## INTRODUCTION

This Amendment No. 5 (this Final Amendment ) to the Transaction Statement on Schedule 13E-3 ( Schedule 13E-3 ) is being filed by McRae Industries, Inc., a Delaware corporation (the Company ), D. Gary McRae and James W. McRae pursuant to Section 13(e) of the Securities Exchange Act of 1934, as amended ( Exchange Act ), and Rule 13e-3 promulgated thereunder. This Final Amendment amends the Schedule 13E-3 filed by such parties with the Securities and Exchange Commission on June 10, 2005, as amended on July 22, 2005, August 19, 2005, September 29, 2005 and October 13, 2005. All information below should be read in conjunction with the information contained or incorporated by reference in the Schedule 13E-3, as previously amended. This Final Amendment is filed pursuant to Rule 13e-3(d)(3) promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act ), to report the consummation of the transaction on December 1, 2005.

### **Item 4. Terms of the Transaction.**

Item 4 is hereby amended and supplemented by adding the following:

On December 1, 2005, the transaction became effective by the filing with the Secretary of State of Delaware of certificates of amendment to the Company s certificate of incorporation which effected a 1-for-200 reverse stock split, followed immediately by a 200-for-1 forward stock split, of the outstanding shares of both classes of its common stock (Class A and Class B). As a result of the transaction, stockholders holding fewer than 200 shares of the Company s common stock (Class A or Class B) immediately before the transaction had such shares cancelled and converted into the right to receive from the Company a cash payment of \$14.25 for each such share owned before the reverse stock split.

### **Item 10. Source and Amounts of Funds or Other Consideration.**

Item 10 is hereby amended and supplemented as follows by adding the following:

As discussed in the proxy statement for the Special Meeting of Stockholders held to consider the transaction, in preparation for the anticipated implementation of the transaction the Company established a process through the Depository Trust Company whereby beneficial owners who held fewer than 200 shares of a particular class of common stock in street name were able to submit their shares so that they could be cashed out in the transaction. Through this process a significantly greater number of shares were submitted than was anticipated. As a result, the actual number of shares cashed out in the transaction increased from the estimated amount of 56,140 to approximately 192,000 and the cost to purchase these shares, after estimated transaction expense of \$190,000, increased from \$800,000 to approximately \$2.7 million.

### **Item 15. Additional Information.**

Item 15 is amended and supplemented by adding the following:

The transaction was approved by the Company s stockholders at a Special Meeting of Stockholders held on November 17, 2005.
