Item 1.01

Entry into a Material Definitive Agreement.

On February 22, 2010, Southern Connecticut Bancorp, Inc. (“SSE”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Naugatuck Valley Financial Corporation (“NVSL”) and Newco, a corporation to be formed by NVSL to be the holding company for Naugatuck Valley Savings and Loan (“NVSL Bank”), pursuant to which SSE will merge with and into NVSL, with NVSL being the surviving corporation (the “Merger”).

In connection with the Merger, Naugatuck Valley Mutual Holding Company (“NVSL MHC”), which is presently the majority shareholder of NVSL, will reorganize and convert from a mutual holding company form of organization to a stock holding company form of organization (the “Conversion”). The stock holding company will be Newco, which will (i) offer and sell shares of its common stock as prescribed in a Plan of Conversion adopted concurrently with the execution of the Merger Agreement (the “Conversion Stock Offering”) and (ii) exchange shares of its common stock for shares of NVSL common stock held by persons other than NVSL MHC. Additionally, in connection with the Merger, The Bank of Southern Connecticut, a wholly-owned subsidiary of SSE (“SSE Bank”), will be merged with and into NVSL Bank.

Subject to the terms and conditions of the Merger Agreement, each outstanding share of SSE common stock will be converted into the right to receive, at the election of the holder of such share of SSE common stock, (i) cash consideration of \$7.25, (ii) stock consideration equal to the number of shares of Newco common stock in an exchange ratio equal to the result obtained by dividing \$7.25 by the initial offering price of Newco common stock in the Conversion Stock Offering, or (iii) a combination of the cash consideration and the stock consideration, subject to customary proration and allocation procedures, if necessary, to assure that 50% of the outstanding shares of SSE common stock are exchanged for Newco common stock and 50% of the outstanding shares of SSE common stock are exchanged for cash.

The Merger Agreement contains representations, warranties and covenants of SSE and NVSL. Among other customary covenants, SSE has agreed that it will conduct its business in the ordinary course and consistent with prudent banking practices during the period between the execution of the Merger Agreement and the consummation of the Merger and will refrain from taking certain actions during such period unless it obtains the prior written consent of NVSL. The SSE Board of Directors has agreed, subject to certain conditions, to submit the Merger for approval by the shareholders of SSE and to recommend the approval of the Merger. All of SSE’s directors have entered into voting agreements whereby they have agreed to vote their shares of SSE common stock owned on the record date for the shareholder meeting to approve the Merger. SSE has agreed not to solicit, initiate or encourage or, subject to certain exceptions, participate in any discussions or negotiations with or furnish any information to, any person, entity or group (other than NVSL) concerning SSE or The Bank of Southern Connecticut entering into an alternative business combination.

Newco and NVSL Bank will select and invite, in their sole discretion and subject to their corporate governance policies and procedures, one SSE director to serve on the Board of Directors of Newco and NVSL. NVSL Bank will also establish an advisory board for the SSE market area and invite each SSE director other than the SSE director selected and invited to join the Boards of Directors of Newco and NVSL Bank to serve on such advisory board. NVSL Bank will maintain the advisory board for a minimum period of one year following the consummation of the Merger.

Concurrently with the execution of the Merger Agreement, NVSL Bank has entered into employment agreements with each of Matthew L. Proto, Sr., Senior Vice President of SSE Bank, and Sunil Pallan, Senior Vice President and Chief Credit Officer of SSE Bank, which employment agreements will become effective upon the consummation of the Merger.

The Merger is expected to be completed during the third quarter of 2010 and is subject to the completion of the Conversion, approval of the shareholders of SSE, the receipt of regulatory approvals and other customary closing conditions. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances SSE may be required to pay NVSL a termination fee of up to \$900,00 and in other specified circumstances, NVSL may be required to pay SSE a termination fee of up to \$900,000.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the actual terms and conditions of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated by reference herein in its entirety.

The representations and warranties of the parties made in the Merger Agreement were made solely for purposes of the contract between the parties to the Merger Agreement. The assertions embodied in those representations and warranties are subject to important qualifications and limitations agreed to by the parties in connection with the negotiation of the terms of the Merger Agreement. Representations and warranties may not be accurate or complete because they were made as of a specified date, may be subject to a contractual standard of materiality that may differ from what is viewed as material by shareholders, may have been used for the purpose of allocating risk between the parties and/or may establish closing conditions rather than establishing matters as facts. Accordingly, no person should rely on the representations and warranties as statements of facts at the time they were made or otherwise and the representations and warranties should be read only in conjunction with the other information that SSE makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission.

A joint press release announcing the Merger is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
