**PROXY STATEMENT
VOTING INFORMATION**

Purpose

This Proxy Statement and the accompanying proxy card are being mailed to TSYS shareholders beginning on or about March 23, 2007. The TSYS Board of Directors is soliciting proxies to be used at the 2007 Annual Meeting of TSYS Shareholders which will be held on April 24, 2007, at 10:00 a.m., at the TSYS Riverfront Campus Auditorium, 1600 First Avenue, Columbus, Georgia. Proxies are solicited to give all shareholders of record an opportunity to vote on matters to be presented at the Annual Meeting. In the following pages of this Proxy Statement, you will find information on matters to be voted upon at the Annual Meeting of Shareholders or any adjournment of that meeting.

Who Can Vote

You are entitled to vote if you were a shareholder of record of TSYS stock as of the close of business on February 20, 2007. Your shares can be voted at the meeting only if you are present or represented by a valid proxy.

Quorum and Shares Outstanding

A majority of the outstanding shares of TSYS stock must be present, either in person or represented by proxy, in order to conduct the Annual Meeting of TSYS Shareholders. On February 20, 2007, 197,382,904 shares of TSYS stock were outstanding.

Columbus Bank and Trust Company

Columbus Bank and Trust Company[®](CB&T) owned individually 159,630,980 shares, or 81.1%, of the outstanding shares of TSYS stock on February 20, 2007. CB&T[®] is a wholly owned banking subsidiary of Synovus Financial Corp.[®], a diversified financial services company.

Proxy Card

The Board has designated two individuals to serve as proxies to vote the shares represented by proxies at the Annual Meeting of Shareholders. If you properly submit a proxy card but do not specify how you want your shares to be voted, your shares will be voted by the designated proxies: (1) FOR the election of all of the director nominees; (2) FOR the approval of the Total System Services, Inc. 2007 Omnibus Plan; (3) FOR the approval of the Synovus Financial Corp. 2007 Omnibus Plan; and (4) FOR the ratification of the appointment of KPMG LLP as TSYS independent auditor for the year 2007. The designated proxies will vote in their discretion on any other matter that may properly come before the meeting. At the date the Proxy Statement went to press, we did not anticipate that any other matters would be raised at the Annual Meeting.

Voting of Shares

Each share of TSYS stock represented at the Annual Meeting is entitled to one vote on each matter properly brought before the meeting. All shares entitled to vote and represented in person or by valid proxies received by phone, Internet or mail will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies.

TSYS Dividend Reinvestment and Direct Stock Purchase Plan: If you participate in this Plan, your proxy card represents shares held in the Plan, as well as shares you hold in certificate form registered in the same name.

Required Votes

Directors are elected by a plurality of the votes cast, which means the eight nominees who receive the largest number of properly executed votes will be elected as directors. Each share of TSYS stock is entitled to one vote for each of eight director nominees. Shares that are represented by proxies which are marked *withhold authority* for the election of one or more director nominees will not be counted in determining the number of votes cast for those persons.

Table of Contents

The affirmative vote of a majority of the votes cast is needed to approve the Total System Services, Inc. 2007 Omnibus Plan and the Synovus Financial Corp. 2007 Omnibus Plan and to ratify the appointment of KPMG LLP as TSYS independent auditor for 2007.

CB&T, the beneficial owner of 81.1% of the outstanding shares of TSYS stock, has indicated that it intends to vote FOR all proposals.

Tabulation of Votes

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (a broker non-vote). In these cases, and in cases where the shareholder abstains from voting on a matter, those shares will be counted for the purpose of determining if a quorum is present, but will not be included as votes cast with respect to those matters and, therefore, will have no effect on the vote with respect to any proposal.

How You Can Vote

You may vote by proxy or in person at the meeting. To vote by proxy, you may select one of the following options:

Vote By Telephone:

You can vote your shares by telephone by calling the toll-free telephone number (at no cost to you) shown on your proxy card. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the shareholder by using individual control numbers. If you vote by telephone, you do NOT need to return your proxy card.

Vote By Internet:

You can also choose to vote on the Internet. The website for Internet voting is shown on your proxy card. Internet voting is available 24 hours a day, seven days a week. You will be given the opportunity to confirm that your instructions have been properly recorded, and you can consent to view future proxy statements and annual reports on the Internet instead of receiving them in the mail. If you vote on the Internet, you do NOT need to return your proxy card.

Vote By Mail:

If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

Revocation of Proxy

If you vote by proxy, you may revoke that proxy at any time before it is voted at the meeting. You may do this by (a) signing another proxy card with a later date and returning it to us prior to the meeting, (b) voting again by telephone or on the Internet prior to the meeting, or (c) attending the meeting in person and casting a ballot.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Philosophy

The business affairs of TSYS are managed under the direction of the Board of Directors in accordance with the Georgia Business Corporation Code, as implemented by TSYS' Articles of Incorporation and bylaws. The role of the Board of Directors is to effectively govern the affairs of TSYS for the benefit of its shareholders and other constituencies. The Board strives to ensure the success and continuity of business through the election of qualified management. It is also responsible for ensuring that TSYS' activities are conducted in a responsible and ethical manner. TSYS is committed to having sound corporate governance principles.

Independence

The listing standards of the New York Stock Exchange provide that a director does not qualify as independent unless the Board of Directors affirmatively determines that the director has no material relationship with TSYS. The Board has established categorical standards of independence to assist it in determining director independence which conform to the independence requirements in the NYSE listing standards. The categorical standards of independence are incorporated within our Corporate Governance Guidelines, are attached to this Proxy Statement as Appendix A and are also available in the Corporate Governance section of our website at www.tsys.com/ir/governance.

The Board has determined that a majority of its members are independent as defined by the listing standards of the NYSE and meet the categorical standards of independence set by the Board. TSYS' Board has determined that the following directors are independent: Richard Y. Bradley, Kriss Cloninger III, G. Wayne Clough, Walter W. Driver, Jr., Sidney E. Harris, John P. Illges, III (who retired as a director in 2006), Mason H. Lampton, W. Walter Miller, Jr., H. Lynn Page, John T. Turner and Rebecca K. Yarbrough. Please see "Certain Relationships and Related Transactions" on page 42 which includes information with respect to immaterial relationships between TSYS and its independent directors. This information was considered by the Board in determining a director's independence from TSYS under TSYS' categorical standards of independence and NYSE listing standards.

Although TSYS is a controlled company under the rules of the NYSE as a result of its 81.1% ownership by Synovus and CB&T, and as such is entitled to an exemption from the independence requirements for its Board and its Corporate Governance and Nominating Committee and Compensation Committee, TSYS is not currently taking advantage of this exemption.

Attendance at Meetings

The Board of Directors held five meetings in 2006. All directors attended at least 75% of Board and committee meetings held during their tenure during 2006 except G. Wayne Clough. The average attendance by directors at the aggregate number of Board and committee meetings they were scheduled to attend was 95%. Although TSYS has no formal policy with respect to Board members' attendance at its annual meetings, it is customary for all Board members to attend as there is a Board meeting immediately preceding the annual meeting. All of TSYS' directors who were serving at the time attended the 2006 Annual Meeting of Shareholders.

Committees of the Board

TSYS Board of Directors has four principal standing committees – an Executive Committee, an Audit Committee, a Corporate Governance and Nominating Committee and a Compensation Committee. Each committee has a written charter adopted by the Board of Directors that complies with the listing standards of the NYSE pertaining to corporate governance. Copies of the committee charters are available in the Corporate Governance section of our website at www.tsys.com/ir/governance. The Board has determined that each member of the Audit, Corporate Governance and Nominating and Compensation

Table of Contents

Committees is an independent director as defined by the listing standards of the NYSE and our Corporate Governance Guidelines. The following table shows the membership of the various committees.

Executive	Audit	Corporate Governance and Nominating	Compensation
James H. Blanchard, Chair Richard Y. Bradley G. Wayne Clough Mason H. Lampton H. Lynn Page Philip W. Tomlinson M. Troy Woods	H. Lynn Page, Chair Kriss Cloninger III Sidney E. Harris John T. Turner	Richard Y. Bradley, Chair W. Walter Miller, Jr. Rebecca K. Yarbrough	Mason H. Lampton, Chair G. Wayne Clough Walter W. Driver, Jr.

Executive Committee. TSYS Executive Committee held four meetings in 2006. During the intervals between meetings of TSYS Board of Directors, TSYS Executive Committee possesses and may exercise any and all of the powers of TSYS Board of Directors in the management and direction of the business and affairs of TSYS with respect to which specific direction has not been previously given by TSYS Board of Directors unless Board action is required by TSYS governing documents, law or rule.

Audit Committee. TSYS Audit Committee held nine meetings in 2006. Its Report is on page 25. The Board has determined that all four members of the Committee are independent and financially literate under the rules of the NYSE and that at least one member, H. Lynn Page, is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission. The primary functions of TSYS Audit Committee include:

Monitoring the integrity of TSYS financial statements, TSYS systems of internal controls and TSYS compliance with regulatory and legal requirements;

Monitoring the independence, qualifications and performance of TSYS independent auditor and internal auditing activities; and

Providing an avenue of communication among the independent auditor, management, internal audit and the Board of Directors.

Corporate Governance and Nominating Committee. TSYS Corporate Governance and Nominating Committee held four meetings in 2006. The primary functions of TSYS Corporate Governance and Nominating Committee include:

Identifying qualified individuals to become Board members;

Recommending to the Board the director nominees for each annual meeting of shareholders and director nominees to be elected by the Board to fill interim director vacancies;

Overseeing the annual review and evaluation of the performance of the Board and its committees; and

Developing and recommending to the Board corporate governance guidelines.

Compensation Committee. TSYS Compensation Committee held six meetings in 2006. Its Report is on page 35. The primary functions of TSYS Compensation Committee include:

Designing and overseeing TSYS executive compensation program;

Designing and overseeing all compensation and benefit programs in which employees and officers of TSYS are eligible to participate; and

Performing an annual evaluation of the Chief Executive Officer.

The Compensation Committee's charter reflects these responsibilities, and allows the Committee to delegate any matters within its authority to individuals or subcommittees it deems appropriate. In addition, the Committee has the authority under its charter to retain outside advisors to assist the Committee in the performance of its duties. In July 2005, the Committee retained the services of Hewitt Associates for 2005 and 2006 to:

Provide ongoing recommendations regarding executive compensation consistent with TSYS business needs, pay philosophy, market trends and latest legal and regulatory considerations;

Table of Contents

Provide market data for base salary, short-term incentive and long-term incentive decisions; and
Advise the Committee as to best practices.

Hewitt was engaged directly by the Committee, although the Committee also directed that Hewitt continue to work with TSYS management. TSYS Group Executive of Administrative Services and his staff develop executive compensation recommendations for the Committee's consideration in conjunction with TSYS Chief Executive Officer and with the advice of Hewitt Associates. In addition, Synovus Director of Human Resources provides advice with respect to equity awards of Synovus made to TSYS executives (such awards are granted by the Synovus Compensation Committee based upon the recommendation of the TSYS Compensation Committee).

TSYS Group Executive of Administrative Services works with the Chairman of the Committee to establish the agenda for Committee meetings. TSYS management also prepares background information for each Committee meeting. TSYS Group Executive of Administrative Services and Synovus Director of Human Resources attend all Committee meetings, while TSYS Chief Executive Officer attends some Committee meetings, such as the Committee meeting in which his performance is reviewed with the Committee or other meetings upon the request of the Committee. TSYS Chief Executive Officer and Group Executive of Administrative Services and Synovus Director of Human Resources do not have authority to vote on Committee matters. An executive compensation consultant with Hewitt Associates also attends some Committee meetings upon the request of the Committee.

Compensation Committee Interlocks and Insider Participation. Messrs. Lampton, Clough and Driver served on the Compensation Committee during 2006. None of these individuals is or has been an officer or employee of TSYS.

Consideration of Director Candidates

Shareholder Candidates. The Corporate Governance and Nominating Committee will consider candidates for nomination as a director submitted by shareholders. Although the Committee does not have a separate policy that addresses the consideration of director candidates recommended by shareholders, the Board does not believe that such a separate policy is necessary as TSYS bylaws permit shareholders to nominate candidates and as one of the duties set forth in the Corporate Governance and Nominating Committee charter is to review and consider director candidates submitted by shareholders. The Committee will evaluate individuals recommended by shareholders for nomination as directors according to the criteria discussed below and in accordance with TSYS bylaws and the procedures described under Shareholder Proposals and Nominations on page 47.

Director Qualifications. TSYS Corporate Governance Guidelines contain Board membership criteria considered by the Corporate Governance and Nominating Committee in recommending nominees for a position on TSYS Board. The Committee believes that, at a minimum, a director candidate must possess personal and professional integrity, sound judgment and forthrightness. A director candidate must also have sufficient time and energy to devote to the affairs of TSYS, be free from conflicts of interest with TSYS, must not have reached the retirement age for TSYS directors and be willing to make, and financially capable of making, the required investment in TSYS stock pursuant to TSYS Director Stock Ownership Guidelines. The Committee also considers the following criteria when reviewing a director candidate:

The extent of the director's/potential director's business acumen and experience;

Whether the director/potential director assists in achieving a mix of Board members that represents a diversity of background and experience, including with respect to age, gender, race, place of residence and specialized experience;

Whether the director/potential director meets the independence requirements of the listing standards of the NYSE;

Whether the director/potential director would be considered a financial expert or financially literate as defined in the listing standards of the NYSE;

Whether the director/potential director, by virtue of particular technical expertise, experience or specialized skill relevant to TSYS current or future business, will add specific value as a Board member; and

Table of Contents

Whether the director/potential director possesses a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust.

Identifying and Evaluating Nominees

The Corporate Governance and Nominating Committee has two primary methods for identifying director candidates (other than those proposed by TSYS shareholders, as discussed above). First, on a periodic basis, the Committee solicits ideas for possible candidates from a number of sources including members of the Board, TSYS executives and individuals personally known to the members of the Board. Second, the Committee is authorized to use its authority under its charter to retain at TSYS expense one or more search firms to identify candidates (and to approve such firms fees and other retention terms).

The Committee will consider all director candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria. The director candidates are evaluated at regular or special meetings of the Committee and may be considered at any point during the year. If based on the Committee's initial evaluation a director candidate continues to be of interest to the Committee, the Chair of the Committee will interview the candidate and communicate his evaluation to the other Committee members and executive management. Additional interviews are conducted, if necessary, and ultimately the Committee will meet to finalize its list of recommended candidates for the Board's consideration.

One nominee for election as a director, Richard E. Anthony, has not previously been elected by the shareholders of TSYS. Mr. Anthony was recommended to the Committee for consideration as a director nominee by an executive officer (other than the chief executive officer) of TSYS.

Meetings of Non-Management and Independent Directors

The non-management directors of TSYS meet separately at least four times a year after each regularly scheduled meeting of the Board of Directors. TSYS independent directors meet at least once a year. G. Wayne Clough, TSYS Lead Director, presides at the meetings of non-management and independent directors.

Communicating with the Board

TSYS Board provides a process for shareholders and other interested parties to communicate with one or more members of the Board, including the Lead Director, or the non-management or independent directors as a group. Shareholders and other interested parties may communicate with the Board by writing the Board of Directors, Total System Services, Inc., c/o General Counsel's Office, 1111 Bay Avenue, Suite 500, Columbus, Georgia 31901 or by calling (800)240-1242. These procedures are also available in the Corporate Governance section of our website at www.tsys.com/ir/governance. TSYS process for handling shareholder and other communications to the Board has been approved by TSYS independent directors.

Additional Information about Corporate Governance

TSYS has adopted Corporate Governance Guidelines which are regularly reviewed by the Corporate Governance and Nominating Committee. We have also adopted a Code of Business Conduct and Ethics which is applicable to all directors, officers and employees. In addition, we maintain procedures for the confidential, anonymous submission of any complaints or concerns about TSYS, including complaints regarding accounting, internal accounting controls or auditing matters. Shareholders may access TSYS Corporate Governance Guidelines, Code of Business Conduct and Ethics, each committee's current charter, procedures for shareholders and other interested parties to communicate with the Lead Director or with the non-management or independent directors individually or as a group and procedures for

reporting complaints and concerns about TSYS, including complaints concerning accounting, internal accounting controls and auditing matters in the Corporate Governance section of our website at www.tsys.com/ir/governance. Copies of these documents are also available in print upon written request to the Corporate Secretary, Total System Services, Inc., 1111 Bay Avenue, Suite 500, Columbus, Georgia 31901.

- (2) The grant date fair value of the 500 shares of restricted TSYS stock awarded to this director in 2006 was \$9,965. The amount in this column reflects the dollar amount recognized for financial statement reporting purposes for the year ended December 31, 2006 in accordance with FAS 123(R) and includes amounts for awards granted in 2006 and prior to 2006. For a discussion of the restricted stock awards reported in this column, see Note 14 of Notes to Consolidated Financial Statements in TSYS Annual Report for the year ended December 31, 2006. Amounts for office space and personal use of corporate aircraft are not quantified because they do not exceed the greater of \$25,000 or 10% of the total amount of perquisites.

Director Compensation Program

The Corporate Governance and Nominating Committee of TSYS is responsible for the oversight and administration of the TSYS director compensation program. The Committee's charter reflects these responsibilities and does not allow the Committee to delegate its authority to any person other than the members of the Corporate Governance and Nominating Committee. Under its charter, the Committee has authority to retain outside advisors to assist the Committee in performance of its duties. In November 2004, the Corporate Governance and Nominating Committee retained Mercer Human Resource Consulting to review the competitiveness of the TSYS director compensation program. Mercer was directed to develop peer groups of 15 to 20 companies against which to benchmark director compensation at TSYS and to review and compare director pay practices at TSYS to industry peer companies and to those of general industry companies, analyzing cash compensation, long-term incentive compensation and total compensation. The Corporate Governance and Nominating Committee also asked Mercer to overview recent director pay trends, including shifts in pay mix, equity compensation trends and changes related to increased responsibilities and liability. Mercer's recommendations for director compensation were then presented to the Committee. In January 2005, Mercer recommended certain changes to the director compensation program at TSYS; the Corporate Governance and Nominating Committee discussed and considered these recommendations and recommended to the Board that it approve the current compensation structure. The decisions made by the Committee are the responsibility of the Committee and may reflect factors and considerations other than the information and recommendations provided by Mercer. The Committee has decided to review and evaluate director compensation every two years.

Cash Compensation of Directors. As reflected in the Fees Earned or Paid in Cash column of the Director Compensation Table above, for the fiscal year ended December 31, 2006, directors of TSYS received an annual cash retainer of \$35,000, with Compensation Committee and Corporate Governance and Nominating Committee members receiving an additional cash retainer of \$5,000 and Audit Committee and Executive Committee members receiving an additional cash retainer of \$10,000. In addition, the Chairpersons of the Compensation Committee and Corporate Governance and Nominating Committee received a \$5,000 cash retainer, the Chairperson of the Audit Committee received a \$10,000 cash retainer and the Lead Director received a \$5,000 cash retainer.

By paying each director an annual retainer, TSYS compensates each director for his or her role and judgment as an advisor to TSYS, rather than for his or her attendance or effort at individual meetings. In so doing, directors with added responsibility are recognized with higher cash compensation. For example, members of the Audit Committee receive a higher cash retainer based upon the enhanced duties, time commitment and responsibilities of service on that committee. The Corporate Governance and Nominating Committee believes that this additional cash compensation is appropriate.

In determining the specific amounts of cash compensation, including fees for service on committees and as chairpersons of those committees, the Corporate Governance and Nominating Committee, with the assistance of Mercer, studied cash compensation at a peer group of 17 companies generally categorized as business service providers and at 350 large industrial, financial and service organizations and set the cash compensation levels at or around the 50th percentile for such peer companies.

Directors may elect to defer all or a portion of their cash compensation under the TSYS Directors' Deferred Compensation Plan. The Directors' Deferred Compensation Plan does not provide directors with an above market rate of return. Instead, the deferred amounts are deposited into one or more investment funds at the election of the director. In so doing, the plan is designed to allow directors to defer the income taxation of a portion of their compensation and to receive an investment return on those deferred amounts. All deferred fees are payable only in cash. Each of Messrs. Harris, Jones and Turner deferred all or a portion of their cash compensation under this plan during 2006.

Equity Compensation of Directors. During 2006, non-management directors also received an annual award of 500 shares of restricted TSYS stock in the form of a grant from the TSYS 2002 Long-Term Incentive Plan, 100% of which vests after three years. The Board granted these restricted stock awards to directors on February 1, 2006, the first day of the month following the Corporate Governance and Nominating Committee meeting to approve director compensation for the fiscal year. These restricted stock awards are designed to create equity ownership and to focus directors on the long-term performance of TSYS.

Table of Contents

Before restricted stock awards were first granted to directors in 2005, TSYS directors were not compensated with equity ownership in the company, other than contributions under the Director Stock Purchase Plan. With the assistance of Mercer's market analysis, the Corporate Governance and Nominating Committee determined in 2005 that a competitive director compensation program needed to include a more appropriate level of equity compensation in order to align TSYS with best practices and to remain competitive with the compensation programs at peer companies. First, the Committee determined that restricted stock awards were more appropriate than the use of stock options based upon the market shift in equity pay mix at other similarly situated companies. Second, the Committee determined that a grant of 500 shares of restricted TSYS stock was appropriate by analyzing the market on equity compensation and then determining the right mix based upon a market value approach to the number of shares awarded. In so doing, the grants of restricted stock provide TSYS directors with a more balanced pay mix between cash and equity, consistent with the market trend toward equal weighting of cash and equity.

TSYS Director Stock Purchase Plan is a non-qualified, contributory stock purchase plan pursuant to which qualifying TSYS directors can purchase, with the assistance of contributions from TSYS, presently issued and outstanding shares of TSYS stock. Under the terms of the Director Stock Purchase Plan, qualifying directors can elect to contribute up to \$5,000 per calendar quarter to make purchases of TSYS stock, and TSYS contributes an additional amount equal to 50% of the directors' cash contributions. Participants in the Director Stock Purchase Plan are fully vested in, and may request the issuance to them of, all shares of TSYS stock purchased for their benefit under the Plan. TSYS contributions under this Plan are included in the "All Other Compensation" column of the Director Compensation Table above.

TSYS contributions under the Director Stock Purchase Plan further provide directors the opportunity to buy and maintain an equity interest in TSYS and to share in the capital appreciation of TSYS. Together, the restricted stock awards and TSYS contributions under the Director Stock Purchase Plan provide an appropriate, competitive amount of compensation to directors in the form of equity, putting the equity component of compensation, as well as total compensation, at or near the median for peer group companies at the time the compensation structure was approved in 2005.

The restricted stock awards to directors and TSYS contributions under the Director Stock Purchase Plan also assist and facilitate directors' fulfillment of their stock ownership requirements. TSYS Corporate Governance Guidelines require all directors to accumulate over time shares of TSYS stock equal in value to at least three times the value of their annual retainer. Directors have five years to attain this level of total stock ownership but must attain a share ownership threshold of one times the amount of the director's annual retainer within three years. These stock ownership guidelines are designed to align the interests of TSYS directors to that of TSYS shareholders and the long-term performance of TSYS.

Consulting Agreement

Effective June 30, 2005, TSYS and Richard W. Ussery, the former Chairman of the Board of TSYS, entered into a one-year Consulting Agreement in conjunction with Mr. Ussery's retirement as an employee of TSYS. Under the Agreement, Mr. Ussery received monthly payments of \$26,526 and was also provided with 20 hours of personal use of corporate aircraft. TSYS also provided Mr. Ussery with office space and administrative assistance during 2006 valued at approximately \$10,202 and \$69,482, respectively, subsequent to his retirement. The Agreement expired on June 30, 2006. TSYS continued to provide Mr. Ussery with office space and administrative assistance throughout the remainder of 2006, however.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ALL NOMINEES.

Number

At the date of this Proxy Statement, the Board of Directors of TSYS consists of 18 members. As 19 board seats have been authorized by TSYS shareholders, TSYS has one directorship which remains vacant. This vacant directorship could be filled in the future at the discretion of TSYS Board of Directors. This discretionary power gives TSYS Board of Directors the flexibility of appointing new directors in the periods between TSYS Annual Meetings should suitable candidates come to its attention. The Board is divided into three classes whose terms are staggered so that the term of one class expires at each Annual Meeting of Shareholders. The terms of office of the Class I directors expire at the 2008 Annual Meeting, the terms of office of the Class II directors expire at the 2009 Annual Meeting and the terms of office of the Class III directors expire at the 2007 Annual Meeting. Proxies cannot be voted at the 2007 Annual Meeting for a greater number of persons than the number of nominees named.

Nominees

The following nominees have been selected by the Corporate Governance and Nominating Committee and approved by the Board for submission to the shareholders: Richard E. Anthony, Sidney E. Harris, Alfred W. Jones III, Mason H. Lampton, John T. Turner, M. Troy Woods, James D. Yancey and Rebecca K. Yarbrough, each to serve a three year term expiring at the 2010 Annual Meeting.

The Board believes that each director nominee will be able to stand for election. If any nominee becomes unable to stand for election, proxies in favor of that nominee will be voted in favor of the remaining nominees and in favor of any substitute nominee named by the Board upon the recommendation of the Corporate Governance and Nominating Committee. If you do not wish your shares voted for one or more of the nominees, you may so indicate on the proxy.

**PROPOSAL 2: APPROVAL OF THE TOTAL SYSTEM SERVICES, INC.
2007 OMNIBUS PLAN**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE
TOTAL SYSTEM SERVICES, INC. 2007 OMNIBUS PLAN.**

Upon the recommendation of the Compensation Committee of TSYS, on February 15, 2007 the Board of Directors adopted the Total System Services, Inc. 2007 Omnibus Plan (2007 Plan), subject to shareholder approval. The purpose of the 2007 Plan is to advance the interests of TSYS and its shareholders through awards that give employees and directors a personal stake in TSYS' growth, development and financial success. Awards under the 2007 Plan are designed to motivate employees and directors to devote their best interests to the business of TSYS. Awards will also help TSYS attract and retain the services of employees and directors who are in a position to make significant contributions to TSYS' future success. Subject to approval by TSYS' shareholders, compensation paid pursuant to the 2007 Plan is intended, to the extent reasonable, to qualify for tax deductibility under Section 162(m) (Section 162(m)) and Section 409A of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, as may be amended from time to time.

Eligibility and Participation. Any employee of TSYS and its subsidiaries and any non-employee director of TSYS, approximately 5,319 persons, is eligible to participate in the 2007 Plan. Incentive stock options, however, may be granted only to employees. The Compensation Committee of the Board of Directors of TSYS (Committee) has discretion to select participants from year to year.

Shares Subject to the Plan. The aggregate number of shares of TSYS stock which may be granted to participants pursuant to awards granted under the 2007 Plan may not exceed five million (5,000,000) shares. Shares awarded under the 2007 Plan that are subsequently forfeited may also be awarded under the 2007 Plan.

Awards Under the 2007 Plan. Pursuant to the 2007 Plan, TSYS may grant the following types of awards subject to the following conditions:

Nonqualified and Incentive Stock Options. All stock options must have a maximum life of no more than ten years from the date of grant. At the time of grant, the Committee will determine the exercise price for any stock options. In no event, however, may the exercise price be less than 100% of the fair market value of TSYS' common stock at the time of grant. At the time of exercise, payment in full of the exercise price will be paid in cash, shares of common stock valued at their fair market value on the date of exercise, a combination thereof, or by such other method as the Committee may determine.

Stock Appreciation Rights. Stock appreciation rights offer participants the right to receive payment for the difference (spread) between the exercise price of the stock appreciation right and the market value of TSYS' common stock at the time of redemption. The Committee may authorize payment of the spread for a stock appreciation right in the form of cash, common stock to be valued at its fair market value on the date of exercise, a combination thereof, or by such other method as the Committee may determine.

Restricted Stock and Restricted Stock Units. The Committee may award common stock to a participant as a portion of the participant's remuneration. In doing so, the Committee, in its discretion, may impose conditions or restrictions on the award of common stock. The Committee may also award restricted stock units which are similar to restricted stock except that no shares are actually awarded on the date of grant.

Performance Units or Performance Shares. Section 162(m) generally limits to \$1,000,000 the amount that a publicly held corporation may deduct for the compensation paid to its Chief Executive Officer and its four most highly compensated officers other than the Chief Executive Officer. Qualified performance-based compensation, however, is not subject to the \$1,000,000 deduction limit. Accordingly, the 2007 Plan permits the Committee to establish performance goals consistent with Section 162(m) and authorizes the granting of cash, stock options, stock appreciation rights, common stock, other property, or any combination thereof to employees upon achievement of such established performance goals. In setting the performance goals, the Committee may use such measures as net earnings or net income (before or after taxes); earnings per share; net sales or revenue growth; net operating profit; return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue); cash

flow (including, but not limited to, operating cash flow, free cash flow, cash generation, cash flow return on equity, and cash flow return on investment); earnings before or after taxes, interest, depreciation, and/or amortization; gross or operating margins; productivity ratios; share price (including, but not limited to, growth measures and total shareholder return); expense targets; margins; operating efficiency; market share; customer satisfaction; unit volume; working capital targets and change in working capital; economic value added (net operating profit after tax minus the sum of capital multiplied by the cost of capital); asset growth; non-interest expense as a percentage of total expense; loan charge-offs as a percentage of total loans; number of cardholder, merchant or other customer accounts processed or converted; and successful negotiation or renewal of contracts with new or existing customers. The performance goals may relate to the individual participant, to TSYS as a whole, or to a subsidiary, division, department, region, function or business unit of TSYS in which the participant is employed. Performance awards may be granted either alone or in addition to other grants made under the 2007 Plan.

Cash-Based Awards. The Committee may grant cash-based awards to participants as determined by the Committee. Payment of the cash-based awards may be made in either cash or common stock.

Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related awards. These awards may be paid in either common stock or cash.

Maximum Amount Payable to Any Participant. The annual award limits of the 2007 Plan include the following:

Options. The maximum aggregate number of shares subject to options granted in any one plan year to any one participant is 4,000,000 shares.

Stock Appreciation Rights. The maximum number of shares subject to stock appreciation rights granted in any one plan year to any one participant is 4,000,000 shares.

Restricted Stock or Restricted Stock Units. The maximum aggregate grant with respect to awards of restricted stock or restricted stock units in any one plan year to any one participant is 2,000,000 shares.

Performance Units or Performance Shares. The maximum aggregate award of performance units or performance shares that a participant may receive in any one plan year is 2,000,000 shares if the award is payable in shares, or equal to the value of 100,000 shares if the award is payable in cash or property other than shares, determined as of the earlier of the vesting or the payout date, as applicable.

Cash-Based Awards. The maximum aggregate amount awarded or credited with respect to cash-based awards to any one participant in any one plan year may not exceed \$2,000,000.

Other Stock-Based Awards. The maximum aggregate grant with respect to other stock-based awards in any one plan year to any one participant is 2,000,000 shares.

Adjustments in Connection with Certain Events. The Committee, in order to prevent dilution or enlargement of a participant's rights under the 2007 Plan, shall substitute or adjust the number and kind of shares that may be issued under the 2007 Plan or under particular forms of awards, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual award limits, and other value determinations applicable to outstanding awards in the event of any corporate event or transaction such as a merger, consolidation, reorganization, recapitalization, separation, partial or complete liquidation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of TSYS, combination of shares, exchange of shares, dividend in-kind, or other like change in capital structure, number of outstanding shares or distribution (other than normal cash dividends) to shareholders of TSYS, or any similar corporate event or transaction.

Duration of the 2007 Plan. The 2007 Plan will become effective upon approval by TSYS shareholders. The 2007 Plan will terminate after 10 years or, if sooner, when all shares reserved under the 2007 Plan have been issued. At any time, the Board of Directors may terminate the 2007 Plan. The termination of the 2007 Plan will not affect outstanding awards in any way.

Table of Contents

Administration. The 2007 Plan will be administered by the Compensation Committee of the Board of Directors. Members of the Committee are appointed by the Board of Directors from among its members and may be removed by the Board of Directors in its discretion.

The Committee has broad discretion to construe, interpret and administer the 2007 Plan, to select the individuals to be granted Plan awards, to determine the number of shares to be subject to each Plan award, and to determine the terms, conditions and duration of each award. The Committee's decisions will be conclusive, final and binding upon all parties. No member of the Committee will be liable for any action or determination made with respect to the 2007 Plan or any award granted under the 2007 Plan. To the fullest extent permitted by law, TSYS will indemnify the members of the Committee against reasonable expenses incurred in connection with any action taken against them with respect to the 2007 Plan or any award granted under the Plan.

Amendment of the 2007 Plan. The Committee may amend, modify, suspend or terminate the 2007 Plan at any time except that no amendment, modification, suspension or termination may adversely affect an existing award under the 2007 Plan without the affected participant's consent. In addition, no amendment, modification, suspension or termination shall be made which would reprice, replace or regrant through cancellation, or which would lower the option price of a previously granted option or the grant price of a previously granted stock appreciation right without the approval of shareholders. Moreover, under NYSE listing standards the 2007 Plan cannot be materially amended without the approval of shareholders.

Change in Control. Unless otherwise determined by the Committee at grant, in the event of a change in control of TSYS, as defined in the 2007 Plan, the vesting of any outstanding awards granted under the 2007 Plan will be accelerated and all such awards will be fully exercisable.

Federal Tax Consequences of the 2007 Plan. The following discussion of the federal income tax consequences of awards granted under the 2007 Plan is intended only as a summary of the present federal income tax treatment of awards. These laws are highly technical and are subject to change at any time. This summary does not discuss the tax consequences of a participant's death, or the provisions of the income tax laws of any municipality, state or foreign country in which a participant may reside.

Nonqualified Stock Options. Nonqualified stock options granted under the 2007 Plan will not be taxable to a participant at grant but generally will result in taxation at exercise, at which time the participant will recognize ordinary income in an amount equal to the difference between the option's exercise price and the fair market value of the shares on the exercise date. TSYS will be entitled to deduct a corresponding amount as a business expense in the year the participant recognizes this income.

Incentive Stock Options. An employee will generally not recognize ordinary income on receipt or exercise of an incentive stock option so long as he or she has been an employee of TSYS or its subsidiaries from the date the incentive stock option was granted until three months before the date of exercise; however, the amount by which the fair market value of the shares on the exercise date exceeds the exercise price is an adjustment in computing the employee's alternative minimum tax in the year of exercise. If the employee holds the shares of common stock received on exercise of the incentive stock option for one year after the date of exercise (and for two years from the date of grant of the incentive stock option), any difference between the amount realized upon the disposition of the shares and the amount paid for the shares will be treated as long-term capital gain (or loss, if applicable) to the employee. If the employee exercises an incentive stock option and satisfies these holding period requirements, TSYS may not deduct any amount in connection with the incentive stock option. If an employee exercises an incentive stock option but engages in a disqualifying disposition by selling the shares acquired on exercise before the expiration of the one and two-year holding periods described above, the employee generally will recognize ordinary income (for

regular income tax purposes only) in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price; and any excess of the amount realized on the disposition over the fair market value on the date of exercise will be taxed as long- or short-term capital gain (as applicable). If, however, the fair market value of the shares on the date of disqualifying disposition is less than on the date of exercise, the employee will recognize ordinary income equal only to the difference between the amount realized on the disqualifying disposition and the exercise price. In either event, TSYS

Table of Contents

will be entitled to deduct an amount equal to the amount constituting ordinary income to the employee in the year of the disqualifying disposition.

Stock Appreciation Rights. To the extent that the requirements of the Internal Revenue Code of 1986 are met, there are no immediate tax consequences to a participant when a stock appreciation right is granted. When a participant exercises the right to the appreciation in fair market value of shares represented by a stock appreciation right, payments made in common stock are normally includable in the participant's gross income for regular income tax purposes. TSYS will be entitled to deduct the same amount as a business expense in the same year. The includable amount and corresponding deduction each equal the fair market value of the common stock payable on the date of exercise.

Restricted Stock. The recognition of income from an award of restricted stock for federal income tax purposes depends on the restrictions imposed on the shares. Generally, taxation will be deferred until the first taxable year the shares are no longer subject to substantial risk of forfeiture. At the time the restrictions lapse, the participant will recognize ordinary income equal to the then fair market value of the stock. The participant may, however, make an election to include the value of the shares in gross income in the year of award despite such restrictions. Generally, TSYS will be entitled to deduct the fair market value of the shares transferred to the participant as a business expense in the year the participant includes the compensation in income.

Restricted Stock Units. Generally, a participant will not recognize ordinary income until common stock, cash, or other property become payable under the restricted stock unit, even if the award vests in an earlier year. TSYS will generally be entitled to deduct the amount the participant includes in income as a business expense in the year of payment.

Performance Units/ Performance Shares. As stated above, the performance units and performance shares awarded under the 2007 Plan are intended to be qualified performance-based compensation under Section 162(m) and, therefore, deductible by TSYS when the employee recognizes ordinary income. Employees under the 2007 Plan incur no income tax liability upon the initial grant of performance units or performance shares. At the end of the performance or measurement period, however, employees realize ordinary income on any amounts received in cash or common stock. Any subsequent appreciation on the common stock is treated as a capital gain.

Cash-Based Awards/Other Stock-Based Awards. Any cash payments or the fair market value of any common stock or other property a participant receives in connection with cash-based awards or other stock-based awards are includable in income in the year received or made available to the participant without substantial limitations or restrictions. Generally, TSYS will be entitled to deduct the amount the participant includes in income as a business expense in the year of payment.

Deferred Compensation. All awards under the 2007 Plan must satisfy the requirements of Section 409A of the Internal Revenue Code of 1986 to avoid adverse tax consequences to participants.

Additional Information. In the event the 2007 Plan is terminated, participants under the 2007 Plan will retain all rights to their awards in accordance with the terms of the awards.

In the event of a termination of service by a participant, the Committee will determine the length of time that the participant has to exercise a stock option or stock appreciation right and the extent to which the participant can retain the rights to restricted stock, restricted stock units, performance units, performance shares, cash-based awards, and other stock-based awards.

The Committee may provide for the payment of dividends on shares of common stock granted in connection with awards or dividend equivalents with respect to any shares of common stock subject to an award that have not actually been issued under the award.

In doing so, the Committee, in its discretion, may impose conditions or restrictions on the award of common stock. The Committee may also award restricted stock units which are similar to restricted stock

except that no shares are actually awarded on the date of grant.

Performance Units or Performance Shares. Section 162(m) generally limits to \$1,000,000 the amount that a publicly held corporation may deduct for the compensation paid to its Chief Executive Officer and its four most highly compensated officers other than the Chief Executive Officer. Qualified performance-based compensation, however, is not subject to the \$1,000,000 deduction limit. Accordingly, the Synovus 2007 Plan permits the Committee to establish performance goals consistent with Section 162(m) and authorizes the granting of cash, stock options, stock appreciation rights, common stock, other property, or any combination thereof to employees upon achievement of such established

performance goals. In setting the performance goals, the Committee may use such measures as net earnings or net income (before or after taxes); earnings per share; net sales or revenue growth; net operating profit; return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue); cash flow (including, but not limited to, operating cash flow, free cash flow, cash generation, cash flow return on equity, and cash flow return on investment); earnings before or after taxes, interest, depreciation, and/or amortization; gross or operating margins; productivity ratios; share price (including, but not limited to, growth measures and total shareholder return); expense targets; margins; operating efficiency; market share; customer satisfaction; unit volume; working capital targets and change in working capital; economic value added (net operating profit after tax minus the sum of capital multiplied by the cost of capital); asset growth; non-interest expense as a percentage of total expense; loan charge-offs as a percentage of total loans; number of cardholder, merchant or other customer accounts processed or converted; and successful negotiation or renewal of contracts with new or existing customers. The performance goals may relate to the individual participant, to Synovus as a whole, or to a subsidiary, division, department, region, function or business unit of Synovus in which the participant is employed. Performance awards may be granted either alone or in addition to other grants made under the Synovus 2007 Plan.

Cash-Based Awards. The Committee may grant cash-based awards to participants as determined by the Committee. Payment of the cash-based awards may be made in either cash or common stock.

Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related awards. These awards may be paid in either common stock or cash.

Maximum Amount Payable to Any Participant. The annual award limits of the Synovus 2007 Plan include the following:

Options. The maximum aggregate number of shares subject to options granted in any one plan year to any one participant is 4,000,000 shares.

Stock Appreciation Rights. The maximum number of shares subject to stock appreciation rights granted in any one plan year to any one participant is 4,000,000 shares.

Restricted Stock or Restricted Stock Units. The maximum aggregate grant with respect to awards of restricted stock or restricted stock units in any one plan year to any one participant is 2,000,000 shares.

Performance Units or Performance Shares. The maximum aggregate award of performance units or performance shares that a participant may receive in any one plan year is 2,000,000 shares if the award is payable in shares, or equal to the value of 100,000 shares if the award is payable in cash or property other than shares, determined as of the earlier of the vesting or the payout date, as applicable.

Cash-Based Awards. The maximum aggregate amount awarded or credited with respect to cash-based awards to any one participant in any one plan year may not exceed \$2,000,000.

Other Stock-Based Awards. The maximum aggregate grant with respect to other stock-based awards in any one plan year to any one participant is 2,000,000 shares.

Adjustments in Connection with Certain Events. The Committee, in order to prevent dilution or enlargement of a participant's rights under the Synovus 2007 Plan, shall substitute or adjust the number and kind of shares that may be issued under the Synovus 2007 Plan or under particular forms of awards, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual award limits, and other value determinations applicable to outstanding awards in the event of any corporate event or transaction such as

a merger, consolidation, reorganization, recapitalization, separation, partial or complete liquidation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of Synovus, combination of shares, exchange of shares, dividend in-kind, or other like change in capital structure, number of outstanding shares or distribution (other than normal cash dividends) to shareholders of Synovus, or any similar corporate event or transaction.

Duration of the Synovus 2007 Plan. The Synovus 2007 Plan will become effective upon approval by Synovus and TSYS shareholders. The Synovus 2007 Plan will terminate after 10 years or, if sooner,

Table of Contents

when all shares reserved under the Synovus 2007 Plan have been issued. At any time, the Synovus Board of Directors may terminate the Synovus 2007 Plan. The termination of the Synovus 2007 Plan will not affect outstanding awards in any way.

Administration. The Synovus 2007 Plan will be administered by the Compensation Committee of the Synovus Board of Directors. Members of the Committee are appointed by the Synovus Board of Directors from among its members and may be removed by the Board of Directors in its discretion.

The Committee has broad discretion to construe, interpret and administer the Synovus 2007 Plan, to select the individuals to be granted Plan awards, to determine the number of shares to be subject to each Plan award, and to determine the terms, conditions and duration of each award. The Committee's decisions will be conclusive, final and binding upon all parties. No member of the Committee will be liable for any action or determination made with respect to the Synovus 2007 Plan or any award granted under the Synovus 2007 Plan. To the fullest extent permitted by law, Synovus will indemnify the members of the Committee against reasonable expenses incurred in connection with any action taken against them with respect to the Synovus 2007 Plan or any award granted under the Plan.

Amendment of the Synovus 2007 Plan. The Committee may amend, modify, suspend or terminate the Synovus 2007 Plan at any time except that no amendment, modification, suspension or termination may adversely affect an existing award under the Synovus 2007 Plan without the affected participant's consent. In addition, no amendment, modification, suspension or termination shall be made which would reprice, replace or regrant through cancellation, or which would lower the option price of a previously granted option or the grant price of a previously granted stock appreciation right without the approval of shareholders. Moreover, under NYSE listing standards the Synovus 2007 Plan cannot be materially amended without the approval of shareholders.

Change in Control. Unless otherwise determined by the Committee at grant, in the event of a change in control of Synovus, as defined in the Synovus 2007 Plan, the vesting of any outstanding awards granted under the Synovus 2007 Plan will be accelerated and all such awards will be fully exercisable.

Federal Tax Consequences of the Synovus 2007 Plan. The following discussion of the federal income tax consequences of awards granted under the Synovus 2007 Plan is intended only as a summary of the present federal income tax treatment of awards. These laws are highly technical and are subject to change at any time. This summary does not discuss the tax consequences of a participant's death, or the provisions of the income tax laws of any municipality, state or foreign country in which a participant may reside.

Nonqualified Stock Options. Nonqualified stock options granted under the Synovus 2007 Plan will not be taxable to a participant at grant but generally will result in taxation at exercise, at which time the participant will recognize ordinary income in an amount equal to the difference between the option's exercise price and the fair market value of the shares on the exercise date. Synovus will be entitled to deduct a corresponding amount as a business expense in the year the participant recognizes this income.

Incentive Stock Options. An employee will generally not recognize ordinary income on receipt or exercise of an incentive stock option so long as he or she has been an employee of Synovus or its subsidiaries from the date the incentive stock option was granted until three months before the date of exercise; however, the amount by which the fair market value of the shares on the exercise date exceeds the exercise price is an adjustment in computing the employee's alternative minimum tax in the year of exercise. If the employee holds the shares of common stock received on exercise of the incentive stock option for one year after the date of exercise (and for two years from the date of grant of the incentive stock option), any difference between the amount realized upon the disposition of the shares and the amount paid for the shares will be treated as long-term capital gain (or loss, if applicable) to the employee. If the employee exercises an incentive stock option and satisfies these holding period requirements,

Synovus may not deduct any amount in connection with the incentive stock option. If an employee exercises an incentive stock option but engages in a disqualifying disposition by selling the shares acquired on exercise before the expiration of the one and two-year holding periods described above, the employee generally will recognize ordinary income (for regular income tax purposes only) in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price; and any excess of the amount realized on the disposition over the fair market value on the date of exercise will be taxed as long- or short-term capital gain (as

Table of Contents

applicable). If, however, the fair market value of the shares on the date of disqualifying disposition is less than on the date of exercise, the employee will recognize ordinary income equal only to the difference between the amount realized on the disqualifying disposition and the exercise price. In either event, Synovus will be entitled to deduct an amount equal to the amount constituting ordinary income to the employee in the year of the disqualifying disposition.

Stock Appreciation Rights. To the extent that the requirements of the Internal Revenue Code of 1986 are met, there are no immediate tax consequences to a participant when a stock appreciation right is granted. When a participant exercises the right to the appreciation in fair market value of shares represented by a stock appreciation right, payments made in common stock are normally includable in the participant's gross income for regular income tax purposes. Synovus will be entitled to deduct the same amount as a business expense in the same year. The includable amount and corresponding deduction each equal the fair market value of the common stock payable on the date of exercise.

Restricted Stock. The recognition of income from an award of restricted stock for federal income tax purposes depends on the restrictions imposed on the shares. Generally, taxation will be deferred until the first taxable year the shares are no longer subject to substantial risk of forfeiture. At the time the restrictions lapse, the participant will recognize ordinary income equal to the then fair market value of the stock. The participant may, however, make an election to include the value of the shares in gross income in the year of award despite such restrictions. Generally, Synovus will be entitled to deduct the fair market value of the shares transferred to the participant as a business expense in the year the participant includes the compensation in income.

Restricted Stock Units. Generally, a participant will not recognize ordinary income until common stock, cash, or other property become payable under the restricted stock unit, even if the award vests in an earlier year. Synovus will generally be entitled to deduct the amount the participant includes in income as a business expense in the year of payment.

Performance Units/Performance Shares. As stated above, the performance units and performance shares awarded under the Synovus 2007 Plan are intended to be qualified performance-based compensation under Section 162(m) and, therefore, deductible by Synovus when the employee recognizes ordinary income. Employees under the Synovus 2007 Plan incur no income tax liability upon the initial grant of performance units or performance shares. At the end of the performance or measurement period, however, employees realize ordinary income on any amounts received in cash or common stock. Any subsequent appreciation on the common stock is treated as a capital gain.

Cash-Based Awards/Other Stock-Based Awards. Any cash payments or the fair market value of any common stock or other property a participant receives in connection with cash-based awards or other stock-based awards are includable in income in the year received or made available to the participant without substantial limitations or restrictions. Generally, Synovus will be entitled to deduct the amount the participant includes in income as a business expense in the year of payment.

Deferred Compensation. All awards under the Synovus 2007 Plan must satisfy the requirements of Section 409A of the Internal Revenue Code of 1986 to avoid adverse tax consequences to participants.

Additional Information. In the event the Synovus 2007 Plan is terminated, recipients of awards under the Synovus 2007 Plan will retain all rights to their awards in accordance with the terms of the awards.

In the event of a termination of service by a participant, the Committee will determine the length of time that the participant has to exercise a stock option or stock appreciation right and the extent to which the participant can retain the rights to restricted stock, restricted stock units, performance units, performance shares, cash-based awards, and other stock-based awards.

The Committee may provide for the payment of dividends on shares of common stock granted in connection with awards or dividend equivalents with respect to any shares of common stock subject to an award that have not actually been issued under the award.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is comprised of four directors, each of whom the Board has determined to be an independent director as defined by the listing standards of the New York Stock Exchange. The duties of the Audit Committee are summarized in this Proxy Statement under "Committees of the Board" on page 3 and are more fully described in the Audit Committee charter adopted by the Board of Directors.

One of the Audit Committee's primary responsibilities is to assist the Board in its oversight responsibility regarding the integrity of TSYS' financial statements and systems of internal controls. Management is responsible for TSYS' accounting and financial reporting processes, the establishment and effectiveness of internal controls and the preparation and integrity of TSYS' consolidated financial statements. KPMG LLP, TSYS' independent auditor, is responsible for performing an independent audit of TSYS' consolidated financial statements and management's assessment of the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing opinions on whether those financial statements are presented fairly in conformity with accounting principles generally accepted in the United States, on management's assessment of the effectiveness of internal control over financial reporting and on the effectiveness of TSYS' internal control over financial reporting. The Audit Committee is directly responsible for the compensation, appointment and oversight of KPMG LLP. The function of the Audit Committee is not to duplicate the activities of management or the independent auditor, but to monitor and oversee TSYS' financial reporting process.

In discharging its responsibilities regarding the financial reporting process, the Audit Committee:

Reviewed and discussed with management and KPMG LLP TSYS' audited financial statements as of and for the year ended December 31, 2006;

Discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees); and

Received from KPMG LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with KPMG LLP their independence.

Based upon the review and discussions referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in TSYS' Annual Report on Form 10-K for the year ended December 31, 2006 filed with the Securities and Exchange Commission.

- (3) Tax fees consisted of fees for tax compliance/preparation (\$13,000 in 2006) and tax consultation (\$387,000 in 2006) services.

Policy on Audit Committee Pre-Approval

The Audit Committee has the responsibility for appointing, setting the compensation for and overseeing the work of TSYS independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor in order to assure that the provision of these services does not impair the independent auditor's independence. TSYS Audit Committee Pre-Approval Policy addresses services included within the four categories of audit and permissible non-audit services, which include Audit Services, Audit Related Services, Tax Services and All Other Services.

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. In addition, the Audit Committee must specifically approve permissible non-audit services classified as All Other Services.

Prior to engagement, management submits to the Committee for approval a detailed list of the Audit Services, Audit Related Services and Tax Services that it recommends the Committee engage the independent auditor to provide for the fiscal year. Each specified service is allocated to the appropriate category and accompanied by a budget estimating the cost of that service. The Committee will, if appropriate, approve both the list of Audit Services, Audit Related Services and Tax Services and the budget for such services.

The Committee is informed at each Committee meeting as to the services actually provided by the independent auditor pursuant to the Pre-Approval Policy. Any proposed service that is not separately listed in the Pre-Approval Policy or any service exceeding the pre-approved fee levels must be specifically pre-approved by the Committee. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee. The Chairman must report any pre-approval decisions made by him to the Committee at its next scheduled meeting.

EXECUTIVE COMPENSATION
COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The following Compensation Discussion and Analysis (CD&A) describes our compensation program for the executive officers named in the Summary Compensation Table on page 36 (named executive officers). Specifically, the CD&A addresses:

the objectives of our compensation program (found in the section entitled Compensation Philosophy and Overview);

what our compensation program is designed to reward (also described in the section entitled Compensation Philosophy and Overview);

each element of compensation (set forth in the section entitled Primary Elements of Compensation);

why each element was chosen (described with each element of compensation including base pay, short-term incentives and long-term incentives);

how amounts and formulas for pay are determined (also described with each element of compensation including base pay, short-term incentives and long-term incentives); and

how each compensation element and our decisions regarding that element fit into TSYS overall compensation objectives and affect decisions regarding other elements (also described with each element of compensation, as well as in the section entitled Benchmarking).

For information about the Compensation Committee and its charter, its processes and procedures for administering executive compensation, the role of compensation consultants and other governance information, please see Committees of the Board on page 3.

Compensation Philosophy and Overview

TSYS has established a compensation program for our executives that is competitive, performance-oriented and designed to support our strategic goals. The goals and objectives of our compensation program are described below.

TSYS executive compensation program is designed to compete in the markets in which we seek executive talent. We believe that we must maintain a compensation program that allows us to recruit top level executive talent and that will prevent our executives from being recruited from us. Our compensation program is also designed to be performance-oriented. A guiding principle in developing our compensation program has been average pay for average performance above-average pay for above-average performance. As a result, a significant portion of the total compensation of each executive is at risk based on short and long-term performance. Because of our emphasis on performance, we also believe that compensation generally should be earned by executives while they are actively employed and can contribute to TSYS performance.

TSYS compensation program is also designed to support corporate strategic goals, including growth in earnings and growth in shareholder value. As described in more detail below, earnings growth is the primary driver of our short-term incentive program and growth in shareholder value is the primary driver of our long-term incentive program. TSYS believes that the high degree of performance orientation and the use of goals based upon growth in earnings and growth in shareholder value in our incentive plans aligns the interests of our executives with the interests of our shareholders. In addition, TSYS has adopted stock ownership guidelines in connection with our equity compensation programs, which further align our executives' interests with the interests of our shareholders.

Primary Elements of Compensation

There are three primary elements of compensation in TSYS' executive compensation program: base pay, short-term incentive compensation and long-term incentive compensation. Short-term and long-term incentive compensation are tied directly to performance. Short-term incentive compensation is based upon

Table of Contents

fundamental operating performance of TSYS measured over a one-year period. For the reasons described below, long-term incentive compensation is based upon Synovus' total shareholder return measured over a three-year period. TSYS has not established a specific targeted mix of compensation between base pay and short-term and long-term incentives. However, both short-term and long-term incentives are based upon percentages or multiples of base pay. If both short-term and long-term incentives are paid at target, long-term incentives is the largest portion of an executive's total compensation package. For example, if short-term and long-term incentives are paid at target, long-term incentives would constitute almost fifty percent of an executive's total compensation package, thereby illustrating our emphasis on performance and growth in shareholder value.

Base Pay. Base pay is seen as the amount paid to an executive for performing his or her job on a daily basis. To ensure that base salaries are competitive, TSYS targets base pay at the median (e.g., the 50th percentile) of the market for similarly situated positions, based upon each executive's position and job responsibilities. In order to benchmark base pay, TSYS selects a peer group of companies (the Peer Companies). The Peer Companies are selected by considering companies that compete in TSYS' market for business and for talent, companies with similar business operations and focus and companies with similar organization size (revenues approximately one-half to two times those of TSYS). In selecting the Peer Companies, potential companies were reviewed with the same Global Industry Classification Standards codes as TSYS and previously identified peer companies, service companies in the Dow Jones Industrial Goods and Services Index and companies in the Standard and Poors Software and Services Index. For 2006, the Peer Companies were: Axiom Corp., Affiliated Computer Services, Inc., Alliance Data Systems Corp., BISYS Group, Inc., Ceridian Corp., Checkfree Corp., ChoicePoint Inc., Convergys Corp., eFunds Corp., Equifax Inc., Fair Isaac Corp., Fidelity National Information Services, Inc., Fiserv, Inc., Global Payments Inc., NCO Group, Inc., Paychex, Inc., Sabre Holdings Corp. and Teletech Holdings, Inc.

When establishing base salaries, the Committee compares each executive's current base pay to the market median for that position using proxy information from the Peer Companies as well as external market surveys. For certain positions for which there is no clear market match in the benchmarking data, TSYS uses a blend of two or more positions from the benchmarking data. The Committee also reviews changes in the benchmarking data from the previous year. The Committee then uses this data to establish a competitive base salary for each executive. For example, an executive whose base salary is below the benchmarking target for his or her position may receive a larger percentage increase than an executive whose base salary exceeds the benchmarking target for his or her position.

In addition to market comparisons of similar positions at the Peer Companies, individual performance may affect base pay. For example, an executive whose performance is not meeting expectations may receive no increase in base pay or a smaller base pay increase in a given year. On the other hand, an executive with outstanding performance may receive a larger base pay increase or more frequent base pay increases.

Base pay is not directly related to TSYS' performance, except over the long term since revenues are used in benchmarking base pay against the Peer Companies. Comparison of an executive's base salary to the base salaries of other TSYS executives may also be a factor in establishing base salaries, especially with respect to positions for which there is no clear market match in the base pay benchmarking data. For 2006, all of the base pay increases for the named executive officers were calculated taking into account the market data described above as well as existing base salaries, the 2006 merit budget, internal pay equity, individual performance, experience, time in position and retention needs.

Because of the process we use to establish base pay, large increases in base pay generally occur only when an executive is promoted into a new position.

Short-Term Incentives. In addition to base salary, our executive compensation program includes short-term incentive compensation. We have elected to pay short-term incentive compensation in order to (1) provide an

incentive for executives to meet our short-term earnings growth goals, and (2) ensure a competitive compensation program given the marketplace prevalence of short-term incentive compensation.

Our short-term incentive program is tied directly to our fundamental operating performance measured over a one-year period. Each year, the Committee establishes a target for earnings per share (EPS) growth. The target is generally set based upon EPS growth guidance that has been publicly disclosed by TSYS. A target goal of 100% equates to a market award, which is a typical short-term incentive award for similar positions at the Peer Companies, expressed as a percentage of base salary. Actual short-term incentive targets

Table of Contents

for 2006 were set taking into account median market data at the Peer Companies, as well as existing incentive targets, internal pay equity, individual performance and retention needs. The target short-term incentive percentage for Messrs. Tomlinson and Woods is 100% of base salary and the target short-term incentive percentage for TSYS other named executive officers is 85% of base salary.

The amount of a short-term incentive award can range from zero to 200% of a target grant in accordance with a schedule approved by the Committee each year. For 2006, the Committee approved the following schedule:

EPS Percentage Growth	Percent of Target Bonus Paid
34% and above	200 %
33%	192.5 %
32%	180 %
31%	167.5 %
30%	155 %
29%	142.5 %
28%	130.0 %
27%	117.5 %
26%	105 %

25%	95 %
24%	90 %
23%	80 %
22%	60 %
21%	50 %
Below 21%	0 %

Although the target EPS growth goal set by the Committee is generally based upon the initial EPS guidance which has been publicly disclosed by TSYS calculated in accordance with accounting principles generally accepted in the United States (GAAP), from time to time the target percentages are based on non-GAAP EPS growth percentages for purposes of determining short-term incentive compensation because of unusual events that could occur during the year. These events include changes in accounting and regulatory standards, changes in tax rates and laws, charges for corporate or workforce restructurings, acquisitions and divestitures and expenses or income associated with the conversion or deconversion of a major TSYS customer. In 2006, the target EPS growth goal under the short-term incentive payout schedule was made more difficult by the amount of the net financial impact of the deconversion of Bank of America s consumer credit card portfolio from TSYS.

As is common practice in the market, short-term incentives are paid in a lump-sum cash payment as soon as practicable in the year following the performance year, usually no later than February 15. Under the short-term incentive plan, the Committee has the right to exercise downward discretion and reduce the amount that would otherwise be awarded under the above schedule. For example, the short-term incentive awards can be reduced to reflect individual or business unit performance, to exclude unanticipated, non-recurring gains, or for affordability (reduced in order to fund another expense, such as other incentive compensation or retirement plans).

The short-term incentive awards for 2006 are set forth in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. The 2006 short-term incentive awards were paid at 130% of target based upon the bonus payout schedule approved by the Committee (TSYS had a 28% increase in EPS for 2006).

Long-Term Incentives. Our executive compensation program also includes long-term incentive compensation, which is paid in equity of TSYS and Synovus. It is important to understand the relationship

Table of Contents

of TSYS and Synovus in order to appreciate our rationale and process for determining long-term incentive awards, which relationship is described in the following paragraph.

Synovus owns 81.1% of the outstanding shares of TSYS stock. Although TSYS stock is publicly traded on the NYSE, only the 19% of TSYS stock that is not owned by Synovus is available for trading. Consequently, there is limited float in TSYS stock, which negatively impacts its liquidity. For this reason, we have concluded that TSYS shareholder return is not the most appropriate measure of growth under TSYS long-term incentive compensation program. The shareholder return of Synovus is directly affected by TSYS shareholder return because of Synovus' 81.1% ownership of TSYS. By recommending that TSYS executives be granted Synovus stock, and by linking the grant of equity awards to how well Synovus has performed, we have ensured that the interests of TSYS executives are directly linked to the interests of Synovus shareholders. We believe this connection to Synovus shareholders is important because of the substantial impact that TSYS performance has on the market capitalization of Synovus. As a result, Synovus total shareholder return is used as the basis for TSYS long-term incentive compensation program and this has proven to be an effective approach.

We have elected to pay long-term incentive compensation in order to: (1) provide an incentive for our executives to provide exceptional shareholder return to shareholders by tying a significant portion of their compensation opportunity to growth in shareholder value, (2) align the interests of executives with shareholders by awarding executives equity in TSYS and Synovus, and (3) ensure a competitive compensation program given the market prevalence of long-term incentive compensation.

TSYS long-term incentive plan awards equity to executives based upon performance, as measured by total shareholder return (TSR) of Synovus, over a three-year period. We use a three-year period to measure performance for purposes of our long-term incentive awards in order to reduce the impact of unusual events that may occur in a given year.

Under TSYS long-term incentive program, TSR is measured in two ways: (1) absolute TSR of Synovus, and (2) TSR compared to the competitors of Synovus. TSR for each measurement period is calculated by dividing Synovus stock price appreciation and dividends paid by the beginning stock price. We use both measures of shareholder return because we believe shareholders are interested both in how Synovus shareholder return compares to the competitors of Synovus, as well as their actual return on their investment. The competitors of Synovus, for purposes of long-term incentives, are the banks in the Keefe, Bruyette and Woods 50 Index (KBW 50). The KBW 50, which is a published banking index, was selected for awarding long-term incentives to ensure that the companies are chosen by an independent third party and to provide consistency from year to year in the assessment of long-term performance for incentive purposes.

The amount of long-term incentives awarded to executives each year is based upon a performance grid approved by the Committee. The performance grid has been in place substantially in its current form for over a decade. This grid is reproduced below showing the absolute TSR of Synovus over the three preceding calendar years as the horizontal measurement and the percentile performance of Synovus against the KBW 50 over the three preceding calendar years as the vertical measurement.

* Long-term incentives are awarded at 50% of target and solely in Synovus stock options as described below.

Table of Contents

The award percentages in the performance grid are multiplied by the amount of a target long-term incentive award, which is expressed as a percentage of base salary at the time the award is made. Actual long-term incentive targets are established taking into account market median data at the Peer Companies, as well as existing incentive targets, internal pay equity, individual performance and retention needs. The target long-term incentive percentage for Messrs. Tomlinson and Woods is 200% of base salary and the target long-term incentive percentage for TSYS other named executive officers is 150% of base salary.

TSYS believes that there are advantages and disadvantages to every form of equity award. As a result, awards payable under the performance grid are generally paid 50% in TSYS restricted stock and 50% in Synovus stock options, but the Committee has the discretion to vary the form of the award as needed for accounting, tax or other reasons. The 50%/50% split in equity awarded is based upon the estimated overall value of the award as of the date of grant (a stock option is estimated to be equal to one-third the value of a restricted stock award). Although TSYS prefers for all awards to be made in equity of TSYS, there are not enough shares of TSYS available for such awards because of TSYS 81% ownership by Synovus. As a result, restricted stock awards are made in TSYS stock, while stock option awards are made in Synovus stock. The Compensation Committee of Synovus grants Synovus stock options to TSYS executives based upon the recommendation of the TSYS Committee.

In the event that Synovus TSR falls within the bottom left-hand corner of the payout grid (i.e., Synovus annualized TSR is less than 4% and is also less than the 30th percentile compared to the KBW 50) for a particular year, executives will be awarded 50% of a target long-term incentive award, awarded solely in Synovus stock options, issued at fair market value (i.e., closing price) on the date of the award. The Committee believes that executives should receive a stock option grant even if Synovus TSR falls within this category because the Peer Companies would make such a grant and the stock price must appreciate from that point in order for the executive to benefit from the grant.

Because the Synovus and TSYS Compensation Committees may take action to approve equity awards on or near the date that Synovus and TSYS earnings are released, respectively, the Committees have established the last business day of the month in which earnings are released as the grant date for equity awards to ensure that the annual earnings releases have had time to be absorbed by the market before equity awards are granted and stock option exercise prices are established. TSYS released its annual earnings on January 17, 2006, and the TSYS Compensation Committee granted TSYS restricted stock awards to the named executive officers on January 31, 2006. Synovus released its annual earnings on January 18, 2006. The Synovus Compensation Committee met on January 18, 2006 to approve Synovus stock option grants to the named executive officers effective January 31, 2006. As a result, the grant date for long-term incentive awards (Synovus stock options and TSYS restricted stock awards) was January 31, 2006. The closing price of Synovus stock on January 31, 2006 was used as the exercise price for stock options and to determine the FAS 123(R) accounting expense and was also used for disclosure in the compensation tables in this Proxy Statement.

In 2006, long-term incentive equity awards were granted to TSYS named executive officers pursuant to the above grid based upon the 2003-2005 performance period. For this performance period, Synovus annualized TSR was 14.73% and Synovus TSR was in the 49th percentile of the KBW 50. Under the grid, this resulted in a long-term incentive award equal to 140% of target. The equity awards made to TSYS named executive officers in 2006 are set forth in the All Other Stock Awards and All Other Option Awards columns in the Grant of Plan-Based Awards Table. The split in long-term incentive awards for all of the named executive officers was 50% Synovus stock options and 50% TSYS restricted stock awards.

In addition to the annual long-term incentive awards awarded pursuant to the performance grid described above, the Committee has granted other long-term incentive awards in certain circumstances. For example, the Committee made

TSYS restricted stock award grants to Messrs. Tomlinson and Woods in 2005 to reflect their promotion to Chairman and Chief Executive Officer and President and Chief Operating Officer, respectively, and to serve as a vehicle for retaining their services in their new roles. Although the grants to Messrs. Tomlinson and Woods were awarded primarily for retention, the Committee approved performance-based grants to link their awards to a threshold level of performance. The awards to Messrs. Tomlinson and Woods vest over a seven year period. With respect to these awards, the Committee establishes performance measures each year during the seven year period and, if the

Table of Contents

performance measure is attained for a particular year, 20% of the award vests. The performance measure established for 2006 was 75% of the EPS target established under TSYS short-term incentive plan. Because this measure was exceeded for 2006, 20% of the awards to Messrs. Tomlinson and Woods vested in 2006.

The Committee also recommended that challenge grant stock options in Synovus stock be granted to each of the named executive officers. The Synovus Compensation Committee granted such options on May 10, 2001. The challenge grants were significant in size, with Mr. Tomlinson receiving 500,000 stock options and each of the other named executive officers receiving a grant of 400,000 stock options. The challenge grants were designed to provide these executives with an incentive for exceptional growth in shareholder return, as well as to retain the services of the executives who received the grants for a significant period of time. The challenge grants vest in equal installments if the fair market value of Synovus stock exceeds \$40, \$45 and \$50 per share. The challenge grants also vest on May 10, 2008 if the stock price targets are not attained prior to such date, provided the executives remain in the continuous employment of TSYS through such date.

Benchmarking

As described above, TSYS benchmarks base salaries and market short-term and long-term incentive target awards with the Peer Companies. TSYS also benchmarks total compensation (base salary, short-term incentives and long-term incentives) of its executives. TSYS uses the Peer Companies for benchmarking total compensation, as well as external market surveys. TSYS uses a three-year look back of the total compensation benchmark data to reduce the impact of short-term fluctuations in the data which may occur from year to year. When reviewing the total compensation benchmarking data, TSYS focuses on total compensation opportunities, not necessarily the amount of compensation actually paid, which varies depending upon TSYS performance results due to the program's performance orientation. For example, over the past five years, TSYS long-term incentive awards have been below target for three of the five years, at target for one year and above-target for one year. Although these awards result in total compensation amounts for TSYS executives that could be considered below market, the Committee believes the amount of compensation paid to its executives is appropriate given Synovus shareholder return during this five-year period.

Perquisites

Perquisites are a very small part of our executive compensation program. Perquisites are not tied to performance of TSYS. Perquisites are offered to align our compensation program with competitive practices because similar positions at the Peer Companies offer similar perquisites. The perquisites offered by TSYS are set forth in footnotes (5) and (6) of the Summary Compensation Table. Considered both individually and in the aggregate, we believe that the perquisites we offer to our named executive officers are reasonable and appropriate.

Employment Agreements

TSYS does not generally use employment agreements with respect to its executives, except in unusual circumstances such as acquisitions. None of the named executive officers have employment agreements.

Retirement Plans

Our compensation program also includes retirement plans designed to provide income following an executive's retirement. We have chosen to use defined contribution retirement plans because we believe that defined benefit plans are difficult to understand, difficult to communicate, and contributions to defined benefit plans often depend upon factors that are beyond TSYS control, such as the earnings performance of the assets in such plans compared to actuarial assumptions inherent in such plans. TSYS offers three qualified defined contribution retirement plans to its

employees: a money purchase pension plan, a profit sharing plan and a 401(k) savings plan.

The money purchase pension plan has a fixed 7% of compensation employer contribution every year. The profit sharing plan and any employer contribution to the 401(k) savings plan are tied directly to TSYS performance. There are opportunities under both the profit sharing plan and the 401(k) savings

Table of Contents

plan for employer contributions of up to 7% of compensation based upon the achievement of EPS growth goals. For 2006, TSYS named executive officers received a contribution of 7% of compensation under the profit sharing plan and 3% of compensation under the 401(k) savings plan based upon TSYS performance. The retirement plan contributions for 2006 are included in the All Other Compensation column in the Summary Compensation Table.

In addition to these plans, the Synovus/TSYS Deferred Compensation Plan (Deferred Plan) replaces benefits lost under the qualified plans due to legal limits imposed by the IRS. The Deferred Plan does not provide above market interest. Instead, participants in the Deferred Plan can choose to invest their accounts among mutual funds that are generally the same as the mutual funds that are offered in the 401(k) savings plan. The executives Deferred Plan accounts are held in a rabbi trust, which is subject to claims by TSYS creditors. The employer contribution to the Deferred Plan for 2006 for named executive officers is set forth in the All Other Compensation column in the Summary Compensation Table and the earnings on the Deferred Plan accounts during 2006 for named executive officers is set forth in the Aggregate Earnings in Last FY column in the Nonqualified Deferred Compensation Table and in the All Other Compensation column in the Summary Compensation Table.

Post-Termination Compensation Philosophy

TSYS compensation program is designed to reflect TSYS philosophy that compensation generally should be earned while actively employed. Although retirement benefits are paid following an executive's retirement, the benefits are earned while employed and are substantially related to performance as described above. TSYS has entered into limited post-termination arrangements when appropriate, such as the change of control agreements which are described in the Potential Payouts Upon Termination or Change of Control section.

TSYS chose to enter into change of control arrangements with its executives: (1) to ensure the retention of executives and an orderly transition during a change of control, (2) to ensure that executives would be financially protected in the event of a change of control so they continue to act in the best interests of TSYS while continuing to manage TSYS during a change of control, and (3) to ensure a competitive compensation package because such arrangements are common in the market and it was determined that such agreements were important in recruiting executive talent. During 2004 and the beginning of 2005, the Committee reviewed the change of control arrangements and determined that certain provisions were not in line with the Committee's philosophy or market practice. As a result, the change of control agreements for the named executive officers were amended at the beginning of 2005 to: (1) toughen the definition of a change of control from a merger in which the former shareholders of Synovus or TSYS own less than two-thirds (2/3) of the surviving company to a merger in which less than sixty percent (60%) of the surviving company is owned by the former shareholders, (2) implement a double trigger (as described below) in order for benefits to be paid under the agreements, thereby eliminating the ability of an executive to trigger benefits by voluntarily resigning during the 13th month following a change of control, (3) extend the time during which an executive can receive benefits under the agreement upon an involuntary termination without cause or a voluntary termination for good reason from one year to two years, and (4) provide that a gross-up for excise taxes only occurs if the total change of control payments exceed 110% of the applicable IRS cap. A double trigger means that two events must occur in order for benefits to be paid: (1) a change of control, and (2) a termination of employment (actual or constructive) within two years following the change of control. The Committee specifically chose a double trigger form of agreement because the Committee believed that double trigger agreements provided executives with sufficient financial protection in the event of a change of control and because double trigger agreements were the prevalent market practice.

Stock Ownership Guidelines

To align the interests of its executives with shareholders, TSYS has implemented stock ownership guidelines for its executives. Under the guidelines, executives are required to maintain either five, four or three times the amount of

their base salary in TSYS stock. TSYS Chief Executive Officer is required to maintain five times his base salary, the President four times his base salary and the other executive officers three times their base salaries. The guidelines are recalculated at the beginning of each calendar year. The guideline was initially adopted January 1, 2004 and executives had a five-year grace period to

Table of Contents

fully achieve the guideline with an interim three-year goal. Until the guideline is achieved, executives are required to retain all net shares received upon the exercise of stock options, excluding shares used to pay the option's exercise price and any taxes due upon exercise. In the event of a severe financial hardship, the guidelines permit the development of an alternative ownership plan by the Chairman of the Board of Directors and Chairman of the Compensation Committee. All executives are currently in compliance with the guideline.

Tally Sheets

The Committee has reviewed tally sheets for each of TSYS's named executive officers. The tally sheets add up all forms of compensation for each officer and also provide estimates of the amounts payable to each executive upon the occurrence of potential future events, such as a change of control, retirement, voluntary or involuntary termination, death and disability. The tally sheets are used to provide the Committee with total compensation amounts for each executive so that the Committee can determine whether the amounts are reasonable or excessive. Although the tally sheets are not used to benchmark total compensation with specific companies, the Committee considers total compensation paid to executives at other companies in considering the reasonableness of our executives' total compensation. After reviewing the tally sheets, the Committee determined that the total compensation amounts are fair, reasonable and competitive.

Other Policies

Restatements. TSYS does not have a formal policy regarding the recovery of awards or payouts in the event the financial statements upon which TSYS's performance measurements are based are restated or otherwise adjusted in a manner that could reduce the size of an award. TSYS believes that the decision of whether a recovery is appropriate would depend upon the facts and circumstances surrounding the restatement or adjustment.

Tax Considerations. We have structured most forms of compensation paid to our executives to be tax deductible. For example, Internal Revenue Code Section 162(m) limits the deductibility of compensation paid by a publicly-traded corporation to its Chief Executive Officer and four other highest paid executives for amounts in excess of \$1 million, unless certain conditions are met. The base salaries of all of our named executive officers are tax-deductible because they are less than \$1 million. In addition, the short-term and long-term incentive plans have been approved by shareholders and awards under these plans are designed to qualify as performance-based compensation to ensure deductibility under Code Section 162(m). We reserve the right to provide compensation which is not tax-deductible, however, if we believe the benefits of doing so outweigh the loss of a tax deduction. The only form of executive compensation not currently tax-deductible by TSYS is the personal use of corporate aircraft. We believe that a small amount of personal use each year is an appropriate perquisite for our executives, despite the loss of a tax deduction.

In general, TSYS does not gross-up its officers for taxes that are due with respect to their compensation. An example of an exception to this rule is for excise taxes that may be due with respect to the change of control agreements, as described above.

Accounting Considerations. We account for all compensation paid in accordance with GAAP. The accounting treatment has generally not affected the form of compensation paid to named executive officers.

Board Fees. Our executives who serve on the Board of Directors of TSYS are paid the same cash director fees as those paid to non-executive directors and are also entitled to participate in TSYS's Director Stock Purchase Plan, which is described under Equity Compensation of Directors. However, directors who are also executives do not receive the equity compensation that is granted to non-executive directors of TSYS. Although paying cash director fees to inside executives who serve on Boards of Directors is not the prevalent market practice, it has been the historical practice at

TSYS for many years and constitutes a small portion of affected executive's total compensation amount. These amounts are included in the All Other Compensation column of the Summary Compensation Table.

Table of Contents

Conclusion

For the reasons described above, we believe that each element of compensation offered in our executive compensation program, and the total compensation delivered to each named executive officer, is fair, reasonable and competitive.

Significant Events After December 31, 2006

Synovus stock options and TSYS restricted stock awards were granted to TSYS named executive officers effective January 31, 2007 in accordance with the performance grid discussed under Long-Term Incentives above. The awards, which were made based upon Synovus TSR for the 2004-2006 performance period, were made at 50% of target. Messrs. Tomlinson, Lipham, Woods, Pruett and Tye were each granted Synovus stock option awards of 30,630, 11,715, 21,516, 13,952 and 13,212 shares, respectively, at an exercise price of \$31.93, the closing price of Synovus stock on January 31, 2007. In addition, Messrs. Tomlinson, Lipham, Woods, Pruett and Tye were each granted TSYS restricted stock awards of 10,550, 4,035, 7,411, 4,806 and 4,551 shares, respectively, effective January 31, 2007. The stock options and restricted stock awards vest over a three year period, in equal annual installments of one-third each, on January 31, 2008, January 31, 2009 and January 31, 2010. The awards will be described in detail in next year's Proxy Statement.

COMPENSATION COMMITTEE REPORT

TSYS Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Table of Contents**SUMMARY COMPENSATION TABLE**

The table below summarizes the compensation for each of the named executive officers for the fiscal year ended December 31, 2006.

The named executive officers were not entitled to receive payments which would be characterized as Bonus payments for the fiscal year ended December 31, 2006. The short-term incentive amounts paid to the named executives are set forth in the Non-Equity Incentive Plan Compensation column. TSYS methodology and rationale for short-term incentive compensation are described in the Compensation Discussion and Analysis above.

The named executive officers did not receive any compensation that is reportable under the Change in Pension Value and Nonqualified Deferred Compensation Earnings column because, as described in the Compensation Discussion and Analysis, TSYS has no defined benefit pension plans and does not pay above-market interest on deferred compensation. The 2006 retirement plan contributions and earnings for the named executive officers are set forth in the All Other Compensation column.

- (7) Amount excludes perquisites because the total value of perquisites does not exceed \$10,000.

Table of Contents**POTENTIAL PAYOUTS UPON TERMINATION OR CHANGE-IN-CONTROL**

TSYS has entered into change of control agreements with its named executive officers. Under these agreements, benefits are payable upon the occurrence of two events (also known as a "double trigger"). The first event is a change of control and the second event is the actual or constructive termination of the executive within two years following the date of the change of control. Change of control is defined, in general, as the acquisition of 20% of Synovus or TSYS stock by any person as defined under the Securities Exchange Act, turnover of more than one-third of the Board of Directors of Synovus or TSYS, or a merger of Synovus or TSYS with another company if the former shareholders of Synovus or TSYS own less than 60% of the surviving company. A spin-off of TSYS stock by Synovus or a transaction in which Synovus continues to own more than 50% of TSYS stock are excluded from the definition of change of control. For purposes of these agreements, a constructive termination is a material adverse reduction in an executive's position, duties or responsibilities, relocation of the executive more than 35 miles from where the executive is employed, or a material reduction in the executive's base salary, bonus or other employee benefit plans.

In the event payments are triggered under the agreements, each executive will receive three times his or her base salary as in effect prior to the termination, a percentage of his or her base salary equal to the average short-term incentive award percentage earned over the previous three calendar years prior to the termination, as well as a pro rata short-term incentive award calculated at target for the year of termination. These amounts are paid to the executive in a single lump-sum cash payment. Each executive will also receive health and welfare benefits for a three year period following the second triggering event. In addition, each executive will receive an amount that is designed to gross-up the executive for any excise taxes that are payable by the executive as a result of the payments under the agreement, but only if the total change of control payments to the executive exceed 110% of the applicable IRS cap. The following table quantifies the estimated amounts that would be payable under the change of control agreements, assuming the triggering events occurred on December 31, 2006.

	3x Base Salary	Average 3-Yrs Short-Term Incentive Award	Pro-Rata Target Short-Term Incentive Award	Health & Welfare Benefits	Stock Award Vesting	Stock Option Vesting(1)	Excise Tax Gross-up(2)	Total

(1) Estimated by multiplying number of options that vest upon change of control by difference in fair market value on December 31, 2006 and exercise price. Stock options also vest upon retirement, death, disability or

involuntary termination of employment not for cause.

- (2) Estimated using entire amount in Stock Award Vesting and Stock Option Vesting columns and dividing the estimated excise tax amount by 43.55%, which percentage is designed to calculate the amount of gross-up payment necessary so the executive is placed in the same position as though the excise tax did not apply. No gross-up payment is made if change of control payments do not exceed applicable IRS cap by 110%.

Executives who receive these benefits are subject to a confidentiality obligation with respect to secret and confidential information about TSYS. There are no provisions regarding a waiver of this confidentiality obligation. No perquisites or other personal benefits are payable under the change of control agreements.

The Non-Qualified Deferred Compensation Table sets forth the amount and form of deferred compensation benefits that the named executive officers would be entitled to receive upon their termination of employment.

The Deferred Plan replaces benefits lost by executives under the qualified retirement plans due to IRS limits. Executives are also permitted to defer all or a portion of their base salary or short-term incentive award, although no named executive officers did so for the last fiscal year. Amounts deferred under the Deferred Plan are deposited into a rabbi trust, and executives are permitted to invest their accounts in mutual funds that are generally the same as the mutual funds available in the qualified 401(k) plan. Deferred Plan participants may elect to withdraw their accounts as of a specified date or upon their termination of employment. Distributions can be made in a single lump sum or in annual installments over a 2-10 year period, as elected by the executive.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transaction Policy

TSYS Board of Directors has adopted a written policy for the review, approval or ratification of certain transactions with related parties of TSYS, which policy is administered by the Corporate Governance and Nominating Committee. Transactions that are covered under the policy include any transaction, arrangement or relationship, or series of similar transactions, arrangements or relationships, in which: (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) TSYS is a participant, and (3) any related party of TSYS (such as an executive officer, director, nominee for election as a director or greater than 5% beneficial owner of TSYS stock, or their immediate family members) has or will have a direct or indirect interest.

Among other factors considered by the Committee when reviewing the material facts of related party transactions, the Committee must take into account whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. Certain categories of transactions have standing pre-approval under the policy, including the following:

the employment of non-executive officers who are immediate family members of a related party of TSYS so long as the annual compensation received by this person does not exceed \$250,000, which employment is reviewed by the Committee at its next regularly scheduled meeting;

certain limited charitable contributions by TSYS, which transactions are reviewed by the Committee at its next regularly scheduled meeting; and

transactions between TSYS and Synovus, as these transactions are, in general, required by banking laws to be on substantially the same terms as those prevailing at the time for comparable transactions with non-related parties.

In addition, the policy does not apply to transactions which occurred, or in the case of ongoing transactions, transactions which began, prior to the date of the adoption of the policy by the TSYS Board.

Related Party Transactions

TSYS has entered into an agreement with CB&T with respect to the use of aircraft owned or leased by CB&T and W.C.B. Air L.L.C. CB&T and W.C.B. Air are parties to a Joint Ownership Agreement pursuant to which they jointly own or lease aircraft. W.C. Bradley Co. owns all of the limited liability company interests of W.C.B. Air. CB&T and W.C.B. Air have each agreed to pay fixed fees for each hour they fly the aircraft owned and/or leased pursuant to the Joint Ownership Agreement. TSYS paid CB&T \$2,745,709 for its use of the aircraft during 2006, which was used by CB&T to satisfy its commitments under the Joint Ownership Agreement. The charges payable by TSYS to CB&T in connection with its use of this aircraft approximate charges available to unrelated third parties in the State of Georgia for use of comparable aircraft for commercial purposes. During 2006, TSYS also leased office space in Columbus, Georgia at fair market value from W.C. Bradley Co. for lease payments of \$767,732. Also during 2006, W.C. Bradley Co. paid a subsidiary of TSYS \$1,475,252 for various printing services. The charges for these services are comparable to charges between similarly situated unrelated third parties for similar services. James H. Blanchard, Chairman of the Executive Committee of TSYS and a director of Synovus, is a director of W.C. Bradley Co. James D. Yancey, a director of Synovus and TSYS and Chairman of the Board of CB&T, is a director of W.C. Bradley Co. John T.

Turner, a director of W.C. Bradley Co., is a director of TSYS and CB&T. William B. Turner, Jr., John T. Turner's brother, is an officer and director of W.C. Bradley Co. and is also a director of Synovus and CB&T. W. Walter Miller, Jr., a director of W.C. Bradley Co., is a director of TSYS. The payments to W.C. Bradley Co. by TSYS and the payments to TSYS by W.C. Bradley Co. represent less than 2% of W.C. Bradley Co.'s 2006 gross revenues.

During 2006, TSYS paid \$760,610 to Communicorp, Inc. for printing, marketing and promotional services, which payments are comparable to payments between similarly situated third parties for similar services. Communicorp is a wholly owned subsidiary of Aflac Incorporated. Also during 2006, TSYS repurchased 820,800 of its shares from Aflac in a privately negotiated transaction for \$16,416,000, which

Other Information About Board Independence

In addition to the information set forth under the caption *Related Party Transactions* above, the Board also considered the following relationships in evaluating the independence of TSYS' independent directors and determined that none of the relationships constitute a material relationship with TSYS:

Synovus provided lending and/or other financial services to each of Messrs. Bradley, Cloninger, Harris, Illges (who retired as a director during 2006), Lampton, Miller, Page and Turner and Ms. Yarbrough, their immediate family members and/or their affiliated organizations during 2006 in the ordinary course of business and on substantially the same terms as those available to unrelated parties. These relationships meet the Board's categorical standards for independence;

An immediate family member of each of Mr. Bradley and Ms. Yarbrough was compensated as a non-executive employee of Synovus during 2006, which employment was in accordance with the Board's categorical standards for independence; and

Entities affiliated with Messrs. Cloninger, Clough and Driver and an immediate family member of Mr. Turner made payments to or received payments from TSYS and/or Synovus for property or services in the ordinary course of business during 2006, which payments did not approach the 2% of consolidated gross revenues threshold set forth in the Board's categorical standards for independence.

Solicitation of Proxies

TSYS will pay the cost of soliciting proxies. Proxies may be solicited on behalf of TSYS by directors, officers or employees by mail, in person or by telephone, facsimile or other electronic means. TSYS will reimburse brokerage firms, nominees, custodians and fiduciaries for their out-of-pocket expenses for forwarding proxy materials to beneficial owners.

Householding

The Securities and Exchange Commission's proxy rules permit companies and intermediaries, such as brokers and banks, to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement to those shareholders. This method of delivery, often referred to as householding, should reduce the amount of duplicate information that shareholders receive and lower printing and mailing costs for companies. TSYS is not householding proxy materials for its shareholders of record in connection with its 2007 Annual Meeting. However, we have been notified that certain intermediaries will household proxy materials. APPENDIX A

TOTAL SYSTEM SERVICES, INC.

DIRECTOR INDEPENDENCE STANDARDS

The following independence standards have been approved by the Board of Directors and are included within TSYS Corporate Governance Guidelines.

A majority of the Board of Directors will be independent directors who meet the criteria for independence required by the NYSE. The Corporate Governance and Nominating Committee will make recommendations to the Board annually as to the independence of directors as defined by the NYSE. To be considered independent under the NYSE Listing Standards, the Board must determine that a director does not have any direct or indirect material relationship with the Company. The Board has established the following standards to assist it in determining director independence. A director is not independent if:

The director is, or has been within the last three years, an employee of the Company or an immediate family member is, or has been within the last three years, an executive officer of the Company.

The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). (Compensation received by an immediate family member for service as an employee of the Company (other than an executive officer) is not taken into consideration under this independence standard).

(A) The director or an immediate family member is a current partner of a firm that is the Company's internal or external auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time.

The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee.

The director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

The following relationships will not be considered to be material relationships that would impair a director's independence:

The director is a current employee, or an immediate family member of the director is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or

services (including financial services) in an amount which, in the prior fiscal year, is less than the greater of \$1 million, or 2% of such other company's consolidated gross revenues. (In the event this threshold is exceeded, and where applicable in the standards set forth below, the three year look back period referenced above will apply to future independence determinations).

The director or an immediate family member of the director is a partner of a law firm that provides legal services to the Company and the fees paid to such law firm by the Company in the prior fiscal year were less than the greater of \$1 million, or 2% of the law firm's total revenues.

The director or an immediate family member of the director is an executive officer of a tax exempt organization and the Company's contributions to the organization in the prior fiscal year were less than the greater of \$1 million, or 2% of the organization's consolidated gross revenues.

A-1

Table of Contents

The director received less than \$100,000 in direct compensation from the Company during the prior twelve month period, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

The director's immediate family member received in his or her capacity as an employee of the Company (other than as an executive officer of the Company), less than \$250,000 in direct compensation from the Company in the prior fiscal year, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

The director or an immediate family member of the director has, directly, in his or her individual capacities, or, indirectly, in his or her capacity as the owner of an equity interest in a company of which he or she is not an employee, lending relationships, deposit relationships or other banking relationships (such as depository, trusts and estates, private banking, investment banking, investment management, custodial, securities brokerage, insurance, cash management and similar services) with the Company provided that:

- 1) such relationships are in the ordinary course of business of the Company and are on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and
- 2) no event of default has occurred under any extension of credit from an affiliate of the Company.

For relationships not described above or otherwise not covered in the above examples, a majority of the Company's independent directors, after considering all of the relevant circumstances, may make a determination whether or not such relationship is material and whether the director may therefore be considered independent under the NYSE Listing Standards. The Company will explain the basis of any such determinations of independence in the next proxy statement.

For purposes of these independence standards an immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.

For purposes of these independence standards Company includes any parent or subsidiary in a consolidated group with the Company.

The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

9.5 Termination of Employment/Service. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units and/or Performance Shares following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Awards of Performance Units or Performance Shares issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

Article 10. Cash-Based Awards and Other Stock-Based Awards

10.1 Grant of Cash-Based Awards. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms as the Committee may determine.

10.2 Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions as the Committee shall determine. 10.3 Value of Cash-Based and Other Stock-Based Awards. Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Cash-Based Awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

10.4 Payment of Cash-Based Awards and Other Stock-Based Awards. Payment, if any, with respect to a Cash-Based Award or any Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

Such provisions shall be

determined in the sole discretion of the Committee, such provisions may be included in an agreement entered into with each Participant, but need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

Article 11. Transferability of Awards

11.1 Transferability. Except as provided in Section 11.2 below, during a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; no Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. The Committee may establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable or Shares deliverable in the event of, or following, the Participant's death may be provided.

11.2 Committee Action. The Committee may, in its discretion, determine that notwithstanding Section 11.1, any or all Awards (other than ISOs) shall be transferable to and exercisable by such transferees, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, no Award may be transferred for value (as defined in the General Instructions to Form S-8).

12.3 Adjustment of Performance-Based Compensation. Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis, or any combination, as the Committee determines.

12.4 Committee Discretion. In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13. Nonemployee Director Awards

From time to time, the Board shall set the amount(s) and type(s) of equity awards that shall be granted to all Nonemployee Directors on a periodic, nondiscriminatory basis pursuant to the Plan, as well as any additional amount(s), if any, to be awarded, also on a periodic, nondiscriminatory basis, based on each of the following: (i) the number of Board committees on which a Nonemployee Director serves; (ii) service of a Nonemployee Director as the chair of a Board committee; (iii)

Notwithstanding any other provision of the Plan to the contrary, unless the Committee specifies otherwise in an Award Agreement, in the event of a Change of Control: (i) any Options and Stock Appreciation Rights which are outstanding immediately prior to the date such Change of Control is determined to have occurred, and which are not then exercisable and vested, shall become fully exercisable and vested to the full extent of the original grant; (ii) the restrictions and deferral limitations applicable to any Restricted Stock shall lapse, and such Restricted Stock shall become free of all restrictions and limitations and become fully vested and transferable to the full extent of the original grant; and (iii) the restrictions and deferral limitations and other conditions applicable to any other Awards under the Plan shall lapse, and such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

Article 16. Rights of Participants

16.1 Employment/Service. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as a Director for any specified period of time.

17.1 Amendment, Modification, Suspension, and Termination. Subject to Section 17.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that without the prior approval of the Company's shareholders and except as provided in Section 4.4, Options or SARs issued under this Plan will not be repriced, replaced, repurchased for cash when the Fair Market Value of a Share is lower than the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

17.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events, other than those described in Section 4.4 hereof, affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

17.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary (other than Section 17.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

17.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be

Article 19. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20. General Provisions

20.1 Forfeiture Events.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.

In addition, in the event of an accounting restatement, the Committee in its sole and exclusive discretion may require that any Participant reimburse the Company all or part of the amount of any payment in settlement of any Award granted hereunder.

20.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

20.9 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees or Directors, the Committee, in its sole discretion, shall have the power and authority to:

- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted that would violate applicable law.

20.10 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

20.11 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company and/or its Subsidiaries and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

20.13 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Covered Employee annual incentive awards, may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

20.14 Deferred Compensation. Notwithstanding any other provision of the Plan, the Committee may cause any Award to comply with or to be exempt from Section 409A of the Code and may interpret this Plan in any manner necessary to ensure that Awards under the Plan comply with or are exempt from Section 409A of the Code. In the event that the Committee determines that an Award should comply with or be exempt from Section 409A and that a Plan provision or Award Agreement provision is necessary to ensure that such Award complies with or is exempt from Section 409A of the Code, such provision shall be deemed included in the Plan or such Award Agreement.

20.15 Nonexclusivity of This Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

Table of Contents

20.16 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (a) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (b) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

20.17 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Georgia, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Georgia to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

20.18 Indemnification. Subject to requirements of Georgia law, each individual who is or shall have been a member of the Board, or a committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by the Participant in connection with or resulting from any claim, action, suit, or proceeding to which the Participant may be a party or in which the Participant may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by the Participant in settlement thereof, with the Company's approval, or paid by the Participant in satisfaction of any judgment in any such action, suit, or proceeding against the Participant, provided the Participant shall give the Company an opportunity, at its own expense, to handle and defend the same before the Participant undertakes to handle and defend it on the Participant's own behalf, unless such loss, cost, liability, or expense is a result of the Participant's own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

 - (i) 18,000,000 Shares, plus
 - (ii) The number of Shares subject to outstanding awards under the Prior Plan as of the Effective Date, that, after the Effective Date, cease to be outstanding other than by reason of their having been exercised for, or settled in, vested and nonforfeitable Shares.
- (b) The maximum number of Shares of the Share Authorization that may be issued pursuant to Full Value Awards under this Plan shall be 9,000,000.
- (c) The maximum number of Shares of the Share Authorization that may be issued pursuant to ISOs under this Plan shall be 9,000,000.

Further, any Shares withheld to satisfy tax withholding obligations on Awards issued under the Plan, Shares tendered to pay the exercise price of Awards under the Plan, and Shares repurchased on the open market with the proceeds of an Option exercise will no longer be eligible to be returned as available Shares under the Plan. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, are settled in cash in lieu of Shares, or are exchanged with the Committee's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for grant under this Plan. distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction, the Committee, in order to prevent dilution or enlargement of Participants' rights under this Plan, shall substitute or adjust the number and kind of Shares that may be issued under this Plan or under particular forms of Awards, the number and kind of Shares subject to outstanding Awards, the Option Price or Grant Price applicable to outstanding Awards, the Annual Award Limits, or other value determinations applicable to outstanding Awards, with the specific adjustments to be determined by the Committee in its sole discretion.

The Committee shall make appropriate adjustments to any other terms of any outstanding Awards under this Plan to reflect such changes or distributions, including modifications of performance goals and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 17 and notwithstanding anything else herein to the contrary, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate (including, but not limited to, a conversion of equity awards into Awards under this Plan in a manner consistent with paragraph 53 of FASB Interpretation No. 44), subject to compliance with the rules under Code Sections 422 and 424, as and where applicable.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares, or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares.

Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, Shares, or any combination thereof, or in any other manner approved by the Committee in its sole discretion. Any Performance Measure(s) may be used to measure the performance of the Company, Subsidiary, and/or Affiliate as a whole or any business unit of the Company, Subsidiary, and/or Affiliate or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Measures as compared to the performance of a group of comparator companies, or published or special index that the Committee, in its sole discretion, deems appropriate, or the Company may select Performance Measure (j) above as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 12.

12.2 Evaluation of Performance. The Committee may provide in any such Award that any evaluation of achievement of Performance Measures may include or exclude any of the following events that occur during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results, (d) any reorganization and restructuring programs, (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year, (f) acquisitions or divestitures, and (g) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

12.3 Adjustment of Performance-Based Compensation. Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis, or any combination, as the Committee determines.

12.4 Committee Discretion. In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13. Nonemployee Director Awards

From time to time, the Board shall set the amount(s) and type(s) of equity awards that shall be granted to all Nonemployee Directors on a periodic, nondiscriminatory basis pursuant to the Plan, as well as any additional amount(s), if any, to be awarded, also on a periodic, nondiscriminatory basis, based on each of the following: (i) the number of Board committees on which a Nonemployee Director serves; (ii) service of a Nonemployee Director as the chair of a Board committee; (iii)

service of a Nonemployee Director as Chairman of the Board; or (iv) the initial selection or appointment of an individual to the Board as a Nonemployee Director. Subject to the foregoing, the Board shall grant such Awards to Nonemployee Directors, as it shall from time to time determine.

Article 14. Dividends and Dividend Equivalents

Any Participant selected by the Committee may be granted dividends or dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests, or expires, as determined by the Committee. The dividends or dividend equivalents may be subject to any limitations and/or restrictions determined by the Committee. Such dividend equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee.

Article 15. Change of Control

Notwithstanding any other provision of the Plan to the contrary, unless the Committee specifies otherwise in an Award Agreement, in the event of a Change of Control: (i) any Options and Stock Appreciation Rights which are outstanding immediately prior to the date such Change of Control is determined to have occurred, and which are not then exercisable and vested, shall become fully exercisable and vested to the full extent of the original grant; (ii) the restrictions and deferral limitations applicable to any Restricted Stock shall lapse, and such Restricted Stock shall become free of all restrictions and limitations and become fully vested and transferable to the full extent of the original grant; and (iii) the restrictions and deferral limitations and other conditions applicable to any other Awards under the Plan shall lapse, and such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

Article 16. Rights of Participants

16.1 Employment/Service. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as a Director for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 17, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

16.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan or, having been so selected, to be selected to receive a future Award.

16.3 Rights as a Shareholder. Except as otherwise provided herein or in any Award Agreement, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 17. Amendment, Modification, Suspension, and Termination

17.1 Amendment, Modification, Suspension, and Termination. Subject to Section 17.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that without the prior approval of the Company's shareholders and except as provided in Section 4.4, Options or SARs issued under this Plan will not be repriced, replaced, repurchased for cash when the Fair Market Value of a Share is lower than the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

17.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events, other than those described in Section 4.4 hereof, affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

17.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary (other than Section 17.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

17.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

Article 18. Withholding

18.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

18.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be

irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 19. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20. General Provisions

20.1 Forfeiture Events.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.

- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, any Participant who is subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002 shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve (12) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

In addition, in the event of an accounting restatement, the Committee in its sole and exclusive discretion may require that any Participant reimburse the Company all or part of the amount of any payment in settlement of any Award granted hereunder.

20.2 Legend. The certificates for Shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

20.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

Table of Contents

20.4 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

20.5 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies, the NYSE or other national securities exchanges as may be required.

20.6 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

20.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

20.9 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees or Directors, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan.
- (b) Determine which Employees or Directors outside the United States are eligible to participate in this Plan.
- (c) Modify the terms and conditions of any Award granted to Employees or Directors outside the United States to comply with applicable foreign laws.
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 20.9 by the Committee shall be attached to this Plan document as appendices.

Table of Contents

- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted that would violate applicable law.

20.10 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

20.11 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company and/or its Subsidiaries and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

20.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

20.13 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Covered Employee annual incentive awards, may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

20.14 Deferred Compensation. Notwithstanding any other provision of the Plan, the Committee may cause any Award to comply with or to be exempt from Section 409A of the Code and may interpret this Plan in any manner necessary to ensure that Awards under the Plan comply with or are exempt from Section 409A of the Code. In the event that the Committee determines that an Award should comply with or be exempt from Section 409A and that a Plan provision or Award Agreement provision is necessary to ensure that such Award complies with or is exempt from Section 409A of the Code, such provision shall be deemed included in the Plan or such Award Agreement.

20.15 Nonexclusivity of This Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

Table of Contents

20.16 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (a) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (b) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

20.17 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Georgia, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Georgia to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

20.18 Indemnification. Subject to requirements of Georgia law, each individual who is or shall have been a member of the Board, or a committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by the Participant in connection with or resulting from any claim, action, suit, or proceeding to which the Participant may be a party or in which the Participant may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by the Participant in settlement thereof, with the Company's approval, or paid by the Participant in satisfaction of any judgment in any such action, suit, or proceeding against the Participant, provided the Participant shall give the Company an opportunity, at its own expense, to handle and defend the same before the Participant undertakes to handle and defend it on the Participant's own behalf, unless such loss, cost, liability, or expense is a result of the Participant's own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
