Item 8.01.

Other Events.

Effective March 3, 2011, the principal subsidiary of Southern Connecticut Bancorp, Inc. (the "Company"), The Bank of Southern Connecticut (the "Bank"), adopted a Director Retirement Plan (the "Plan") for each non-employee director of the Bank. The following description of the Plan is a summary of its material terms and does not purport to be complete, and is qualified in its entirety by reference to the Plan which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

The Joint Compensation Committee of the Company and the Bank approved the Plan on December 29, 2010 on the condition that it would not become effective unless and until the senior executive officers of the Bank (collectively, "Management") determined that the expenses to be accrued in connection with the Plan were not excessive. Following consultations in January and February of 2011 with actuaries and the Company's independent auditors, Management concluded on March 3, 2011 that the expenses associated with the Plan were not excessive. Accordingly, without any further action by the Joint Compensation Committee of the Company and the Bank, the Plan became effective on March 3, 2011.

Under the Plan, each non-employee director of the Bank who Retires (as defined below) from the Board of Directors of the Bank (the "Bank Board") with a minimum of five years of service on the Bank Board shall be entitled to receipt of a one-time payment of \$50,000 upon his or her Retirement (as defined below). The years of service began accruing on March 3, 2011, the date of adoption of the Plan, and will not include any periods in which the person was an employee of the Bank. "Retire" and "Retirement" means termination of service as a director of the Bank and all its subsidiaries for any reason other than death, Disability (as defined in the Plan) or Specially-Defined Cause (as defined in the Plan). In addition, the one-time payment of \$50,000 shall also become due and payable to the non-employee directors of the Bank regardless of their number of years of service on the Bank Board in the event of (i) a change in control of the Bank (as may be defined by the Bank Board), (ii) the death of a director, (iii) the Disability (as defined in the Plan) of a director or (iv) the failure of a director to stand for reelection due to any age restriction.
