INFORMATION TO BE INCLUDED IN THE REPORT**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

(e) Compensation arrangements of certain officers

F.N.B. Corporation (the Company) maintains an incentive program designed to reward achievement of key financial performance measures which promote shareholder value.

Annual Incentive Compensation Award

On January 24, 2007, the Compensation Committee of the Company approved the following incentive cash compensation payments for each of the Company's Named Executive Officers below with such cash bonuses to be paid as soon as practical thereafter.

<u>Officer</u>	<u>Title</u>	<u>Cash Bonus Compensation</u>
Gary J. Roberts	President & Chief Executive Officer of First National Bank of Pennsylvania (FNBPA) (principal subsidiary of the Company)	\$ 135,585.00
Brian F. Lilly	Executive Vice President & Chief Financial Officer	\$ 87,166.00
Scott D. Free	Senior Vice President Treasurer	\$ 42,960.00

The Company's 2007 Incentive Compensation Plan (Plan), was approved by the Company's Compensation Committee on December 13, 2006 and the Board on January 24, 2007, and is subject to shareholder approval at the Company's Annual Meeting on May 14, 2007.

The Plan is designed, in part, to provide annual cash bonus opportunities at a target percentage of base pay to senior management officials of the Company and its affiliates based on the Company's attainment of a targeted net income goal for each fiscal year. The net income goal may be adjusted by the Committee, in its sole discretion, for net income attributed to non-core operating events impacting the Company's core operating results, such as mergers and acquisitions, unusual gains or losses, significant asset sales or other out-of-the ordinary or one time events which significantly impact the Company's normal operations. Actual payments may range between 0% and 120% of the target payout goal for corporate performance between 80% and 120% of the net income goal, as long as the total payouts awarded under the Plan do not exceed the total amount of the Plan funded incentive pool based upon the Company's financial performance. Additionally, the Committee maintains discretion to reduce awards for individual performance.

On January 24, 2007, the Committee established the net income goal for fiscal year 2007 for the Annual Incentive Compensation Awards under the Plan. The Committee also set the threshold performance trigger at 80% of the net income target, which represents the minimum performance level at which incentive cash bonuses will be paid to Plan participants. The 2007 performance goals for all named executive officers, except FNBPA CEO, Roberts, are based on the Company achieving its 2007 net income goal. Mr. Roberts' 2007 performance goal is a factor using both the performance of the Company, weighted 30% and its subsidiary, FNBPA, weighted 70%.

The target bonus payment for all Named Executive Officers in 2007 is 30% of their base compensation, except for Messrs. Gurgovits, Roberts and Lilly whose target bonus is 60%, 50% and 40% of their respective base compensation amounts for 2007.
