ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

(e) Compensatory Arrangements of Certain Officers.

(1) 2008 Management Incentive Plan.

On August 9, 2007, the Executive Organization & Compensation Committee (the Committee) of the Board of Directors of Applied Industrial Technologies, Inc. (Applied) adopted the fiscal 2008 Management Incentive Plan (the MIP) for executive officers under the 1997 Long-Term Performance Plan (the LTPP). The MIP is Applied's program for rewarding officers for achieving annual goals. The size of the incentive payments depends on the level of performance achieved relative to net income goals set by the Committee. MIP payments can range from 0% to 200% (for outstanding achievement) of the target incentive value the Committee established for each officer. A copy of the 2008 MIP General Terms is attached as Exhibit 10(a) to this Form.

(2) Stock Appreciation Rights.

The Committee also awarded non-qualified stock-settled stock appreciation rights to the executive officers under the LTPP on August 9, 2007. A copy of updated Stock Appreciation Rights Award Terms and Conditions is attached as Exhibit 10(b) to this Form.

(3) Supplemental Executive Retirement Benefits Plan (Post-2004 Terms).

The Supplemental Executive Retirement Benefits Plan (the SERP) is a nonqualified defined benefit pension plan in which designated Applied executive officers participate. The Committee approved the following changes to the SERP with respect to benefits accrued or vested after December 31, 2004:

- a. Various changes, primarily with respect to distributions, were made for the SERP to comply with section 409A of the Internal Revenue Code;
 - b. Normal and early retirement benefits will only be paid to participants who have at least 5 years of service as an Applied executive officer;
 - c. Deferred vested benefits will be paid to a participant who separates from service without cause prior to age 55 with 10 years of service (5 of which as an executive officer) and such benefits will be equal to 25% of such participant's accrued normal retirement benefit at age 65; and
-

- d. The lump sum form of benefit payment was eliminated and an installment payment form, minimum of 3 years (5 years for the Chairman or Chief Executive Officer) and maximum of 10 years, was added.

In order to implement the changes described above, the SERP has been bifurcated into two parts, the first of which is applicable to vested accrued benefits on December 31, 2004 governed by the SERP provisions on such date; the second of which is applicable to benefits accrued and vested after December 31, 2004 (the Post-2004 Terms). The Post-2004 Terms are attached as Exhibit 10(c) to this Form.
