ITEM 12. Results of Operations and Financial Condition

On July 26, 2004, Crawford & Company (the "Company") issued a press release containing information about the Company's financial condition, results of operations, and cash flows for the second quarter of 2004. A copy of the press release is attached hereto as Exhibit 99.1.

The press release contains non-GAAP financial measures and a reconciliation to the related GAAP measure is included. Operating earnings is one of the key performance measures used by the Company's senior management to evaluate the performance of its business and make resource allocation decisions. The Company believes this measure is useful to investors in that it allows them to evaluate its performance using the same criteria that management uses.
