The foregoing summary of the terms of the non-statutory stock option awards is qualified in its entirety by reference to the complete text of the 1995 Key Employee Stock Option Plan and the individual award agreements.

**2005 EXECUTIVE EMPLOYEE DEFERRED COMPENSATION PLAN**

On February 23, 2005, the Board of Directors of the Company approved and adopted the Lancaster Colony Corporation 2005 Executive Employee Deferred Compensation Plan (the "Plan"), a new non-qualified deferred compensation plan. The Plan covers a select group of management, including named executive officers.

The Plan is intended to comply with the requirements of new Section 409A of the Internal Revenue Code, enacted under the American Jobs Creation Act of 2004 on October 22, 2004. Section 409A imposes a number of requirements on non-qualified deferred compensation plans, primarily relating to the timing of elections and distributions, and is effective for deferrals made after December 31, 2004.

The terms and conditions of the Plan material to the Company are as follows:

(a) The Plan provides eligible employees with an opportunity to defer, on a pretax basis, all or a portion of their base salary and bonus earned each year. Amounts deferred are credited to the participant's bookkeeping account. Accounts are also credited with hypothetical earnings on those deferred amounts computed and determined by using an annual rate of interest equal to the prime rate of interest reported in the Wall Street Journal as in effect on the first business day (i) in January of each Plan Year for the period January 1 through June 30 and (ii) in July of each Plan Year for the period July 1 to December 31, in accordance with the Plan.

(b) Distribution is generally made upon the earliest of: (i) a participant's disability, (ii) separation from service, (iii) change in control (if elected by the participant), (iv) retirement, or (v) death. Unless a participant elects to receive payments in installments, all distributions will

be made in a lump sum. Distributions to certain "key employees," as defined under Code Section 409A, upon a separation from service will be delayed six months, as required by Code Section 409A. Income tax on deferred amounts, including earnings, are not required to be paid until benefits are paid to the participant, except as may be required by Code Section 409A.

(c) Participants who had an account under the Company's previous Executive Employee Deferred Compensation Plan, which was frozen effective December 31, 2004, shall automatically have a deferred compensation account under the Plan which will allow for the continued crediting of hypothetical earnings.

(d) Benefits under the Plan are paid from the general assets of the Company and are subject to the claims of its creditors and the risk of insolvency. As a result, each participant is a general, unsecured creditor of the Company with respect to amounts the participant has deferred under the Plan.

(e) The Company has delegated to a Committee the right to amend or terminate the Plan. No amendment may decrease the accounts of participants or beneficiaries at the time of the amendment.

The official provisions of the Plan are contained in the Plan document itself, which is attached as Exhibit 99.2 and incorporated herein by reference.
