To the Shareholders

Dear Sir or Madam,

PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

1. INTRODUCTION

On 29 March 2004, Sinopec Corp. announced that it proposed to amend the Articles of Association of Sinopec Corp. (including the Rules and Procedures for the Shareholders' General Meetings and the Rules and Procedures for the Board of Directors' Meetings) in accordance with the "Notice on Certain Issues relating to Regulating Fund Transfers between a Listed Company and Connected Parties and External Guarantees of Listed Companies" (Zheng Jian Fa [2003] No.56) jointly issued by the CSRC and the SASMC on 28 August 2003, and the revised Listing Rules of the Stock Exchange which will come into effect on 31 March 2004.

In addition, both the current Articles of Association and the Rules and Procedures for the Board of Directors' Meetings stipulated that Sinopec Corp. should formulate "Detailed Rules on the Work of the Secretary to the Board of Directors". As Sinopec Corp. already formulated the "Rules on Corporate Information Disclosure" and "Rules on Corporate Investor Relations" in December 2003 in accordance with the requirements of the relevant PRC regulatory authorities, there will be an unnecessary duplication of the contents if the "Detailed Rules on the Work of the Secretary to the Board of Directors" are formulated again separately. Accordingly, Sinopec Corp. also announced that it proposed to remove references to the formulation of the "Detailed Rules on the Work of the Secretary to the Board of Directors" in the Articles of Association and Rules and Procedures for the Board of Directors' Meetings.

The purpose of this circular is to provide you with the information and the recommendation of the Directors in respect of the proposed amendments to the Articles of Association (including the Rules and Procedures for the Shareholders' General Meetings and the Rules and Procedures for the Board of Directors' Meetings).

2. PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

2.1 Addition of clauses in relation to external guarantees in the Articles of Association and its schedules in accordance with the "Notice on Certain Issues relating to Regulating Fund Transfers between a Listed Company and Connected Parties and External Guarantees of Listed Companies"

The China Securities Regulatory Commission and the State Assets Supervisory Management Commission jointly issued the "Notice on Certain Issues relating to Regulating Fund Transfers between a Listed Company and Connected Parties and External Guarantees of Listed Companies" (Zheng Jian Fa [2003] No.56) on 28 August 2003 which requires that: "the Articles of Association of a listed company shall make stipulations for the examination and approval procedures of external guarantees and creditworthiness standards of the guaranteed objects. External guarantees shall obtain the consent upon signing of more than two-thirds of all the members of the board of directors or approval at the shareholders' meeting; shall not directly or indirectly provide debt guarantees for guaranteed objects with an asset-liability ratio of more than 70%."

Edgar Filing: CHINA PETROLEUM & CHEMICAL CORP - Form 6-K

2.1.1 The new rules requires that, when members of the board of directors vote on the external guarantee matters, the same shall obtain consent of more than two-thirds of the directors. In order to reflect the new requirements:

2.1.1.1 Article 107 of the Articles of Association will be amended as follows:

- (1) Sub-paragraph (8) of Section 1 "to determine the risks investment and security (including pledging of assets) of the Company according to the authority given in the shareholders' general meeting;"

shall be amended as follows: "to determine the risks investments of the Company according to the authority given in the shareholder's general meeting";

A sub-paragraph shall be inserted as sub-paragraph (9): "to determine external guarantees (including pledging of assets) of the Company according to the authority given in the shareholder's general meeting";

The original sub-paragraphs (9) to (19) shall become sub-paragraphs (10) to (20) accordingly.

- (2) Section 2: "Other than the board of directors' resolutions in respect of the matters specified in sub-paragraphs (6), (7) and (13) of this Article which shall be passed by the affirmative vote of more than two-thirds of all the directors, the board of directors' resolutions in respect of all other matters may be passed by the affirmative vote of a simple majority of the directors."

shall be amended as follows: "Other than the board of directors' resolutions in respect of the matters specified in sub-paragraphs (6), (7), (9) and (14) of this Article which shall be passed by the affirmative vote of more than two-thirds of all the directors, the board of directors' resolutions in respect of all other matters may be passed by the affirmative vote of a simple majority of the directors."

2.1.1.2 Article 2 of the Rules and Procedures for the Board of Directors' Meetings will be amended as follows:

- (1) Sub-paragraphs (8) of Section 1 of Article 2 "to determine the risks investment and security (including pledging of assets) of the Company according to the authority given in the shareholders' general meeting";

shall be amended as follows: "to determine the risks investment of the Company according to the authority given in the shareholder's general meeting";

The following shall be inserted as sub-paragraph (9): "to determine matters relating to external guarantees (including pledging of assets) of the Company according to the authority given in the shareholder's general meeting";

Edgar Filing: CHINA PETROLEUM & CHEMICAL CORP - Form 6-K

The original sub-paragraphs (9) to (19) shall become sub-paragraphs (10) to (20) accordingly.

- (2) A sub-paragraph (3) shall be inserted after sub-paragraph (2) of section 4 of Article 33: "to determine to provide external guarantees".
- (3) The original sub-paragraph (3) of section 4 of Article 33 "to formulate proposals for any amendment to the Company's Articles of Association" shall become sub-paragraph (4) of section 4 of Article 33 accordingly, and the same shall be amended as follows: "to formulate proposals for any amendment to the Articles of Association and its schedules".

2.1.2 The total amount of external guarantees of the Company shall not exceed 50% of the net assets stated on the consolidated accounting statements of the latest accounting year, and the Company shall not directly or indirectly provide debt guarantees for guaranteed objects with an asset / liability ratio of more than 70%. In order to reflect the new rules, Article 13(3) of the Rules and Procedures for the Shareholders' General Meetings will be amended as follows:

Paragraph 1: "The Company shall not provide guarantees for its shareholders, controlling subsidiaries of its shareholders, subsidiary enterprises of shareholders or personal liability. If the Company provides guarantees to others, the guaranteed person shall provide counter-guarantee to the Company or take other necessary risk preventive measures."

shall be amended as follows: "The Company shall not provide guarantees for its shareholders, controlling subsidiaries of its shareholders, subsidiary enterprises of shareholders or personal liability and shall not directly or indirectly provide liability guarantee for debtors with an asset to liability ratio exceeding 70%. If the Company provides guarantees to others, the guaranteed person shall provide counter-guarantee to the Company or take other necessary risk preventive measures. The total amount of external guarantees of the Company shall not exceed 50% of the net assets stated in the consolidating accounting statements of the latest accounting year of the Company."

2.2 Addition of clauses in relation to shareholders' meetings and board meetings in the Articles of Association and its schedules in accordance with Appendix 3 and other provisions of the Listing Rules of the Hong Kong Stock Exchange

The Stock Exchange has revised its Listing Rules based on the results of the "Consultation Conclusions on Proposed Amendments to the Listing Rules Relating to Corporate Governance Issues". The new changes require listed companies to amend certain provisions of its Articles of Association. The revised Listing Rules will come into effect on 31 March 2004.

2.2.1 Where any shareholder is subject to voting restrictions under the Listing Rules, any votes cast by or on behalf of such shareholder in contravention of such restriction shall not be counted. To reflect this new requirement, the Articles of Association will be amended as follows:

Edgar Filing: CHINA PETROLEUM & CHEMICAL CORP - Form 6-K

2.2.1.1 the Articles of Association will be amended as follows:

A section shall be inserted in Article 74 as section 2: "If any shareholder are required to abstain from voting or may only vote for or against a matter according to the Rules Governing the Listing of Securities of the Hong Kong Stock Exchange Limited, any vote by such shareholder or his proxy in violation of the relevant rules or restrictions referred to above shall not be counted in the voting results."

2.2.1.2 the Rules and Procedures for the Shareholders' General Meetings will be amended as follows:

A section shall be inserted in Article 62 as section 2: "If any shareholder are required to abstain from voting or may only vote for or against a matter according to the Rules Governing the Listing of Securities of the Hong Kong Stock Exchange Limited, any vote by such shareholder or his proxy in violation of the relevant rules or restrictions referred to above shall not be counted in the voting results."

2.2.2 The written notice for nomination of directors (including independent and non-independent directors) should be submitted to the Company at least 7 days before shareholders' general meeting, and the period to which the Company will allow shareholders to submit the notification and other documents (which period will commence on the next day after the notice of general meeting is dispatched) should be at least 7 days. To reflect this new requirement, the Articles of Association will be amended as follows:

- (1) Sub-paragraph (4) of Article 100: "if the shareholders who individually or jointly hold 5% or more of the Company's voting shares or the supervisory committee puts forward a provisional motion in an AGM of the Company for election of independent directors, a written notice stating their intention to nominate a candidate for directors and the nominee's consent to be nominated together with the written proofs and undertaking of the nominee referred to in sub-paragraphs (1) and (2) above shall be delivered to the Company seven (7) days before the AGM".

shall be amended as follows: "if the shareholders who individually or jointly hold 5% or more of the Company's voting shares or the supervisory committee puts forward a provisional motion in a general meeting of the Company according to law for election of independent directors, a written notice stating their intention to nominate a candidate for directors and the nominee's consent to be nominated together with the written proofs and undertaking of the nominee referred to in sub-paragraphs (1) and (2) above shall be delivered to the Company not less than seven (7) days before the general meeting, and the period granted by the Company for lodging the above notice and documents by the relevant nominator (such period shall commence from the date after the issue of

Edgar Filing: CHINA PETROLEUM & CHEMICAL CORP - Form 6-K

the notice of the general meeting) shall not be less than seven (7) days".

- (2) Sub-paragraph (3) of Article 101: "if the shareholders who individually or jointly hold 5% or more of the Company's voting shares or the supervisory committee puts forward a provisional motion in an AGM of the Company for election of non-independent directors, a written notice stating their intention to nominate a candidate for directors and the nominee's consent to be nominated together with the written proofs and undertaking of the nominee referred to in sub-paragraph (1) above shall be delivered to the Company seven (7) days before the AGM"

shall be amended as follows: "if the shareholders who individually or jointly hold 5% or more of the Company's voting shares or the supervisory committee puts forward a provisional motion in a general meeting of the Company according to law for election of non-independent directors, a written notice stating their intention to nominate a candidate for directors and the nominee's consent to be nominated together with the written proofs and undertaking of the nominee referred to in sub-paragraph (1) above shall be delivered to the Company not less than seven (7) days before the general meeting, and the period granted by the Company for lodging the above notice and documents by the relevant nominator (such period shall commence from the date after the issue of the notice of the general meeting) shall not be less than seven (7) days".

- 2.2.3 If a director or his associate (as defined in the Listing Rules) have a material interest in any contract, transaction, arrangement or other matters that requires the approval of the board of directors, the relevant director shall not vote for the relevant matter at the meeting of the board of directors and shall not be counted as part of the quorum. To reflect this new requirement, the Articles of Association will be amended as follows:

- 2.2.3.1 the Articles of Association will be amended as follows:

Section (2) of Article 157 "Directors shall not vote on the contract, transaction and arrangement where they own the major rights and interests, and shall not be listed in the quorum of the meeting"

shall be amended as follows: "If a director or his associate (as defined in the Rules Governing the Listing of Securities of the Hong Kong Stock Exchange Limited) have a material interest in any contract, transaction, arrangement or other matters that requires the approval of the board of directors, the relevant director shall not vote for the relevant matter at the meeting of the board of directors, and shall not be listed in the quorum of the meeting."

- 2.2.3.2 the Rules and Procedures for the Board of Directors' Meetings will be amended as follows:

Section 7 of Article 33: "In voting on the Company's connected transactions by the board of directors, the connected directors who have interests in the transactions shall abstain from voting. Where resolutions cannot be reached due to the abstention from voting of the connected directors, the relevant motions shall be submitted directly to the shareholders' general meeting for examination."

shall be amended as follows: "If a director or his associate (as defined in the Rules Governing the Listing of Securities of the Hong Kong Stock Exchange Limited) have a material interest in any contract, transaction, arrangement or other matters that requires the approval of the board of directors, the relevant director shall not vote for the relevant matter at the meeting of the board of directors, and shall not be listed in the quorum of the meeting. Where resolutions cannot be reached due to the abstention from voting of the connected directors, the relevant motions shall be submitted directly to the shareholders' general meeting for examination."

- 2.2.4 Any vote of shareholders taken at a general meeting to approve connected transactions, transactions that are subject to independent shareholders' approval, and any other transaction in which a shareholder has a material interest and is therefore required to abstain from voting, must be taken on a poll. To reflect this new requirement, the Articles of Association will be amended as follows:

Paragraph 1 of Section 1 of Article 76: "At any shareholders' general meeting, a resolution shall be decided on a show of hands unless a poll is demanded:"

shall be amended as follows: "At any shareholders' general meeting, a resolution shall be decided on a show of hands unless a poll is demanded or otherwise required by the listing rules of the stock exchanges on which the Company's shares are listed".

- 2.3 Removing references to the formulation of the "Detailed Rules on the Work of the Secretary to the Board of Directors" in the Articles of Association and its schedules

In addition, both article 119 of the current Articles of Association and article 20 of the Rules and Procedures for the Board of Directors' Meetings stipulated that Sinopec Corp. should formulate "Detailed Rules on the Work of the Secretary to the Board of Directors". As Sinopec Corp. already formulated the "Rules on Corporate Information Disclosure" and "Rules on Corporate Investor Relations" in December 2003 in accordance with the requirements of the relevant PRC regulatory authorities and that the Articles of Association and the Rules and Procedures for the Board of Directors' Meetings already contain relatively detailed description of the duties and work procedures of the Secretary to the Board of Directors, there will be an unnecessary duplication of contents if the "Detailed Rules on the Work of the Secretary to the Board of Directors" are formulated again separately. Accordingly, Sinopec

Edgar Filing: CHINA PETROLEUM & CHEMICAL CORP - Form 6-K

Corp. proposes to remove references to the formulation of the "Detailed Rules on the Work of the Secretary to the Board of Directors" in the Articles of Association and Rules and Procedures for the Board of Directors' Meetings.

2.3.1 the Articles of Association will be amended as follows:

Section 1 of Article 119: "The Company shall have one (1) secretary of the board of directors. The secretary shall be a senior officer of the Company accountable to the Company. The Company shall draw up "Work Regulations for the Secretary of the Board" to promote the management of the Company and make provisions for disclosure of information."

shall be amended as follows: "The Company shall have one (1) secretary of the board of directors. The secretary shall be a senior officer of the Company accountable to the Company. The Company shall formulate regulations in relation to the work of the Secretary of the Board to promote the management of the Company and make provisions for disclosure of information and investor relationship."

2.3.2 the Rules and Procedures for the Board of Directors' Meetings will be amended as follows:

Article 20: "The Company shall formulate the "Work Regulations for the Secretary of the Board", which shall set out detailed provisions in respect of the duties and responsibilities, roles, and the daily working body of the secretary of the board of directors. Those Regulations shall come into effect upon the submission to, and the approval of, the board of directors."

shall be amended as follows: "The Company shall formulate regulations in relation to the work of the secretary of the board, and perform the work for disclosure of information and investor relationship. The relevant system shall be effective after reporting to the board of directors for approval."

3. RECOMMENDATION

The Directors consider that the proposed amendments to the Articles of Association (including the Rules and Procedures for the Shareholders' General Meetings and the Rules and Procedures for the Board of Directors' Meetings) are fair and reasonable so far as the Shareholders are concerned and accordingly recommend the Shareholders to consider the above proposed amendments and to vote in favour of the resolutions which will be proposed at the 2003 AGM.
