PART III

NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 10-KSB, 11-K, 20-F, 10-Q, 10-QSB, N-SAR or the transition report portion thereof could not be filed within the prescribed time period:

On August 31, 2005, Registrant filed a voluntary petition for reorganization under Chapter 11 of the U.S. Bankruptcy Court for the Northern District of Georgia (the Court). On March 2, 2007, Registrant, together with affiliates of The Yucaipa Companies, LLC and the Teamsters National Automotive Transportation Industry Negotiating Committee, filed a Joint Plan of Reorganization and a related Disclosure Statement with the Court. Registrant is in the process of performing other activities related to the Disclosure Statement and the Joint Plan of Reorganization as well as the refinancing of its debtor-in-possession financing.

Due to the Chapter 11 filing and the additional and critical demands that such filing has placed on the time and attention of Registrant's senior management, Registrant has been unable to complete all the work necessary to timely file the Annual Report on Form 10-K without unreasonable effort or expense. In addition, Registrant will be unable to complete the preparation of its financial statements by April 2, 2007. Registrant expects that it will file the Form 10-K as soon as practicable following resolution of the pending items and subject to the additional and critical demands that the Chapter 11 filing will continue to place on the time and attention of Registrant's senior management.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

☐ Yes ☐ No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

☐ Yes ☐ No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Registrant cannot currently give a reasonable estimate of its results for the fiscal year ended December 31, 2006 since Registrant's year-end closing process and the related audit by Registrant's independent registered public accounting firm are not yet completed. However, the Annual Report on Form 10-K for the year ended December 31, 2006 is expected to reflect a lower net loss compared to the net loss of approximately \$125.7 million for the year ended December 31, 2005, primarily due to the impairment charges of approximately \$79.2 million and the charge of approximately \$15.8 million related to withdrawal liabilities of multiemployer pension plans that were recorded during the year ended December 31, 2005. Other factors, including a reduction in the number of vehicles delivered, an increase in revenue per vehicle delivered, financing related changes, income tax and insurance changes as well as items related to the Chapter 11 proceedings will also result in fluctuations in earnings for the year ended December 31, 2006 compared to the year ended December 31, 2005. These factors will be more fully discussed in Registrant's Annual Report on Form 10-K for the year ended December 31, 2006.
