Trust, Inc. (the **Company** ), has commenced a cash tender offer to purchase (the **Tender Offer** ) any and all of its outstanding \$100.0 million 12% Senior Notes due 2006 (the **Notes** ). In conjunction with the Tender Offer, the Company is also soliciting (the **Consent Solicitation** ) consents (the **Consents** ) from the holders of the Notes to amend the indenture governing the Notes (the **Indenture** ) to remove certain restrictive covenants and events of defaults set forth therein (the **Proposed Amendments** ) (the Tender Offer together with the Consent Solicitation, known as the **Offer** ). The Offer will expire at 5:00 P.M., New York City time, on Thursday, May 16, 2002, unless extended by the Company (the **Expiration Date** ).

Pursuant to the terms of the Offer, holders who tender their Notes prior to 5:00 P.M., New York City time, on Monday, April 29, 2002 (the **Consent Date** ) will receive \$1,100 plus accrued and unpaid interest on such principal amount of Notes for each \$1,000 principal amount of Notes tendered. This payment includes a consent payment of \$30.00 for each \$1,000 principal amount of Notes tendered (the **Consent Payment** ). Holders who tender their Notes following April 29, 2002 but prior to the Expiration Date will not receive a Consent Payment and will therefore receive \$1,070 plus accrued and unpaid interest on such principal amount of Notes for each \$1,000 principal amount of Notes tendered. For those holders that tender Notes on or before the Consent Date, the consideration to be paid to such holders will be made promptly following the completion of the Company's previously announced proposed refinancing and debt offering (the **Replacement Financing** ). For those holders that tender Notes following the Consent Date but prior to the Expiration Date, the consideration will be paid promptly following the Expiration Date.

The principal purpose of the Offer is to acquire all outstanding Notes and to eliminate certain covenants and certain events of default contained in the Indenture. The Offer and the Consent Solicitation are being made in conjunction with, and are conditioned upon the consummation of, among other things, the Replacement Financing. The Offer is also conditioned upon the tendering of Notes and obtainment of Consents from the holders of more than \$50.0 million aggregate principal amount of the Notes prior to 5:00 p.m., New York City time, on Tuesday, April 23, 2002. The Company reserves the right to waive one or more of the conditions to the completion of the Offer.

The Company must obtain the consent of the holders of a majority of the outstanding principal amount of the Notes in order to effect the Proposed Amendments (the **Requisite Consents** ). As soon as the Requisite Consents are obtained, the Company and State Street Bank and Trust Company, the Trustee under the Indenture, will execute an amendment to the Indenture containing the Proposed Amendments (the **Second Supplemental Indenture** ). The Second Supplemental Indenture will provide that the Proposed Amendments will not become operative until the date and time, which will be no later than the Expiration Date, that the Company notifies State Street Bank and Trust Company as Depository for the Offer that the Notes tendered along with the Requisite Consents have been purchased by the Company. If the Offer is terminated for any reason prior to the operational time of the Second Supplemental Indenture or the Notes

tendered with the Requisite Consents are not accepted for purchase for any reason, the Indenture will remain in effect in its present form. If the Proposed Amendments become effective, holders who do not tender their Notes pursuant to the Offer will be bound by the Proposed Amendments as contained in the Second Supplemental Indenture. Notes tendered may be withdrawn, and Consents revoked, at any time prior to the execution of the Second Supplemental Indenture, but not thereafter. Notes tendered subsequent to the Consent Date and prior to the Expiration Date, may be withdrawn at any time prior to the Expiration Date, but not thereafter.
