Item 1. Security and Issuer.

This statement constitutes Amendment No. 3 to the Schedule 13D relating to the common stock, par value \$1.00 per share (the “Shares”) of Michael Baker Corporation (the “Issuer”) and hereby amends the Schedule 13D filed with the Securities and Exchange Commission (“SEC”) on July 18, 2012 and the amendments filed with the SEC on December 19, 2012 and February 7, 2013 (collectively, the “Schedule 13D”), on behalf of the Reporting Person (as defined below), to furnish the additional information set forth herein. All capitalized terms contained herein but not otherwise defined shall have the meanings ascribed to such terms in the Schedule 13D.

Item 2. Identity and Background.

Item 2 of the Schedule 13D is hereby amended by replacing the first paragraph with the following:

This Schedule 13D is being filed by Thomas J. Campbell (the “Reporting Person”). Mr. Campbell’s principal business address is c/o DC Capital Partners, LLC, 11 Canal Center Plaza, Suite 350, Alexandria, VA 22314. Mr. Campbell is the President and Founder of DC Capital Partners, LLC, an investment firm headquartered in Washington, DC, focused on making investments in the U.S. federal and state government services markets. He is also the Chairman and, through entities he controls, the majority owner of (i) KS International LLC (“KSI”), a global provider of mission critical engineering, construction and development services and solutions to the U.S. federal government; (ii) Integrated Mission Solutions, LLC (“IMS”), the parent company to KSI, and (iii) a number of other companies that provide services to the U.S. federal government.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Schedule 13D is hereby amended and supplemented by adding the following at the end thereof:

Concurrently, and in connection with entering into the Merger Agreement described in Item 4, the Reporting Person entered into an Equity Commitment Letter for the benefit of IMS, and Jefferies Finance LLC (“Jefferies”) and IMS entered into a Debt Commitment Letter. The descriptions of the Equity Commitment Letter and Debt Commitment

Letter in Item 4 are incorporated herein by reference.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is hereby amended by the deletion of the last paragraph and the addition of the following:

IMS entered into a Confidentiality Agreement with the Issuer on January 31, 2013.

On July 29, 2013, the Issuer entered into an Agreement and Plan of Merger (the “Merger Agreement”) with IMS and Project Steel Merger Sub, Inc., a wholly owned subsidiary of IMS (“Merger Sub”).

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Merger Sub will commence a cash tender offer (the “Offer”) to purchase all of the outstanding shares of the Issuer’s common stock, par value \$1.00 per share (the “Issuer Common Stock”), at a price per share of \$40.50 (the “Offer Price”), net to the seller in cash, without interest and subject to any applicable tax withholding.

CUSIP No. 057149106 Page 4

Under the terms of the Merger Agreement, the Issuer has granted Merger Sub an irrevocable option (the “Top-Up Option”), exercisable only upon the terms and subject to the conditions set forth therein, to purchase a number of shares of Issuer Common Stock equal to the lowest number of shares that, when added to the number of shares owned by IMS and Merger Sub after the completion of the Offer, will constitute one share more than 80% of Issuer Common Stock outstanding on a fully diluted basis in order to facilitate completion of the merger of Merger Sub into the Issuer (the “Merger”) under Pennsylvania law. The parties have agreed that if after the purchase of shares of Issuer Common Stock pursuant to the Offer and any subsequent offering period, and after giving effect to any shares of Issuer Common Stock purchased pursuant to the Top-Up Option, Merger Sub owns at least 80% of the outstanding shares of Issuer Common Stock, then once the other conditions to completion of the Merger are satisfied or waived, Merger Sub will merge with and into the Issuer pursuant to a “short-form” merger in accordance with Pennsylvania law.

Upon the effective time of the Merger, each share of the Issuer Common Stock not purchased in the Offer (except for shares held by shareholders who duly exercise their appraisal rights under Pennsylvania law in connection with a “short form” merger) will be canceled and converted into the right to receive the Offer Price (other than shares held by the Issuer as treasury stock, held by a wholly owned subsidiary of the Issuer or held by IMS or Merger Sub, which will be canceled without consideration).

Consummation of the Offer is subject to customary conditions, including, among others, (i) the valid tender of the number of shares that would represent at least a majority of the outstanding shares of Issuer Common Stock, (ii) the expiration or early termination of the waiting period applicable to the consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) the absence of certain legal impediments to the consummation of the Merger, and (iv) the absence of any change, event or occurrence that has had or would reasonably be expected to have a material adverse effect on the Issuer. The Offer is not subject to a financing condition.

The aggregate amount required by IMS and Merger Sub to pay the consideration in connection with the transactions contemplated by the Merger Agreement is approximately \$396.9 million. It is anticipated that, in addition to existing unrestricted cash on the balance sheet of each of IMS and the Issuer, the financing for the transactions contemplated by the Merger Agreement will consist of (i) equity financing to be contributed to IMS by the Reporting Person in the form of cash and (ii) debt financing arranged by IMS, each as described in further detail below.

The Merger Agreement provides for certain commitments by IMS to the Issuer’s future operations. As described in Schedule 3.01 to the Merger Agreement, IMS will offer three members of the Issuer’s existing board of directors the right to be nominated and elected as managers of IMS. In addition, these managers will have consent rights for three years over any decision by IMS that is inconsistent with certain commitments made under the Merger Agreement,

which include (i) maintaining the Issuer's headquarters in Moon Township, Pennsylvania, (ii) retaining the name "Michael Baker Corporation", (iii) to the extent commercially reasonable, (y) maintaining the Issuer's current staffing levels at its business locations, and (z) continuing corporate support provided to charitable organizations.

If the transactions contemplated by the Merger Agreement are consummated, the Shares will no longer be traded on the New York Stock Exchange and the Shares will cease to be registered under the Act, and the Issuer will be a wholly owned subsidiary of IMS.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 4 and is incorporated herein by reference.

CUSIP No. 057149106 Page 5

Equity Commitment Letter

On July 29, 2013, the Reporting Person entered into an equity commitment letter with IMS (the “Equity Commitment Letter”) in connection with the transactions contemplated by the Merger Agreement. The Reporting Person agreed under the Equity Commitment Letter to contribute an aggregate amount of \$52.5 million in cash (as the same may be reduced in accordance with the terms and conditions of the Equity Commitment Letter), subject to certain conditions, for the purpose of funding the consideration to be paid in connection with the Offer and/or the Merger, as applicable, pursuant to, and in accordance with the terms of, the Merger Agreement.

The foregoing description of the Equity Commitment Letter is qualified in its entirety by reference to the full text of the Equity Commitment Letter, a copy of which is attached hereto as Exhibit 5 and is incorporated herein by reference.

Debt Commitment Letter

Also in connection with the transactions contemplated by the Merger Agreement, IMS has obtained commitments for debt financing, consisting of a combination of (i) up to \$70.0 million of borrowings under a \$100.0 million senior secured first lien asset based revolving credit facility and (ii) the issuance and sale of privately placed senior secured notes (the “Notes”) yielding gross proceeds of \$340.0 million (or, if such an offering of the Notes is not consummated prior to, or concurrently with, the consummation of the Offer, the drawdown of senior secured increasing rate term loans under a senior secured bridge loan facility in an aggregate principal amount of \$340.0 million), in each case, (a) subject to modification as set forth in a debt commitment letter with Jefferies (the “Debt Commitment Letter”) and (b) for the purposes of paying the consideration to be paid in connection with the transactions contemplated under the Merger Agreement, refinancing substantially all of the existing indebtedness for borrowed money of IMS and the Issuer, and paying related fees, commissions and expenses. The Debt Commitment Letter expires on the earliest of November 29, 2013, the termination or abandonment of the Merger Agreement, the closing of the transactions contemplated by the Merger Agreement, and the acceptance by the Issuer or any of its affiliates (or any of their respective equityholders) of an offer for all or any substantial part of the capital stock or property and assets of the Issuer and its subsidiaries (or any parent company thereof) other than as a part of the transactions described herein. In addition, Jefferies’s commitment under the Debt Commitment Letter to provide bridge loans terminates upon the closing of the sale of the Notes (in escrow or otherwise).

Additional sources for financing the Offer will be at least \$87.0 million of existing unrestricted cash on the balance sheet of the Issuer, at least \$15.0 million of existing unrestricted cash on the balance sheet of IMS and the financing described in the Equity Commitment Letter.

The foregoing description of the Debt Commitment Letter is qualified in its entirety by reference to the full text of the Debt Commitment Letter, a copy of which is attached hereto as Exhibit 6 and is incorporated herein by reference.

Facilitation Agreement

Concurrently with the execution of the Merger Agreement, the Reporting Person entered into a facilitation agreement (the "Facilitation Agreement") with IMS, Merger Sub and the Issuer, pursuant to which the Reporting Person agreed to, among other things, cause DC Capital Partners, LLC and its affiliates to vote at a meeting of the members of IMS (or to execute and deliver written consents) to approve the Merger Agreement and the transactions contemplated thereby. The Reporting Person also granted the Issuer a limited irrevocable proxy to vote his shares of the Issuer Common Stock at any annual or special meeting of the shareholders of the Issuer, or any adjournment thereof, solely for the adoption of the Merger Agreement and the approval of the Merger, including each other action, agreement and transaction in furtherance of the Offer, the Merger Agreement, the Merger and the Facilitation Agreement. In addition, the Reporting Person agreed, in exchange for the Offer Price, to tender his shares of the Issuer Common Stock to Merger Sub in the Offer at least ten days prior to the Initial Expiration Time (as defined in the Merger Agreement) pursuant to and in accordance with the terms of the Offer. The Reporting Person also agreed to comply with certain restrictions on the disposition of his shares of the Issuer Common Stock, subject to the terms and conditions contained in the Facilitation Agreement.

CUSIP No. 057149106 Page 6

The foregoing description of the Facilitation Agreement is qualified in its entirety by reference to the Facilitation Agreement, a copy of which is included as Exhibit 7 and is incorporated by reference herein.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Item 6 of the Schedule 13D is hereby amended and supplemented by adding the following at the end thereof:

On July 29, 2013, IMS, Merger Sub and the Issuer entered into the Merger Agreement. Concurrently with the execution of the Merger Agreement: (i) IMS and Jefferies entered into the Debt Commitment Letter; (ii) the Reporting Person and IMS entered into the Equity Commitment Letter; and (iii) the Reporting Person, IMS, Merger Sub and the Issuer entered into the Facilitation Agreement.

The descriptions in Item 4 of this Schedule 13D of the agreements listed in this Item 6 are incorporated herein by reference. The summaries of certain provisions of such agreements in this Schedule 13D are not intended to be complete and are qualified in their entirety by reference to the full text of such agreements. The agreements listed in this Item 6 are filed herewith as Exhibits 4 through 7 and are incorporated herein by reference.

AGREEMENT AND PLAN OF MERGER

This is an AGREEMENT AND PLAN OF MERGER (this “**Agreement**”), dated as of July 29, 2013, by and among Michael Baker Corporation, a Pennsylvania corporation (the “**Company**”), Integrated Mission Solutions, LLC, a Delaware limited liability company (“**Parent**”), and Project Steel Merger Sub, Inc., a Delaware corporation and a wholly owned Subsidiary of Parent (“**Merger Sub**”). Capitalized terms used in this Agreement and not defined where first used have the respective meanings ascribed to them in Annex A.

The parties to this Agreement intend that, upon the terms and subject to the conditions set forth in this Agreement, Merger Sub be merged with and into the Company, with the Company surviving the Merger as a wholly owned Subsidiary of Parent (the “**Merger**”). To this end, Merger Sub has agreed to commence a tender offer (as it may be amended from time to time as permitted by this Agreement, the “**Offer**”) to purchase all of the outstanding shares of Common Stock at a price per share of \$40.50 (such amount, or any greater amount per share paid pursuant to the Offer and this Agreement, the “**Offer Price**”), net to the seller in cash, on the terms and subject to the conditions set forth herein.

The Board of Directors of the Company has, by resolutions duly adopted, (i) determined that this Agreement, the Offer, the Merger and the other transactions contemplated by this Agreement are advisable and are fair to the Company’s shareholders and in the best interests of the Company, (ii) approved this Agreement, the Offer, the Merger and the other transactions contemplated by this Agreement, (iii) recommended that the holders of shares of Common Stock accept the Offer and tender their shares of Common Stock pursuant to the Offer, (iv) proposed the Merger in accordance with Section 1922 of the PBCL by adopting a resolution approving this Agreement as a plan of merger for the purposes of Section 1922 of the PBCL, (v) directed that, if required pursuant to this Agreement, this Agreement be submitted to a vote at a meeting of the Company’s shareholders entitled to vote hereon and (vi) recommended that the Company’s shareholders entitled to vote hereon approve this Agreement (including approval of this Agreement by the shareholders entitled to vote thereon so that this Agreement is adopted for the purposes of Section 1924 of the PBCL) at any meeting of the Company’s shareholders held for such purpose.

The Board of Directors of each of Parent and Merger Sub has approved this Agreement, the Offer, the Merger and the other transactions contemplated by this Agreement.

Concurrent with the execution and delivery of this Agreement, Parent, Merger Sub, and certain other of their Affiliates that beneficially own in the aggregate 498,121 shares of Common Stock, are executing and delivering a Facilitation Agreement with respect to certain matters relating to the Offer, the Merger and the other transactions contemplated by this Agreement.

The Company, Parent and Merger Sub, in consideration of the representations, warranties, covenants and agreements contained in this Agreement, agree as follows:

ARTICLE 1

THE OFFER AND THE MERGER

Section 1.01. *The Offer.*

(a) On or prior to August 30, 2013, Merger Sub shall (and Parent shall cause Merger Sub to) commence (within the meaning of Rule 14d-2 under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the “**Exchange Act**”)) the Offer.

(b) The obligation and right of Merger Sub to accept for payment and pay for any shares of Common Stock validly tendered and not validly withdrawn pursuant to the Offer shall be subject to: (i) there being validly tendered in the Offer (and not validly withdrawn) prior to any then scheduled Expiration Time that number of shares of Common Stock which, together with the shares beneficially owned by Parent or Merger Sub, represents at least a majority of the Common Stock then outstanding (determined on a fully diluted basis (which assumes conversion or exercise of all derivative securities regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof)) (the “**Minimum Condition**”), and (ii) the satisfaction, or waiver by Parent or Merger Sub (to the extent permitted hereby), of the other conditions and requirements set forth in Exhibit A (together with the Minimum Condition, the “**Offer Conditions**”). Subject to the prior satisfaction of the Minimum Condition and the satisfaction, or waiver by Parent or Merger Sub, of the other Offer Conditions, Merger Sub shall (and Parent shall cause Merger Sub to) consummate the Offer in accordance with its terms and accept for payment and pay for all shares of Common Stock validly tendered and not validly withdrawn pursuant to the Offer as promptly as practicable after the Expiration Time. The conditions to the Offer set forth in Exhibit A are for the sole benefit of Parent and Merger Sub and may be asserted by Parent or Merger Sub regardless of the circumstances (including any action or inaction by Parent or Merger Sub, provided that nothing therein shall relieve any party hereto from any obligation or liability such party has under this Agreement) giving rise to such condition or may be waived by Parent or Merger Sub, in their sole discretion, in whole or in part at any time and from time to time, subject to this Section 1.01. The Offer Price payable in respect of each share of Common Stock validly tendered and not validly withdrawn pursuant to the Offer shall be paid net to the seller in cash, without interest, subject to any withholding of Taxes pursuant to Section 4.02(i).

(c) The Offer shall be made by means of an offer to purchase (the “**Offer to Purchase**”) that includes the terms and conditions of the Offer as set forth in this Agreement, including the Offer Conditions. Parent and Merger Sub reserve the right to waive, in whole or in part, any Offer Condition (other than the Minimum Condition), to increase the Offer Price or to make any other changes in the terms and conditions of the Offer; provided, however, that unless otherwise provided by this Agreement or as previously approved in writing by the Company, Merger Sub shall not (i) reduce the number of shares of Common Stock subject to the Offer, (ii) reduce the Offer Price, (iii) change, modify or waive the Minimum Condition, (iv) add to the conditions set forth in Exhibit A or modify or change any Offer Condition in a manner adverse to any shareholders of the Company, (v) except as otherwise provided in this Section 1.01, extend or otherwise change the expiration date of the Offer, (vi) change the form of consideration payable in the Offer or (vii) otherwise amend, modify or supplement any of the terms of the Offer in a manner adverse to any shareholder of the Company.

(d) The Offer shall expire at midnight (New York City, New York time) on the date that is 20 Business Days following the commencement (within the meaning of Rule 14d-2 under the Exchange Act) of the Offer (the “**Initial Expiration Time**”) or, in the event the Initial Expiration Time has been extended pursuant to this Agreement, the date and time to which the Offer has been so extended (the Initial Expiration Time, or such later date and time to which the Initial Expiration Time has been extended pursuant to this Agreement, is referred to as the “**Expiration Time**”).

(e) Unless this Agreement has been terminated in accordance with its terms: (i) if on or prior to any then scheduled Expiration Time, all of the conditions to the Offer (including the Minimum Condition and the other Offer Conditions) have not been satisfied or, to the extent waivable by Parent or Merger Sub pursuant to this Agreement, waived by Parent or Merger Sub, then Merger Sub (A) may (and in such case Parent shall cause Merger Sub to) extend the Offer for successive periods of up to ten Business Days each (or such longer period of up to 20 Business Days if the Company consents in writing prior to such extension), the length of each such period to be determined by Parent in its sole discretion, in order to permit the satisfaction of such conditions; and (B) shall (and Parent shall cause Merger Sub to) extend the Offer on one occasion for a period of up to seven Business Days if requested by the Company; (ii) Merger Sub may (and in such case Parent shall cause Merger Sub to) extend the Offer on one occasion at the Initial Expiration Time for a period of up to ten Business Days if the Debt Financing or Alternative Financing has not actually been received by Merger Sub or Parent, and the Debt Financing Sources have not definitively and irrevocably confirmed in writing to Parent and Merger Sub that the Debt Financing (or Alternative Financing) in an amount sufficient (together with the Equity Financing and cash available to the Company) to consummate the Offer and the Merger shall be available at the Offer Closing on the terms set forth in the Debt Financing Letter and subject only to the satisfaction of the Offer Conditions (and contribution by Parent or Merger Sub of the proceeds of the Equity Financing); and (iii) Merger Sub shall (and Parent shall cause Merger Sub to) extend the Offer for any period or periods required by applicable Law or applicable rules, regulations, interpretations or positions of the Securities and Exchange Commission or its staff (the “**SEC**”); provided, however, that, in any case in this Section 1.01(e), Merger Sub shall not be required to extend the Offer beyond November 29, 2013 (the “**Outside Date**”) and shall not be permitted to extend the Offer beyond the Outside Date without the Company’s consent.

(f) On the terms and subject to the conditions of this Agreement, Merger Sub shall, and Parent shall cause Merger Sub to, accept and pay for (subject to any withholding of tax pursuant to Section 4.02(i)) all shares of Common Stock validly tendered and not validly withdrawn pursuant to the Offer as promptly as practicable after the Expiration Time (as it may be extended and re-extended in accordance with this Section 1.01). Acceptance for payment of shares of Common Stock pursuant to and subject to the Offer Conditions upon the Expiration Time is referred to in this Agreement as the “**Offer Closing**,” and the date on which the Offer Closing occurs is referred to in this Agreement as the “**Offer Closing Date**.” Merger Sub expressly reserves the right to, in its sole discretion, following the Offer Closing, extend the Offer for a “subsequent offering period” (and one or more extensions thereof) in accordance with Rule 14d-11 under the Exchange Act, and the Offer Documents (as defined below) may, in Merger Sub’s sole discretion, provide for such a reservation of right. Nothing contained in this Section 1.01 shall affect any termination rights in Article 9.

(g) Merger Sub shall not terminate the Offer prior to any scheduled Expiration Time without the prior written consent of the Company, except in the event that this Agreement is terminated pursuant to Article 9. If the Offer is terminated or withdrawn by Merger Sub in accordance with the terms of this Agreement, or if this Agreement is terminated pursuant to Article 9, prior to the acceptance for payment of the Common Stock tendered in the Offer, Merger Sub shall promptly return, and shall cause any depository acting on behalf of Merger Sub to return, in accordance with applicable Law, all tendered Common Stock to the registered holders thereof.

(h) As soon as practicable on the date of the commencement of the Offer, Parent and Merger Sub shall file with the SEC a Tender Offer Statement on Schedule TO with respect to the Offer (together with all amendments, supplements and exhibits thereto, the “**Schedule TO**”). The Schedule TO shall include, as exhibits, the Offer to Purchase and a form of letter of transmittal and summary advertisement, if any (such Schedule TO and the documents included therein pursuant to which the Offer shall be made, together with any amendments and supplements thereto, the “**Offer Documents**”). The Company shall promptly furnish to Parent and Merger Sub all information concerning the Company required by the Exchange Act to be set forth in the Offer Documents. Parent and Merger Sub agree to take all steps necessary to cause the Offer Documents to be filed with the SEC and disseminated to the shareholders of the Company, in each case as and to the extent required by the Exchange Act. Parent and Merger Sub, on the one hand, and the Company, on the other hand, agree to promptly correct any material information provided by it for use in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect or as otherwise required by applicable Law. Parent and Merger Sub further agree to take all steps necessary to cause the Offer Documents, as so corrected (if applicable), to be filed with the SEC and disseminated to the shareholders of the Company, in each case as and to the extent required by the Exchange Act. Parent and Merger Sub shall promptly notify the Company upon the receipt of any comments from the SEC, or any request from the SEC for amendments or supplements, to the Offer Documents, and shall promptly provide the Company with copies of all correspondence between them and their representatives, on the one hand, and the SEC, on the other hand. Prior to the filing of the Offer Documents (including any amendments or supplements thereto) with the SEC or dissemination thereof to the shareholders of the Company, or responding to any comments of the SEC with respect to the Offer Documents, Parent and Merger Sub shall provide the Company and its counsel a reasonable opportunity to review and comment on such Offer Documents or response, and Parent and Merger Sub shall give reasonable consideration to any such comments.

(i) Parent shall provide or cause to be provided to Merger Sub, on a timely basis, the funds necessary to pay for any shares of Common Stock that Merger Sub becomes obligated to accept for payment, and pay for, pursuant to the Offer.

Section 1.02. *Company Actions.*

(a) On the date the Offer Documents are filed with the SEC, the Company shall file with the SEC a Solicitation/Recommendation Statement on Schedule 14D-9 with respect to the Offer (together with all amendments, supplements and exhibits thereto, the “**Schedule 14D-9**”) that shall, subject to the terms hereof, including the provisions of Section 7.02, contain the Company Recommendation. The Company agrees to take all steps necessary to cause the Schedule 14D-9 to be prepared and filed with the SEC and disseminated to the shareholders of the Company, in each case as and to the extent required by the Exchange Act. Parent and Merger Sub shall promptly furnish to the Company all information concerning Parent and Merger Sub required by the Exchange Act to be set forth in the Schedule 14D-9. The Company, on the one hand, and Parent and Merger Sub, on the other hand, agree to promptly correct any material information provided by it for use in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect or as otherwise required by applicable Law. The Company further agrees to take all steps necessary to cause the Schedule 14D-9, as so corrected (if applicable), to be filed with the SEC and disseminated to the shareholders of the Company, in each case as and to the extent required by the Exchange Act. The Company shall promptly notify Parent and Merger Sub upon the receipt of any comments from the SEC, or any request from the SEC for amendments or supplements, to the Schedule 14D-9, and shall promptly provide Parent and Merger Sub with copies of all correspondence between the Company and its representatives, on the one hand, and the SEC, on the other hand. Prior to the filing of the Schedule 14D-9 (including any amendments or supplements thereto) with the SEC or dissemination thereof to the shareholders of the Company, or responding to any comments of the SEC with respect to the Schedule 14D-9, the Company shall provide Parent, Merger Sub and their counsel a reasonable opportunity to review and comment on such Schedule 14D-9 or response, and the Company shall give reasonable consideration to any such comments. The Company hereby consents to the inclusion in the Offer Documents of the Company Recommendation contained in the Schedule 14D-9.

(b) In connection with the Offer, the Company shall promptly furnish or cause to be furnished to Parent and Merger Sub or their agents mailing labels, security position listings, nonobjecting beneficial owner lists and any other available listings or computer files containing the names and addresses of the record holders or beneficial owners of the shares of Common Stock as of the most recent practicable date, and shall promptly furnish Parent and Merger Sub with such information and assistance (including updated lists of record holders or beneficial owners of the shares of Common Stock, from time to time upon Parent’s, Merger Sub’s or either of their respective agents’ request, and the addresses, mailing labels and lists of security positions of such record holders or beneficial owners) as Parent, Merger Sub or their agents may reasonably request for the purpose of communicating the Offer and the Offer Documents to the record holders and beneficial owners of the shares of Common Stock. Subject to the requirements of applicable Law, and except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the Offer, the Merger and the other transactions contemplated hereby, Parent and Merger Sub shall hold in confidence the information contained in any such labels, listings and files in accordance with the Confidentiality Agreement and shall use such information only in connection with the Offer and the Merger and, if this Agreement shall be terminated, shall promptly deliver (and shall use their respective reasonable best efforts to cause their agents and Representatives to deliver) to the Company or shall destroy all copies and any extract or summaries of such information then in their possession or control. Each of Parent and Merger Sub hereby join and agree to be bound as the “Receiving Party” under the Confidentiality Agreement as fully as if originally party thereto. In addition, in connection with the Offer, the Company shall cause its Representatives to cooperate with Parent and Merger Sub to disseminate the Offer Documents to holders of shares of Common Stock held in or subject to any Company Benefit Plan, and to permit such holders of shares of Common Stock to tender such shares of Common Stock in the Offer, to the extent permitted by applicable Law and the applicable Company Benefit Plan.

Section 1.03. *Board of Directors Prior to the Effective Time.*

(a) Effective upon the Offer Closing and from time to time thereafter, Parent shall be entitled to designate the number of directors, rounded up to the next whole number, on the Board of Directors of the Company that equals the product of (i) the total number of directors on the Board of Directors of the Company (giving effect to the election of any additional directors pursuant to this Section 1.03) and (ii) the percentage (rounding down to the next whole number) that the number of shares of Common Stock beneficially owned by Parent and/or Merger Sub (including shares accepted for payment) bears to the total number of shares of Common Stock outstanding, and the Company shall cause Parent's designees to be elected or appointed to the Board of Directors of the Company, including by promptly increasing the number of directors (included by amending the by-laws if necessary to increase the size of the Board of Directors of the Company) or securing resignations of incumbent directors. At such time, the Company shall also cause individuals designated by Parent to constitute the number of members, rounded up to the next whole number, on (A) each committee of the Board of Directors of the Company and (B) as requested by Parent, each board of directors of each Subsidiary of the Company (and each committee thereof) that represents the same percentage as such individuals represent on the Board of Directors of the Company. Notwithstanding the foregoing, until the Effective Time, the Company shall use reasonable best efforts to ensure that not less than three persons who are directors on the date hereof shall remain members of the Board of Directors of the Company until the Effective Time.

(b) The Company's obligations to appoint Parent's designees to the Board of Directors of the Company shall be subject to Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder. The Company shall promptly take all actions reasonably necessary to effect the appointment of Parent's designees, including mailing to its shareholders information with respect to the Company and its officers and directors, as Section 14(f) and Rule 14f-1 require in order to fulfill its obligations under this Section 1.03(b), which, unless Parent otherwise elects, shall be mailed together with the Schedule 14D-9. Parent shall supply to the Company in writing and be solely responsible for any information with respect to itself and its nominees, officers, directors and affiliates required by Section 14(f) and Rule 14f-1 and the Company's obligations under Section 1.03(a) hereof shall be subject to the receipt of such information.

(c) Following the election or appointment of Parent's designees pursuant to Section 1.03(a) and until the Effective Time (as defined in Section 2.03 hereof), the approval of a majority of the directors of the Company then in office who were not designated by Parent (the "**Independent Directors**") shall be required to authorize (and such authorization shall constitute the authorization of the Board of Directors of the Company and no other action on the part of the Company, including any action by any other director of the Company, shall be required to authorize) (i) any termination of this Agreement by the Company, (ii) any amendment of this Agreement requiring action by the Board of Directors of the Company, (iii) any amendment to the Company's articles of incorporation and by-laws, (iv) any extension of time for performance of any obligation or action hereunder by Parent or Merger Sub and (v) any waiver of compliance with, or enforcement by the Company of, any of the agreements or conditions contained herein for the benefit of the Company.

Section 1.04. *Top-Up Option.*

(a) The Company hereby grants to Merger Sub an irrevocable option (the "**Top-Up Option**"), exercisable only on the terms and conditions set forth in this Section 1.04, to purchase at a price per share equal to the Offer Price paid in the Offer that number of newly issued shares of Common Stock (the "**Top-Up Shares**") equal to the lowest number of shares of Common Stock that, when added to the number of shares of Common Stock owned by Parent and its Subsidiaries at the time of exercise of the Top-Up Option, shall constitute one share more than 80% of the shares of Common Stock outstanding immediately after the issuance of the Top-Up Shares on a fully diluted basis (which assumes conversion or exercise of all derivative securities regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof). Upon Parent's request, the Company shall use its reasonable best efforts to cause its transfer agent to certify in writing to Parent the number of shares of Common Stock issued and outstanding as of immediately prior to the exercise of the Top-Up Option and after giving effect to the issuance of the Top-Up Shares. The Top-Up Option shall be exercisable only once, in whole but not in part, at any time following the Offer Closing and prior to the earlier to occur of (A) the Effective Time and (B) the termination of this Agreement in accordance with its terms.

(b) In the event Merger Sub wishes to exercise the Top-Up Option, Merger Sub shall deliver to the Company written notice (the "**Top-Up Notice**"), specifying (i) the number of shares of Common Stock owned by Parent and its Subsidiaries at the time of such notice (giving effect to the Offer Closing) and (ii) a place and a time for the closing of such purchase. The Company shall, as soon as practicable following receipt of the Top-Up Notice, deliver written notice to Merger Sub specifying, based on the information provided by Merger Sub in its notice, the number of Top-Up Shares to be purchased by Merger Sub. At the closing of the purchase of Top-Up Shares, the aggregate purchase price owed by Merger Sub to the Company for the Top-Up Shares shall be paid to the Company at Parent's election, either (i) entirely in cash, by wire transfer of same-day funds or (ii) by (A) paying in cash by wire transfer of same-day funds an amount equal to not less than the aggregate par value of the Top-Up Shares and (B) issuing to the Company a promissory note having a principal amount equal to the aggregate purchase price pursuant to the Top-Up Option less the amount paid in cash pursuant to the preceding clause (A) (the "**Promissory Note**"). The Promissory Note (i) shall bear simple interest at a rate of five percent (5%) per annum, payable in arrears at maturity, (ii) shall mature on the first anniversary of the date of execution of the Promissory Note, (iii) shall be full recourse to Parent and Merger Sub, (iv) may be prepaid, at any time, in whole or in part, without premium or penalty, and (v) shall have no other material terms. The Company shall cause to be issued to Merger Sub a certificate representing the Top-Up Shares or, if the Company does not then have certificated shares, the applicable number of Book-Entry Shares. Such

certificates or Book-Entry Shares may include any legends that are required by federal or state securities Laws. The parties hereto agree to use their reasonable best efforts to cause the closing of the purchase of the Top-Up Shares to occur on the same day that the Top-Up Notice is deemed received by the Company pursuant to Section 10.07, and if not so consummated on such day, as promptly thereafter as possible.

(c) Parent and Merger Sub acknowledge that no Top-Up Shares issued upon exercise of the Top-Up Option will be registered under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (together, the “**Securities Act**”) and that all such shares will be issued in reliance upon an applicable exemption from registration under the Securities Act. Each of Parent and Merger Sub hereby represents and warrants to the Company that Merger Sub is, and will be, upon the purchase of the Top-Up Shares, an “accredited investor,” as defined in Rule 501 of Regulation D under the Securities Act. Merger Sub agrees that the Top-Up Option and the Top-Up Shares to be acquired upon exercise of the Top-Up Option are being and will be acquired by Merger Sub for the purpose of investment and not with a view to, or for resale in connection with, any distribution thereof (within the meaning of the Securities Act).

(d) Any dilutive impact on the value of the shares of Common Stock as a result of the issuance of the Top-Up Shares shall not be taken into account in any determination of the fair value of any Dissenting Shares pursuant to Subchapter D of Chapter 15 of the PBCL as contemplated by Section 4.01(d).

Section 1.05. *The Merger.* Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the applicable provisions of the Pennsylvania Business Corporation Law of 1988 as amended (the “**PBCL**”), at the Effective Time, Merger Sub shall be merged with and into the Company and the separate corporate existence of Merger Sub shall thereupon cease. The Company shall be the surviving corporation in the Merger (the “**Surviving Corporation**”) and shall continue its corporate existence under Pennsylvania law as a wholly owned subsidiary of Parent.

Section 1.06. *Closing.* The closing of the Merger (the “**Closing**”) shall take place at the offices of K&L Gates LLP, 210 Sixth Avenue, Pittsburgh, PA 15222 at 10:00 a.m. (New York City, New York time) on a date to be specified by the parties which shall be no later than the second Business Day following the satisfaction or waiver of the conditions set forth in Article 8 (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions) (“**Closing Date**”), or at such other place, date and time as the Company and Parent may agree in writing.

Section 1.07. *Effective Time.* As soon as practicable following the Closing, the parties shall properly file with the Department of State of the Commonwealth of Pennsylvania articles of merger providing for the Merger (the “**Articles of Merger**”) in such form as is required by, and executed and acknowledged in accordance with, the relevant provisions of the PBCL. The Merger shall become effective at such date and time as the Articles of Merger are duly filed with the Department of State of the Commonwealth of Pennsylvania or, to the extent permitted by applicable Law, at such subsequent date and time as Parent and the Company shall agree and specify in the Articles of Merger. The date and time at which the Merger becomes effective is referred to in this Agreement as the “**Effective Time.**”

Section 1.08. *Effects of the Merger.* The Merger shall have the effects specified in this Agreement and as set forth in Section 1929 of the PBCL. Without limiting the generality of the foregoing, and subject thereto, after the Effective Time, all property, rights privileges, immunities, powers, franchises, licenses and authority of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities, obligations, restrictions and duties of each of the Company and Merger Sub shall become the debts, liabilities, obligations, restrictions and duties of the Surviving Corporation. At and after the Effective Time, the officers and directors of the Surviving Corporation shall be authorized to execute and deliver, in the name and on behalf of the Company, its Subsidiaries or Merger Sub, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of the Company, its Subsidiaries or Merger Sub, any other actions and things to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties and assets of the Company, its Subsidiaries and Merger Sub.

ARTICLE 2

ARTICLES OF INCORPORATION AND BYLAWS OF THE SURVIVING CORPORATION

Section 2.01. *The Articles of Incorporation.* The articles of incorporation of the Company as in effect immediately prior to the Effective Time shall be amended by virtue of the Merger at the Effective Time to be identical to the articles of incorporation of Merger Sub as in effect immediately prior to the Effective Time, except that Article I of such articles of incorporation shall be amended to read as follows: “The name of the corporation (hereinafter called the “Corporation”) is “Michael Baker Corporation”, and as so amended shall be the articles of incorporation of the Surviving Corporation until thereafter changed or amended, subject to Section 7.12 and otherwise as provided therein or by applicable Law.

Section 2.02. *Bylaws.* The bylaws of Merger Sub as in effect immediately prior to the Effective Time shall be the bylaws of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law.

ARTICLE 3

OFFICERS AND DIRECTORS OF THE SURVIVING CORPORATION

Section 3.01. *Directors.* Subject to applicable Law, the directors of Merger Sub immediately prior to the Effective Time shall be the directors of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be. Parent shall (a) amend its limited liability company operating agreement and other governing documents with effect on or prior to the Effective Date substantially to the effect set forth on Schedule 3.01 and (b) cause three of the current directors of the Company to be nominated and elected as managers of Parent with terms beginning at the Effective Time and to continue for at least three years thereafter, all in accordance with the terms set forth on Schedule 3.01.

Section 3.02. *Officers.* The officers of the Company immediately prior to the Effective Time shall be the officers of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly elected and qualified as set forth in the bylaws, as the case may be.

ARTICLE 4

CONVERSION OF SECURITIES

Section 4.01. *Conversion of Capital Stock.* At the Effective Time, as a result of the Merger and without any action on the part of the holder of any securities of the Company, Parent or Merger Sub:

(a) *The Company.*

(i) *Cancellation of Certain Common Stock.* Each share of Common Stock that is owned by Parent, Merger Sub or the Company (as treasury stock or otherwise) or any of their respective direct or indirect wholly-owned Subsidiaries shall automatically be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefore.

(ii) *Conversion of Remaining Common Stock.* Each share of Common Stock issued and outstanding immediately prior to the Effective Time (but excluding (x) shares to be cancelled and retired in accordance with Section 4.01(a)(i) and (y) Dissenting Shares) (each a “**Share**” or, collectively, the “**Shares**”) shall be converted into the right to receive the Offer Price in cash per Share (the “**Merger Consideration**”), without interest. At the Effective Time, all of the Shares shall cease to be outstanding, shall be cancelled and shall cease to exist, and each certificate (a “**Certificate**”, it being understood that any references herein to a “Certificate” or “Certificates” shall be deemed to include references, as applicable, to book-entry account statements relating to the ownership of Shares where appropriate) formerly representing any of the Shares shall thereafter represent only the right to receive the Merger Consideration for each such Share, without interest.

(b) *Merger Sub.* Each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become, in the aggregate, 10 validly issued, fully paid and nonassessable shares of common stock, par value \$0.01 per share, of the Surviving Corporation with the same rights, powers and privileges as the shares so converted and shall constitute the only outstanding shares of capital stock of the Surviving Corporation. From and after the Effective Time, all certificates representing the common stock of Merger Sub shall be deemed for all purposes to represent the number of shares of common stock of the Surviving Corporation into which they were converted in accordance with the immediately preceding sentence.

(c) *Adjustments.* If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of the Company shall occur as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or combination, exchange or readjustment of shares, or any stock dividend or stock distribution is declared with a record date during such period, the Merger Consideration shall be equitably adjusted to reflect such change.

(d) *Dissenting Shares.* Notwithstanding any provision of this Agreement to the contrary, including Section 4.01(a), shares of Common Stock issued and outstanding immediately prior to the Effective Time (other than shares cancelled in accordance with Section 4.01(a)(i)) and held by a record holder or beneficial owner who has not voted in favor of adoption of this Agreement or consented thereto in writing and who is statutorily entitled to exercise appraisal rights and who duly complies with all provisions of the PBCL concerning the right of holders of Common Stock to dissent from the Merger and seek appraisal of their shares (such shares of Common Stock being referred to collectively as the “**Dissenting Shares**” until such time as such holder fails to perfect or otherwise loses such holder’s dissenters rights under the PBCL with respect to such shares) shall not be converted into a right to receive the Merger Consideration, but instead shall be entitled to only such rights as are granted by Subchapter D of Chapter 15 of the PBCL; provided, however, that if, after the Effective Time, such holder fails to perfect, withdraws or loses such holder’s right to dissenters pursuant to Subchapter D of Chapter 15 of the PBCL or if a court of competent jurisdiction shall determine that such holder is not entitled to the relief provided by Subchapter D of Chapter 15 of the PBCL, such shares of Common Stock shall be treated as if they had been converted as of the Effective Time into the right to receive the Merger Consideration in accordance with Section 4.01(a)(ii), without interest thereon, upon surrender of such Certificate formerly representing such share. Notwithstanding anything to the contrary contained in Section 4.01(a)(ii), if the Merger is rescinded or abandoned prior to the Effective Time, then the right of any shareholder to be paid the fair value of such shareholder’s Dissenting Shares pursuant to Subchapter D of Chapter 15 of the PBCL shall cease. The Company shall provide Parent prompt written notice of any demands received by the Company for appraisal of shares of Common Stock, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the PBCL that relates to such demand, and Parent shall have the opportunity and right to direct all negotiations and proceedings with respect to such demands. Except with the prior written consent of Parent, the Company shall not make any payment with respect to, or settle or offer to settle, any such demands.

Section 4.02. *Exchange of Certificates.*

(a) *Exchange Agent.* Prior to the Effective Time, Parent shall appoint a U.S. bank or trust company reasonably acceptable to the Company (the “**Exchange Agent**”), pursuant to an agreement customary in form and substance, for the purpose of exchanging the Merger Consideration for (i) the Certificates or (ii) subject to Section 4.03, uncertificated Shares (the “**Uncertificated Shares**”).

(b) *Deposit of Funds.* Prior to or concurrent with the Effective Time, Parent shall deposit, or shall cause to be deposited, with the Exchange Agent, in trust for the benefit of holders of the Shares, the cash in U.S. dollars sufficient to pay the aggregate Merger Consideration in exchange for all Shares outstanding immediately prior to the Effective

Time (such cash referred to being hereinafter referred to as the “**Exchange Fund**”).

(c) *Letter of Transmittal.* Promptly after the Effective Time, Parent shall send, or shall cause the Exchange Agent to send, to each holder of Shares at the Effective Time a letter of transmittal and instructions for use in such exchange (the “**Letter of Transmittal**”). The Letter of Transmittal shall be in a form mutually agreed upon by Parent, the Company and the Exchange Agent, and shall specify that the delivery shall be effected, and risk of loss and title shall pass, only upon proper delivery of the Certificates or transfer of the Uncertificated Shares to the Exchange Agent.

(d) *Payment for Shares.* Each holder of Shares that have been converted into the right to receive the Merger Consideration shall be entitled to receive, upon (i) surrender to the Exchange Agent of a Certificate, together with a properly completed letter of transmittal, or (ii) receipt of an “agent’s message” by the Exchange Agent (or such other evidence, if any, of transfer as the Exchange Agent may reasonably request) in the case of a book-entry transfer of Uncertificated Shares, the Merger Consideration in respect of the Shares represented by a Certificate or Uncertificated Share. Until so surrendered or transferred, as the case may be, each such Certificate or Uncertificated Share shall represent after the Effective Time for all purposes only the right to receive such Merger Consideration.

(e) *Payment Other Than to Record Holder.* If any portion of the Merger Consideration is to be paid to a Person other than the Person in whose name the surrendered Certificate or the transferred Uncertificated Share is registered, it shall be a condition to such payment that (i) either such Certificate shall be properly endorsed or shall otherwise be in proper form for transfer or such Uncertificated Share shall be properly transferred and (ii) the Person requesting such payment shall pay to the Exchange Agent any transfer, documentary, stamp or similar taxes required as a result of such payment to a Person other than the registered holder of such Certificate or Uncertificated Share or establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

(f) *Closing of Transfer Books.* After the Effective Time, there shall be no further registration of transfers of Shares. If, after the Effective Time, Certificates or Uncertificated Shares are presented to the Surviving Corporation or the Exchange Agent, they shall be canceled and exchanged for the Merger Consideration provided for, and in accordance with the procedures set forth, in this Article 4.

(g) *Reversion; Escheat.* Any portion of the Exchange Fund that remains unclaimed by the holders of Shares one year after the Effective Time shall be returned to Parent, upon demand, and any such holder who has not exchanged Shares for the Merger Consideration in accordance with this Section 4.02 prior to that time shall thereafter look only to Parent for payment of the Merger Consideration in respect of such Shares without any interest thereon. Notwithstanding the foregoing, Parent shall not be liable to any holder of Shares for any amounts paid to a public official pursuant to applicable abandoned property, escheat or similar Laws. Any amounts remaining unclaimed by holders of Shares immediately prior to such time when the amounts would otherwise escheat to or become property of any Governmental Entity shall become, to the extent permitted by Applicable Law, the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

(h) *Investment of Exchange Fund.* The Exchange Agent shall invest any cash in the Exchange Fund as directed by Parent; *provided, however,* that any investment of such cash shall in all events be limited to direct short-term obligations of, or short-term obligations fully guaranteed as to principal and interest by, the U.S. government, in commercial paper rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$25 billion (based on the most recent financial statements of such bank that are then publicly available), and that no such investment or loss thereon shall affect the amounts payable pursuant to this Agreement. Any interest and other income resulting from such investments shall be paid to Parent. In the event the Exchange Fund shall be insufficient to make the payments contemplated by this Agreement, Parent shall, or shall cause the Surviving Corporation to, promptly deposit additional funds with the Exchange Agent in an amount which is equal to the deficiency in the amount required to make such payment. The Exchange Fund shall not be used for any purpose that is not expressly provided for in this Agreement.

(i) *Withholding.* Each of the Exchange Agent, Parent, Merger Sub and the Surviving Corporation and their respective agents shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to the Offer or under this Agreement to any holder of shares of Common Stock, and any amounts payable as described under Section 4.03, such amounts as are required to be withheld or deducted under the Internal Revenue Code of 1986 (the "**Code**") or any provision of applicable Federal, state, local or foreign Tax Law with respect to the making of such payment. To the extent that amounts are so withheld or deducted and paid over to the applicable Governmental Entity, such withheld or deducted amounts shall be treated for all purposes of this Agreement as having been paid to the holder the shares of Common Stock, Company Stock Options, Company Stock-Based Awards or Company Cash-Based Awards, as applicable, in respect of which such deduction and withholding were made.

(j) *Lost Certificates.* In the case of any Certificate that has been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such person of a bond in customary amount as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate a check in the amount of the number of Shares represented by such lost, stolen or destroyed Certificate multiplied by the Merger Consideration.

Section 4.03. *Company Stock Options; Company Stock-Based Awards; Company Cash-Based Awards; Company ESPP.*

(a) *Company Stock Options.* Immediately prior to the Effective Time, each then-outstanding option to purchase shares of Common Stock (a “**Company Stock Option**”) granted under the Michael Baker Corporation Long-Term Incentive Plan and the Michael Baker Corporation 1996 Non-employee Directors Stock Incentive Plan (the “**Company Stock Plans**”), whether or not vested or exercisable, shall become fully vested and exercisable contingent upon the Effective Time, and shall be, as of or immediately prior to the Effective Time, canceled and converted into the right to receive an amount in cash equal to the product of (i) the excess, if any, of the Merger Consideration over the applicable exercise price per share of such Company Stock Option, and (ii) the number of shares such holder could have purchased (without regard to whether the Company Stock Option is then vested) had such holder exercised such Company Stock Option in full immediately prior to the Effective Time. However, if the applicable exercise price per share of such Company Stock Option is equal to or exceeds the Merger Consideration, such Company Stock Option shall be canceled without payment of any consideration therefor and shall be of no further force and effect. Prior to the Effective Time, the Company, the Company’s Board and any applicable committees thereof shall take all actions necessary to terminate, adjust or amend the Company Stock Plans so that the Company Stock Options are cancelled and extinguished for the payments provided herein. Parent (and each of its Affiliates) is not assuming or continuing any Company Stock Option, stock awards or stock option grants made prior to the Effective Time, if any.

(b) *Company Stock-Based Awards.* Immediately prior to the Effective Time, the restrictions applicable to each then-outstanding Share of restricted stock granted under the Company Stock Plans (“**Company Stock-Based Award**”) shall lapse and, to the extent not previously vested, contingent upon the Effective Time, be deemed fully vested, and such Company Stock-Based Award shall be, as of or immediately prior to the Effective Time, converted into the right to receive the Merger Consideration pursuant to Section 4.02.

(c) *Company Cash-Based Awards.* Immediately prior to the Effective Time, each then-outstanding cash-based award (“**Company Cash-Based Award**”) granted under the Michael Baker Corporation Incentive Compensation Plan for 2013 shall be deemed to have been fully earned for the 2013 Plan Year, contingent upon the Effective Time. The aggregate amount to be awarded in Company Cash-Based Awards for the 2013 Plan Year (including interim awards paid on a quarterly basis prior to the Effective Time as well as the amounts paid under Section 4.03(e) pursuant to this Section 4.03(c)) shall be determined by applying the percentage performance tiers adopted for the 2013 Plan Year to the Company’s actual consolidated EBITDA for the period from and including January 1, 2013 through the Effective Time as compared to the Company’s 2013 budget targets for consolidated EBITDA for such period. Such aggregate amount shall be allocated by the Company pursuant to written instructions to be adopted by the Office of the Chief Executive Officer and Operating Committee prior to the Effective Time, which allocation principles shall be generally consistent with the Company’s past practices in respect of such awards.

(d) *Company ESPP.* Prior to the Effective Time, the Company shall take all actions necessary to (i) terminate the Michael Baker Corporation Employee Stock Purchase Plan (the “**Company ESPP**”) as of immediately prior to the Effective Time and (ii) provide that the rights of participants in the Company ESPP with respect to any “Purchase

Period” (as defined in the Company ESPP) in effect on or after the date hereof under the Company ESPP shall be determined by treating a Business Day to be determined by Company that is prior to the Closing Date as the last day of such Purchase Period (the “**Final Investment Date**”) and by making such other pro-rata adjustments as may be necessary to reflect the shortened Purchase Period, but otherwise treating such shortened Purchase Period as a fully effective and completed offering period for all purposes under the Company ESPP, in accordance with Section 4.2 of the Company ESPP. Any Shares of Common Stock acquired prior to or on the Final Investment Date shall be treated as outstanding Shares for purposes of Sections 4.01 and 4.02.

(e) *Payment Procedures.* All amounts payable pursuant to paragraphs (a) and/or (c) of this Section 4.03 to the holders of Company Stock Options and Company Cash-Based Awards shall be paid by the Surviving Corporation at the Effective Time. As soon as reasonably practicable following the date of this Agreement, the Company (and the Company's Board and any applicable committees thereof) shall take all actions and adopt such resolutions as may be required to give effect to and accomplish the transactions contemplated by this Section 4.03.

ARTICLE 5

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as disclosed in the Company SEC Documents (as hereinafter defined) filed prior to the date hereof (excluding any disclosures set forth in any such Company SEC Document under the headings "Safe Harbor Statement," "Risk Factors" or any similar section and any disclosures therein that are predictive, cautionary or forward-looking in nature) or as disclosed in the disclosure schedule delivered by the Company to Parent immediately prior to the execution of this Agreement (the "**Company Disclosure Schedule**"), the Company represents and warrants to Parent and Merger Sub as follows:

Section 5.01. *Organization, Good Standing and Qualification.* The Company and each of its Subsidiaries is a legal entity duly organized, validly existing and in good standing or is subsisting (with respect to jurisdictions that recognize the concept of good standing or subsisting) under the Laws of the jurisdiction of its organization and has the requisite corporate or similar power and authority to own, lease and operate its properties and assets and to carry on its business as presently conducted and is qualified to do business and is in good standing or subsisting (with respect to jurisdictions that recognize the concept of good standing or subsisting) as a foreign corporation or other legal entity in each jurisdiction where the ownership, leasing or operation of its assets or properties or the conduct of its business as presently conducted requires such qualification, except where (i) the failure of any of the Company's Subsidiaries to be so organized, existing, qualified or in good standing or to have such power or authority or (ii) the failure of the Company to be so qualified, be in good standing as a foreign corporation or have such authority has not had or would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. The Company has made available to Parent complete and correct copies of the Company's articles of incorporation and bylaws, each as amended to the date of this Agreement, and each as so made available is in full force and effect on the date of this Agreement.

Section 5.02. *Capital Structure.*

(a) The authorized capital stock of the Company consists of 50,000,000 shares of Common Capital Stock and 300,000 shares of Cumulative Preferred Stock. The Common Capital Stock is divided into two series, the Common Stock and the Series B Common Stock, of which there are 44,000,000 authorized shares of Common Stock and 6,000,000 authorized shares of Series B Common Stock. At the close of business on July 26 2013, (i) 9,684,631 shares of Common Stock were issued and outstanding (including 48,759 unvested shares under Company Stock-Based Awards), (ii) 525,489 shares of Common Stock were held in treasury, (iii) 1,087,865 shares of Common Stock were reserved for issuance under the Company Stock Plans, (iv) no shares of Series B Common Stock were outstanding, and (v) no shares of Cumulative Preferred Stock were outstanding. All outstanding shares of Common Stock, when issued in accordance with the terms thereof, were duly authorized, validly issued, fully paid and non-assessable and free of pre-emptive rights and all Liens. Section 5.02(a) of the Company Disclosure Schedule sets forth a complete and correct list as of July 26, 2013 of all outstanding Company Stock-Based Awards, Company Stock Options and each right of any kind, contingent or accrued, to receive shares of Common Stock (other than the Top-Up Option) or benefits measured in whole or in part by the value of a number of shares of Common Stock granted under the Company Stock Plans, Company Benefit Plans or otherwise (including restricted stock units, phantom units, deferred stock units and dividend equivalents), the number of shares of Common Stock issuable thereunder or with respect thereto and the exercise price (if any) and the Company has granted no other such awards since July 26, 2013 and prior to the date hereof.

(b) All outstanding shares of capital stock of, or other equity interests in, each Subsidiary of the Company are duly authorized, validly issued, fully paid and non-assessable, were not issued in violation of any preemptive or similar rights, purchase option, call or right of first refusal or similar rights, and are owned by the Company or by a wholly owned Subsidiary of the Company, free and clear of all Liens.

(c) Except as set forth in subsection (a) above, as of the date hereof, (i) the Company does not have any shares of its capital stock or other voting securities issued or outstanding other than shares of Common Stock that have become outstanding after July 26, 2013, which were reserved for issuance as of July 26, 2013 as set forth in subsection (a) above with respect to awards outstanding as of such date under Company Stock Plans and (ii) there are no outstanding subscriptions, options, warrants, calls, convertible or exchangeable securities, or other similar rights, undertakings, agreements or commitments of any kind to which the Company or any of the Company's Subsidiaries is a party obligating the Company or any of the Company's Subsidiaries to (A) issue, transfer or sell, or cause to be issued, transferred or sold, any shares of capital stock or other equity interests of the Company or any Subsidiary of the Company or securities convertible into or exchangeable for such shares or equity interests, (B) issue, grant, extend or enter into any such subscription, option, warrant, call, convertible securities or other similar right, undertaking, agreement or arrangement, (C) repurchase, redeem or otherwise acquire any such shares of capital stock or other equity interests, (D) provide a material amount of funds to, or make any material investment (in the form of a loan, capital contribution or otherwise) in, any Subsidiary, or (E) give any person the right to receive any economic benefit or right similar to or derived from the economic benefits and rights occurring to holders of Common Stock. Except for the issuance of shares of Common Stock that were reserved for issuance as set forth in subsection (a) above, and from July 26, 2013, to the date hereof, the Company has not declared or paid any dividend or distribution in respect of the Common Stock, and has not issued, sold, repurchased, redeemed or otherwise acquired any Common Stock, and its

Board of Directors has not authorized any of the foregoing.

(d) Except for awards to acquire or receive shares of Common Stock under a Company Stock Plan, neither the Company nor any of its Subsidiaries has outstanding bonds, debentures, notes or other obligations, the holders of which have the right to vote (or which are convertible into or exercisable for securities having the right to vote) with the shareholders of the Company on any matter.

(e) There are no voting trusts or other agreements or understandings to which the Company or any of its Subsidiaries is a party with respect to the voting of the capital stock or other equity interest of the Company or any of its Subsidiaries.

Section 5.03. *Corporate Authority; Approvals; Fairness Opinion.*

(a) The Company has the requisite corporate power and authority and has taken all corporate action necessary in order to execute, deliver and perform its obligations under this Agreement and to consummate the Merger, subject only to Company Shareholder Approval in the case of the Merger, to consummate the Merger and the other transactions contemplated hereby. This Agreement has been duly executed and delivered by the Company and, assuming this Agreement constitutes the legal, valid and binding agreement of Parent and Merger Sub, constitutes the legal, valid and binding agreement of the Company enforceable against the Company in accordance with its terms, subject to the Bankruptcy and Equity Exception.

(b) The Board of Directors of the Company, at a meeting duly called and held, duly adopted resolutions:

(i) determining that this Agreement, the Offer, the Merger and the other transactions contemplated by this Agreement are advisable and are fair to the Company's shareholders and are in the best interests of the Company;

(ii) approving this Agreement, the Offer, the Merger and the other transactions contemplated by this Agreement;

(ii) recommending to the holders of shares of Common Stock that they accept the Offer and tender their shares pursuant to the Offer;

(iii) proposing the Merger in accordance with Section 1922 of the PBCL by adopting a resolution approving this Agreement as a plan of merger for the purposes of Section 1922 of the PBCL;

(iv) directing that, if required under applicable Law to effect the Merger, this Agreement be submitted to a vote at a meeting of the Company's shareholders entitled to vote hereon; and;

17

(v) recommending that the Company's shareholders at any such meeting approve this Agreement and the Merger (including approval of this Agreement by the shareholders entitled to vote thereon so that this Agreement is adopted for the purposes of Section 1924 of the PBCL); (the foregoing recommendations in clauses (i) through (v) of this Section 5.03(b), collectively, the "**Company Recommendation**"), which resolutions have not, except after the date of this Agreement as permitted by this Agreement, including Section 7.02, been rescinded, modified or withdrawn. Except for the Company Shareholder Approval and the filing of the Articles of Merger with the Secretary of State of the Commonwealth of Pennsylvania, no other corporate proceedings on the part of the Company are necessary to authorize this Agreement or the consummation of the transactions contemplated hereby.

(c) As a result of bylaws duly and timely adopted by the Board of Directors of the Company, Subchapters E, G, H, I and J of Chapter 25 of the PBCL do not apply to the Company. The resolutions of the Board of Directors of the Company referred to in Section 5.03(b) constitute the only action necessary to render inapplicable to this Agreement, the Offer, the Merger, the other transactions contemplated hereby and compliance with the terms of this Agreement, the restrictions on "business combinations" (as defined in Section 2554 of the PBCL) set forth in Subchapter F of Chapter 25 of the PBCL, in each case to the extent, if any, such restrictions would otherwise be applicable to this Agreement, the Offer, the Merger, the other transactions contemplated hereby or compliance with the terms of this Agreement. An informational notice by Merger Sub with the Pennsylvania Securities Commission (the "**PA Takeover Notice**") will be required in order to perfect an exemption from the registration requirements of the Pennsylvania Takeover Disclosure Law, 70 P.S. §71, et seq., pursuant to 70 P.S. §78(a). Except as described in this Section 5.03(c), no other Takeover Statute, assuming the accuracy of the representations in Section 6.08, is applicable to this Agreement, the Offer, the Merger, the other transactions contemplated hereby or compliance with the terms of this Agreement. The Company is not party to a rights agreement, "poison pill" or similar agreement or plan.

(d) The Board of Directors of the Company has received the opinion of Houlihan Lokey Capital, Inc. (the "**Company Financial Advisor**") to the effect that, as of the date of such opinion, and subject to the various assumptions and qualifications set forth therein, including, without limitation, the Opinion Assumptions (as defined in such opinion), the Offer Price to be received by the holders of Common Stock in the Offer and the Merger is fair to such holders from a financial point of view and as promptly as practicable a copy of such opinion shall be provided by the Company to Parent, solely for informational purposes, following the date hereof.

Section 5.04. *Governmental Filings; No Violations.*

(a) Except for (i) compliance with, and filings under, the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations thereunder (the “**HSR Act**”), (ii) compliance with, and filings under, the Exchange Act and the Securities Act and the rules and regulations promulgated thereunder, including the filing with the SEC of the Schedule 14D-9 and, if the Shareholders Meeting is required pursuant to this Agreement, of a proxy statement relating to the Shareholders Meeting to be held in connection with this Agreement and the transactions contemplated hereunder (together with any amendments or supplements thereto, the “**Proxy Statement**”), (iii) compliance with state securities, takeover and “blue sky” Laws and the filing of documents with various state securities authorities that may be required in connection with the transactions contemplated hereby, (iv) the filing with the Department of State of the Commonwealth of Pennsylvania the Articles of Merger; (v) compliance with the applicable requirements of the NYSE MKT LLC (the “**NYSE MKT**”), and (vi) such other items as disclosed in Section 5.04(a) of the Company Disclosure Schedule (the items set forth above in clauses (i) through (vii), the “**Company Required Governmental Approvals**”), no notices, reports or other filings are required to be made by the Company with, nor are any consents, registrations, approvals or authorizations required to be obtained by the Company from, any domestic or foreign governmental or regulatory body, commission, agency, court, instrumentality, authority or other legislative, executive or judicial entity (each, a “**Governmental Entity**”) in connection with the execution, delivery and performance of this Agreement by the Company or the consummation of the Offer, the Merger and the other transactions contemplated hereby, except those that the failure to make or obtain, as the case may be, would not have or reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(b) The execution, delivery and performance of this Agreement by the Company does not, and the consummation of the Offer, the Merger and the other transactions contemplated hereby will not, constitute or result in (i) a breach or violation of, or a default under, the articles of incorporation or bylaws of the Company (in the case of the consummation of the Merger, assuming the Company Shareholder Approval is obtained), (ii) a breach or violation of, or a default under, the articles of incorporation or bylaws of any Subsidiary of the Company, or (iii) with or without notice, lapse of time or both, a breach or violation of, a termination (or right of termination) or default under, the creation or acceleration of any obligations under or the creation of a Lien on any of the assets of the Company or any of its Subsidiaries pursuant to any Company Material Contract, other than any such Lien (A) for Taxes or governmental assessments, charges or claims of payment not yet due, being contested in good faith or for which adequate accruals or reserves have been established on the most recent consolidated balance sheet included in the Company SEC Documents, (B) which is a carriers’, warehousemen’s, mechanics’, materialmen’s, repairmen’s or other similar Lien arising in the ordinary course of business, (C) which is disclosed on the most recent consolidated balance sheet of the Company or notes thereto or securing liabilities reflected on such balance sheet, or (D) which was incurred in the ordinary course of business since the date of the most recent consolidated balance sheet of the Company (each of the foregoing, a “**Permitted Lien**”), upon any of the properties or assets of the Company or any of the Company’s Subsidiaries, other than, in the case of the preceding clauses (ii) or (iii), any such items that would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 5.05. *SEC Filings.*

- (a) The Company has filed with or furnished to the SEC all reports, schedules, forms, statements, prospectuses, registration statements and other documents required to be filed or furnished by it since December 31, 2012 (collectively, together with any exhibits and schedules thereto and other information incorporated therein, the “**Company SEC Documents**”; together with any of the foregoing filed with or furnished to the SEC by the Company after the date hereof and prior to the Effective Time, the “**Company Filings**”).
- (b) No Subsidiary of the Company is required to file or furnish any report, statement, schedule, form or other document with, or make any other filing with, or furnish any material to, the SEC.
- (c) As of its filing date (and as of the date of any amendment), each Company Filing complied, and each Company Filing filed subsequent to the date hereof will comply, as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act, as the case may be.
- (d) As of its filing date (or, if amended or superseded by a filing prior to the date hereof, on the date of such filing), each Company Filing filed pursuant to the Exchange Act did not, and each Company Filing filed subsequent to the date hereof will not, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.
- (e) Each Company Filing that is a registration statement, as amended or supplemented, if applicable, filed pursuant to the Securities Act, as of the date such registration statement or amendment became effective, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading.
- (f) The Company maintains disclosure controls and procedures required by Rule 13a-15 or 15d-15 under the Exchange Act. Such disclosure controls and procedures are reasonably designed to ensure that information required to be disclosed by the Company is recorded and reported on a timely basis to the individuals responsible for the preparation of the Company SEC Reports. The Company maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15 or 15d-15, as applicable, under the Exchange Act). Such internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with United States generally accepted accounting principles (“**GAAP**”). Since December 31, 2012, the Company has not received any written notification of any (i) “significant deficiency” or (ii) “material weakness” (as defined in Rule 13a-15 or 15d-15, as applicable, under the Exchange Act) in the Company’s internal controls over financial reporting.

Section 5.06. *Financial Statements; Liabilities.*

(a) The audited consolidated financial statements and unaudited consolidated interim financial statements of the Company included in the Company SEC Documents fairly present in all material respects, in each case in accordance with GAAP applied on a consistent basis (except as may be indicated in the notes thereto), the consolidated financial position of the Company and its consolidated Subsidiaries as of the dates thereof and their consolidated results of operations and cash flows for the periods then ended (subject, in the case of the unaudited statements, to normal year-end audit adjustments and to any other adjustments described therein, including the notes thereto).

(b) There are no liabilities or obligations of the Company or any of its Subsidiaries of the type required to be disclosed in the liabilities column of a balance sheet prepared in accordance with GAAP, other than: (i) liabilities or obligations disclosed and provided for in the Company's audited consolidated balance sheet as at December 31, 2012 (the "**Company Balance Sheet**") or in the notes thereto, (ii) liabilities or obligations incurred in the ordinary course of business consistent with past practices in all material respects since December 31, 2012 (the "**Company Balance Sheet Date**") or arising or incurred in connection with or contemplated by this Agreement, and (iii) liabilities or obligations that would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 5.07. *Absence of Certain Changes.*

(a) Since December 31, 2012 through the date of this Agreement, except as contemplated by this Agreement, the business of the Company and its Subsidiaries has been conducted in all material respects in the ordinary course of business.

(b) Since December 31, 2012 through the date of this Agreement, there has not been any development, fact, change, event, effect, occurrence or circumstances that has had or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 5.08. *Compliance with Law.*

(a) The Company and each of its Subsidiaries is, and at all times since December 31, 2012 has been, in compliance with, and to the Knowledge of the Company is not under investigation with respect to nor has been threatened in writing to be charged with or given written notice of any violation of, any Applicable Law, except for failures to comply or violations that would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. There is no judgment, decree, injunction, rule or order of any arbitrator or

Governmental Entity outstanding against the Company or any of its Subsidiaries that would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. This Section 5.08(a) does not relate to employee benefits matters, environmental matters, Tax matters or intellectual property rights matters that are the subjects of Sections 5.10, 5.11, 5.12 and 5.14, respectively.

(b) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, (i) the Company and its Subsidiaries hold all governmental licenses, authorizations, permits, consents, approvals, variances, exemptions and orders necessary for the operation of the businesses of the Company and its Subsidiaries as currently conducted (the “**Company Permits**”), (ii) the Company and its Subsidiaries are in compliance with the terms of the Company Permits, and since December 31, 2012, there has occurred no violation of, default (with or without notice or lapse of time or both) under, or event giving to others any right of termination or cancellation of, with or without notice or lapse of time or both, any Company Permit, (iii) there is no event which has occurred that, to the Knowledge of the Company, would reasonably be expected to result in the revocation, cancellation, non-renewal or adverse modification of any such Company Permit, and (iv) the Merger, in and of itself, will not cause the revocation or cancellation of any such Company Permit.

(c) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, none of the Company, any Subsidiary of the Company, or any director or executive officer of any of them, or, to the Company’s Knowledge, any other officer, employee, agent or other Representative of the Company or any of its Subsidiaries, has, in the course of its actions for, or on behalf of, any of them (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity, (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds, (iii) violated any provision of any Anti-Bribery Law, or (iv) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee. Since December 31, 2012, neither the Company nor any of its Subsidiaries has received any written communication that alleges that the Company or any of its Subsidiaries, or any of their respective Representatives, is, or may be, in material violation of, or has, or may have, any material liability under, any Anti-Bribery Laws.

Section 5.09. *Litigation.*

(a) As of the date of this Agreement, (i) there is no investigation or review pending (or, to the Knowledge of the Company, threatened in writing) by any Governmental Entity with respect to the Company or any of the Company’s Subsidiaries which would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and (ii) there are no actions, suits, inquiries, investigations, arbitrations, mediations or proceedings pending (or, to the Knowledge of the Company, threatened in writing) against or affecting the Company, any of its Subsidiaries, or any of their respective properties at law or in equity before, and there are no orders, judgments or decrees of, or before, any Governmental Entity, in each case which would have, individually or in the aggregate, a Company Material Adverse Effect.

(b) As of the date of this Agreement, there are no civil, criminal or administrative actions, suits, claims, hearings, arbitrations, investigations or other proceedings pending or, to the Knowledge of the Company, threatened in writing against the Company that seek to enjoin, or would reasonably be expected to have the effect of preventing, making illegal, or otherwise materially interfering with, any of the transactions contemplated by this Agreement, except those that, individually or in the aggregate, are not reasonably likely to prevent, materially delay or materially impede the ability of Company to consummate the Merger or the other transactions contemplated by this Agreement.

Section 5.10. *Employee Benefits.*

(a) Section 5.10(a) of the Company Disclosure Schedule lists all material Company Benefit Plans. “**Company Benefit Plans**” means all employee or director benefit plans, programs, policies, agreements or other arrangements, including any employee welfare plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), any employee pension benefit plan within the meaning of Section 3(2) of ERISA (whether or not such plan is subject to ERISA), and any bonus, incentive, deferred compensation, vacation, stock purchase, stock option or other equity-based plan or arrangement, severance, employment, change of control, employment continuation, retention or fringe benefit plan, program or agreement (other than any “multiemployer plan” within the meaning of Section 4001(a)(3) of ERISA and any other plan, program or arrangement maintained by an entity other than the Company or a Company Subsidiary pursuant to any collective bargaining agreements), in each case that are sponsored, maintained or contributed to by the Company or any of its Subsidiaries for the benefit of current or former employees, directors or consultants of the Company or its Subsidiaries.

(b) Section 5.10(b) of the Company Disclosure Schedule lists all “multiemployer plans” (as defined in Regulation 4001.2 under ERISA) to which the Company or any ERISA Affiliate is obligated to contribute currently or has been obligated to contribute during the immediately preceding three years. The Company has made available to Parent all material written information that it has regarding potential withdrawal liability under such multiemployer plans, and, subject to, and in accordance with Sections 7.04 and 7.05, the Company shall use reasonable best efforts to assist Parent and Merger Sub in obtaining any additional, available material information regarding such multiemployer plans as Parent or Merger Sub shall reasonably request.

(c) Except as would not have, individually or in the aggregate, a Company Material Adverse Effect:

(i) each material Company Benefit Plan has been maintained and administered in compliance with its terms and with applicable Law, including ERISA and the Code to the extent applicable thereto, and in each case the regulations thereunder;

(ii) each of the Company Benefit Plans intended to be “qualified” within the meaning of Section 401(a) of the Code has received a favorable determination letter from the IRS or is entitled to rely upon a favorable opinion issued by the IRS, and there are no existing circumstances or any events that have occurred that would reasonably be expected to adversely affect the qualified status of any such Company Benefit Plan;

(iii) with respect to each Company Benefit Plan that is subject to Title IV of ERISA, the present value of the accrued benefits under such Company Benefit Plan, based upon the actuarial assumptions used for funding purposes in the most recent actuarial report prepared for such Company Benefit Plan’s actuary with respect to such Company Benefit

(iv) no Company Benefit Plan provides benefits, including death or medical benefits (whether or not insured), with respect to current or former employees or directors of the Company or its Subsidiaries beyond their retirement or other termination of service, other than (A) coverage mandated by applicable Law or (B) benefits under any “employee pension plan” (as such term is defined in Section 3(2) of ERISA);

(v) all contributions or other amounts payable by the Company or its Subsidiaries as of the date hereof with respect to each Company Benefit Plan in respect of current or prior plan years have been paid or accrued in accordance with GAAP;

(vi) neither the Company nor its Subsidiaries has engaged in a transaction in connection with which the Company or its Subsidiaries reasonably could be subject to either a civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a material Tax imposed pursuant to Section 4975 or 4976 of the Code; and

(vii) there are no pending, or to the Knowledge of the Company, threatened or anticipated claims (other than routine claims for benefits) by, on behalf of or against any of the Company Benefit Plans or any trusts related thereto which could individually or in the aggregate reasonably be expected to result in any material liability of the Company or any of its Subsidiaries.

(viii) no Company Benefit Plan exists that would result in the payment to any Company Employee of any money or other property or accelerate or provide any other rights or benefits to any Company Employee as a result of the consummation of the Offer, the Merger or any other transaction contemplated by this Agreement (whether alone or in connection with any other event); and

(ix) there is no Company Benefit Plan that, individually or collectively, would give rise to the payment of any amount that would not be deductible pursuant to the terms of Section 280G or Section 162(m) of the Code.

Section 5.11. *Environmental Matters.* Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (i) the Company and its Subsidiaries are, and at all times since December 31, 2012 have been, in compliance with all applicable Environmental Laws, (ii) none of the properties owned or, to the Company’s Knowledge, leased or operated by the Company or any of its Subsidiaries contains any Hazardous Materials as a result of any activity of the Company or any of its Subsidiaries in amounts exceeding the levels allowed or otherwise permitted by applicable Environmental Laws, (iii) since December 31, 2012, neither the Company nor any of its Subsidiaries has received any notices, demand letters or requests for information from any federal, state, local or foreign Governmental Entity indicating that the Company or any of its Subsidiaries may be in violation of, or liable under, any Environmental Law in connection with the ownership or operation of its businesses or any of their respective properties or assets, (iv) there have been no Releases of any Hazardous Material at, onto, or from any

For the avoidance of doubt, a Company Adverse Recommendation Change pursuant to this Section 7.02(f) shall not give rise to any termination right for the Company.

(g) *Disclosure Obligations.* Without limiting the generality or effect of any other provision hereof, nothing contained in this Agreement shall prohibit the Company or the Board of Directors of the Company (or any committee thereof) from (i) taking such action as the Company determines in good faith after consultation with outside legal counsel is required by its disclosure obligations under U.S. federal or state Law with regard to an Acquisition Proposal or any other matter, including taking and disclosing to its shareholders a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the Exchange Act (or any similar communication to shareholders) or (ii) making any "stop-look-and-listen" communication to the shareholders of the Company pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any similar communications to the shareholders of the Company); *provided, however,* that, in either case, neither the Company nor the Board of Directors of the Company shall effect, or disclose pursuant to such rules or otherwise, a position which constitutes a Company Adverse Recommendation Change unless permitted by this Section 7.02 (other than this Section 7.02(g)).

(b) Subject to the terms and conditions set forth in this Agreement, including Section 7.02 (e)-(h), and without limiting the foregoing, the Company and Parent shall (i) promptly, (A) but in no event later than fifteen days after the date hereof, make their respective filings and thereafter make any other required submissions under the HSR Act, (ii) use reasonable best efforts to cooperate with each other in (x) determining whether any filings are required to be made with, or consents, permits, authorizations, waivers or approvals are required to be obtained from, any third parties or other Governmental Entities in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby and (y) timely making all such filings and timely seeking all such consents, permits, authorizations or approvals, (iii) use reasonable best efforts to take, or cause to be taken, all other actions and do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective the transactions contemplated hereby, (iv) promptly inform the other party upon receipt of any material communication from the Antitrust Division of the United States Department of Justice or any other Governmental Entity regarding any of the transactions contemplated by this Agreement and (v) subject to applicable legal limitations and the instructions of any Governmental Entity, keep each other apprised of the status of matters relating to the completion of the transactions contemplated thereby, including promptly furnishing the other with copies of notices or other communications received by the Company or Parent, as the case may be, or any of their respective Subsidiaries, from any third party and/or any Governmental Entity with respect to such transactions. The Company and Parent shall permit counsel for the other party reasonable opportunity to review in advance, and consider in good faith the views of the other party in connection with, any proposed written communication to any Governmental Entity. Each of the Company and Parent agrees not to (A) participate in any substantive meeting or discussion, either in person or by telephone, with any Governmental Entity in connection with the proposed transactions unless it consults with the other party in advance and, to the extent not prohibited by such Governmental Entity, gives the other party the opportunity to attend and participate, (B) extend any waiting period under the HSR Act without the prior written consent of the other party (such consent not to be unreasonably withheld, conditioned or delayed), or (C) enter into any agreement with any Governmental Entity not to consummate the transactions contemplated by this Agreement without the prior written consent of the other party (such consent not to be unreasonably withheld, conditioned or delayed).

(c) In furtherance and not in limitation of the covenants of the parties contained in this Section 7.04, if any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any transaction contemplated by this Agreement as violative of any Antitrust Law, each of the Company and Parent shall cooperate in all respects with each other and shall use their respective reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement. Notwithstanding the foregoing or any other provision of this Agreement, nothing in this Section 7.04 shall limit a party's right to terminate this Agreement pursuant to Section 9.02 so long as such party has, prior to such termination, complied with its obligations under this Section 7.04.

(a) *Employment Agreements.* Parent shall cause the Surviving Corporation, its Subsidiaries and their permitted successors and assigns to honor and perform all employment or compensatory Contracts between the Company or any of its Subsidiaries, on the one hand, and any past or present employee or consultant of the Company or any of its Subsidiaries, on the other (including all Retention Awards and employment, employment continuation, severance, incentive, change in control and termination Contracts disclosed in Section 5.10(a) of the Company Disclosure Schedule) (in each case subject to any right to amend, modify or terminate such Contract in accordance with its terms). Without limiting the foregoing, the Surviving Corporation shall not, and Parent shall not permit the Surviving Corporation to, purport to amend or terminate the Key Employee Retention Plan or any award granted thereunder so as to or in any manner as reasonably could adversely affect the rights and entitlement of any Eligible Employee granted a Retention Award thereunder.

(b) *Employees.* During the period of one year beginning on the Effective Time, Parent shall provide or cause to be provided to each employee of the Company and its Subsidiaries as of the Closing Date who continue employment with Parent or any of its direct or indirect Subsidiaries, (each, an “**Affected Employee**”), while employed by the Company or any of its Subsidiaries, compensation and benefits (excluding any equity-based compensation) the value of which, in the aggregate, is at least substantially equivalent to the aggregate value of the compensation and benefits provided to such Affected Employee immediately prior to the Effective Time; *provided*, that, during such one year period (i) each Affected Employee, while employed by the Company or any of its Subsidiaries, shall be provided base wages or salary, as applicable, that are not less than the base wages or salary, as applicable, provided to such Affected Employee immediately prior to the Effective Time and (ii) each Affected Employee shall be provided severance benefits not less favorable than those provided to such Affected Employee immediately prior to the Effective Time.

(c) *Plans.* Parent shall cause any employee benefit plans (other than any equity based plans) which the Affected Employees are entitled to participate in after the Effective Time to take into account for purposes of eligibility, vesting, level of benefits and benefit accrual (but not for benefit accrual purposes under any defined benefit pension plan) thereunder, service for the Company and its Subsidiaries as if such service were with Parent, to the same extent such service was credited under a comparable plan of the Company or any of its Subsidiaries prior to the Effective Time (except to the extent it would result in a duplication of benefits or compensation with respect to the same period of service), and Affected Employees shall be immediately eligible to participate in any such plan(s), without any waiting time, to the extent such Affected Employee was eligible to participate in the comparable Company Benefit Plan immediately prior to the Effective Time. To the extent any health benefit plan replaces a Company Benefit Plan that is a health benefit plan in the plan year in which the Effective Time occurs, Parent shall, and shall cause its direct and indirect Subsidiaries (including the Surviving Corporation) to (i) waive all limitations as to preexisting conditions exclusions and all waiting periods with respect to participation and coverage requirements applicable to each Affected Employee to the extent waived or satisfied under the replaced Company Benefit Plan prior to the Effective Time and (ii) credit each Affected Employee for any co-payments, deductibles and other out-of-pocket expenses paid prior to the Effective Time under the terms of the replaced Company Benefit Plan in satisfying any applicable deductible, co-payment or out-of-pocket requirements for the plan year in which the Effective Time occurs.

(d) *Effect of Agreement.* Nothing contained in this Section 7.08 or any other provision of this Agreement, (i) shall be construed to establish, amend or modify any benefit or compensation plan, program, agreement, contract, policy or arrangement (except for limitations on the rights of the Surviving Corporation under the Key Employee Retention Plan as described in Section 7.08(a)), (ii) shall limit the ability of Parent or any of its Affiliates (including, following the Closing, the Surviving Corporation or any of its Subsidiaries) to amend, modify or terminate any benefit or compensation plan, program, agreement, contract, policy or arrangement at any time assumed, established, sponsored or maintained by any of them in accordance with the terms thereof and applicable Law (except for limitations on the rights of the Surviving Corporation under the Key Employee Retention Plan as described in Section 7.08(a)), (iii) shall create any third-party beneficiary rights or obligations in any Person (including any Affected Employee) other than the parties to this Agreement or any right to employment or continued employment or to a particular term or condition of employment with Parent, the Surviving Corporation, any of its Subsidiaries, or any of their respective Affiliates, other than the rights of employees party to individual employment or compensation Contracts or holding Retention Awards as described in Section 7.08(a), or (iv) subject to any obligations of the Surviving Corporation or its Subsidiaries under such employment or compensation Contracts and Retention Awards and to the severance obligations described in Section 7.08(b), shall limit the right of Parent (or its Subsidiaries) to terminate, in accordance with applicable Law, the employment or service of any employee or other service-provider

following the Effective Time.

Section 7.09. *Expenses.* Except as otherwise provided in this Agreement, whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement, the Offer, the Merger and the other transactions contemplated by this Agreement shall be paid by the party incurring such expense.

Section 7.10. *Indemnification; Directors' and Officers' Insurance.*

(a) To the fullest extent required or permitted by Law, (i) from and after the Offer Closing and through the Effective Time, Parent shall cause the Company, and (ii) from and after the Effective Time, Parent shall, and shall cause the Surviving Corporation to, indemnify and hold harmless, and advance expenses as incurred to, in each case to the fullest extent required or permitted under applicable Law, each present and former director or officer of the Company or any of its Subsidiaries, together with any Person listed on Schedule 7.10 who, as of the date of this Agreement, has been designated by the Board of Directors of the Company as an "indemnitee" pursuant to Article 6^b Section 2(a) of the Company's Articles of Incorporation (collectively, the "**Indemnified Parties**") against any costs, expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement (collectively, "**Costs**") incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or related to such Indemnified Parties' service as a director, officer or representative of the Company or any of its Subsidiaries or services performed by such Persons at the request of the Company or any of its Subsidiaries at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, including, for the avoidance of doubt, in connection with (i) the Offer, the Merger, the other transactions contemplated by this Agreement and the process and other events giving rise thereto and (ii) actions to enforce this provision or any other indemnification or advancement right of any Indemnified Party. In the event of any such action, Parent and the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, cooperate with the Indemnified Party in the defense of any such action.

(b) Following the Effective Time, Parent shall cause the Surviving Corporation to maintain in effect the provisions in its articles of incorporation and bylaws to the extent they provide for indemnification, advancement and reimbursement of expenses and exculpation of Indemnified Parties, as applicable, with respect to facts or circumstances occurring at or prior to the Effective Time, on the same basis as set forth in the certificate of incorporation and bylaws of the company in effect on the date of this Agreement, to the fullest extent permitted from time to time by applicable Law, which provisions shall not be amended except as required by applicable Law or to make changes permitted by applicable Law that would enlarge the scope of the Indemnified Parties' indemnification rights thereunder.

(c) Prior to the Effective Time, the Company may obtain and fully pay the premium for “tail” insurance policies for the extension of (i) the directors’ and officers’ liability coverage of the Company’s existing directors’ and officers’ insurance policies for the Indemnified Parties, and (ii) the Company’s existing fiduciary and employment practices liability insurance policies, in each case for a claims reporting or discovery period of at least six years from and after the Effective Time from an insurance carrier with the same or better credit rating as the Company’s insurance carrier as of the date of this Agreement with respect to directors’ and officers’ liability insurance and fiduciary and employment practices liability insurance (collectively, “**D&O Insurance**”) with benefits, terms, conditions, retentions and levels of coverage that are at least as favorable to the Indemnified Parties as the Company’s existing policies with respect to any matters that existed or occurred at or prior to the Effective Time (including in connection with this Agreement or the transactions or actions contemplated hereby). Whether pursuant to such tail policy or otherwise, the Surviving Corporation shall continue to maintain in effect for a period of at least six years from and after the Effective Time D&O Insurance with benefits, terms, conditions, retentions and levels of coverage that are at least as favorable to the insureds as provided in the Company’s existing policies as of the date of this Agreement, or the Surviving Corporation shall use reasonable best efforts to purchase comparable D&O Insurance for such six-year period with benefits, terms, conditions, retentions and levels of coverage that are at least as favorable to the insureds as provided in the Company’s existing policies as of the date of this Agreement; *provided, however*, that in no event shall the Surviving Corporation be required to expend for such policies pursuant to this sentence an annual premium amount in excess of 300% of the annual premiums currently paid by the Company for such insurance; and *provided, further*, that if the annual premiums of such insurance coverage exceed such amount, the Surviving Corporation shall obtain a policy with the greatest coverage available for a cost not exceeding such amount.

(d) If the Surviving Corporation or any of their respective successors or assigns (i) shall consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of its properties and assets to any individual, corporation or other entity, then, and in each such case, unless provided by operation of Law, proper provisions shall be made so that the successors and assigns of the Surviving Corporation shall assume all of the obligations set forth in this Section 7.10. This Section 7.10 may not be amended after the Effective Time in a manner as to adversely affect any Indemnified Person unless such Indemnified Person shall have consented in writing to such amendment.

(e) The provisions of this Section 7.10 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties, who are intended third-party beneficiaries of this Section 7.10 as of and following the Effective Time.

(f) The rights of the Indemnified Parties under this Section 7.10 shall be in addition to any rights such Indemnified Parties may have under the articles of incorporation, bylaws or comparable governing documents of the Company or any of its Subsidiaries, or under any applicable Contracts or Laws. All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time and rights to advancement of expenses relating thereto now existing in favor of any Indemnified Party as provided in the articles of incorporation, bylaws or comparable governing documents of the Company and its Subsidiaries or any indemnification agreement between such Indemnified Party and the Company or any of its Subsidiaries shall survive the Merger and shall not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such Indemnified Party.

Section 7.11. *Takeover Statutes.* If any Takeover Statute is or may become applicable to the Merger or the other transactions contemplated by this Agreement, each of the Company and Parent and Board of Directors of the Company shall each use reasonable best efforts to ensure that the Offer, the Merger and the other transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act to eliminate or minimize the effects of such Law on this Agreement, the Offer, the Merger and the other transactions contemplated hereby.

Section 7.12. *Continuity of Facilities and Personnel.*

(a) *Headquarters.* From and after the Effective Time, the Company's current headquarters in Moon Township, Pennsylvania, shall continue to be the principal business headquarters for the business of the Company as conducted by Parent and its Subsidiaries, including the Surviving Corporation, after the Effective Time.

(b) *Name.* From and after the Effective Time, the current name of the Company shall be the name of the Surviving Corporation.

(c) *Other Facilities and Personnel.* From and after the Effective Time, Parent and the Surviving Corporation shall to the extent commercially reasonable maintain in existence and at current staffing levels the Company's business locations, and shall continue consistent with the Company's past practices the corporate support provided to charitable and non-profit groups and organizations in the regions in which the Company's facilities are located and those in which it does business.

(d) *Disclosure.* In connection with the public announcement of the transactions contemplated by this Agreement, the Company and Parent shall publicly disclose the matters set forth in this Section 7.12.

Section 7.13. *Section 16 Matters.* Prior to the Effective Time, the Board of Directors of the Company shall be permitted to take all such steps as may be reasonably necessary or advisable to cause dispositions of Company equity securities pursuant to transactions contemplated by this Agreement by each individual who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 7.14. *Parent Vote.* Parent shall vote (or consent, by written action in lieu of a meeting, with respect to) all shares of common stock of Merger Sub in favor of the adoption of this Agreement by Merger Sub and the consummation by Merger Sub of the Merger and the transactions contemplated by this Agreement.

Section 7.15. *Financing.* Parent and Merger Sub shall use their respective reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and obtain the Financing on the terms and conditions described in the Financing Commitments, including using reasonable best efforts to (i) maintain in effect the Financing Commitments, (ii) negotiate definitive agreements with respect to the Debt Financing on terms and conditions (including, as necessary, the “flex” provisions contained in the redacted fee letter accompanying the Debt Financing Letter) as specified in the Debt Financing Letter (any such agreements, the “**Definitive Debt Agreements**”), (iii) satisfy on a timely basis (or obtain the waiver of) all conditions that are applicable to Parent or Merger Sub in the Debt Financing Commitment or the Definitive Debt Agreements, as applicable, and comply with its obligations thereunder, and (iv) upon the satisfaction or waiver of such conditions, consummate the Debt Financing at or prior to the Effective Time. In furtherance and not in limitation of the foregoing, in the event that all conditions to the Debt Financing Letter (and if Definitive Debt Agreements have been entered into, to such respective Definitive Debt Agreements) in each case, other than the availability of any of the financing contemplated under the Equity Financing Letter, have been satisfied or waived or upon the funding will be satisfied, and all of the conditions set forth in Section 8.1 (with respect to any funding of Debt Financing to occur at the Closing) have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the closing of the Debt Financing, the Offer Closing or the Closing, as applicable), Parent and Merger Sub shall use their reasonable best efforts to enforce their rights under the Debt Financing Letter and Definitive Debt Agreements, as the case may be, including by suit or other appropriate proceeding.

(b) Parent shall have the right from time to time to amend, modify or replace the Financing Commitments; provided, that Parent shall not, without the prior written consent of the Company, agree to, or permit, any amendment, modification or replacement of, or waiver under, the Financing Commitments or the definitive agreements relating to the Financing Commitments if such amendment, modification, replacement or waiver would (A) reduce the aggregate amount of the Financing (unless the Debt Financing or the Equity Financing is increased by a corresponding amount), (B) impose new or additional conditions or expand or amend any of the conditions precedent or contingencies to the funding on the Closing Date of the Financing that would reasonably be expected to (1) prevent, impede or delay the consummation of the Financing, the Offer Closing or the Closing, (2) make the funding of the Financing less likely to occur, or (3) adversely impact the ability of the Parent to enforce its rights against the other parties to the Financing Commitments or the definitive documents with respect thereto, or (C) reasonably be expected to (1) prevent, impede or delay the consummation of the Financing, the Offer Closing or the Closing, (2) make the funding of the Financing less likely to occur, or (3) adversely impact the ability of the Parent to enforce its rights against the other parties to the Financing Commitments or the definitive documents with respect thereto, without the prior consent of the Company; provided, further, that notwithstanding the foregoing, Parent may amend the Debt Financing Letter to add or replace lenders, lead arrangers, bookrunners, syndication agents or similar entities who had not executed the Debt Financing Letter as of the date of this Agreement if the addition of such parties individually or in the aggregate would not reasonably be expected to delay or prevent the consummation of the Debt Financing or the Offer Closing. Parent shall deliver to the Company copies of any such amendment, modification, replacement or waiver promptly upon its execution thereof. If, notwithstanding the use of reasonable best efforts by Buyer to satisfy its obligations under this Section 7.15(a), any portion of the Debt Financing or Definitive Debt Documents is terminated or expires or otherwise becomes unavailable on the terms and conditions (including the “flex” provisions contained in the redacted fee letter accompanying the Debt Financing Letter) specified in the Debt Financing Letter or the Definitive Debt Agreements, Parent shall promptly notify the Company and shall use its reasonable best efforts to arrange and obtain alternative financing from the same and/or alternative sources on terms and conditions not less favorable, taken as a whole, to Parent, than those contained in the Debt Financing Letter (“**Alternative Financing**”), upon terms and conditions which would not have any of the effects specified in clauses (A), (B) and (C) of this Section 7.15(a) as promptly as reasonably practicable following the occurrence of such event. Parent shall keep the Company informed on a

reasonably current basis of the status of its efforts to arrange the Financing and to satisfy the conditions thereof, including (1) giving the Company prompt written notice of any material adverse change with respect to the Debt Financing, including if at any time the Debt Financing Letter expires or is terminated for any reason or if any financing source party to the Debt Financing Letter notifies Parent that such source no longer intends to provide financing to Parent on the terms set forth therein, and (2) upon the Company's reasonable request, advising and updating the Company, in a reasonable level of detail, with respect to status and proposed funding date. For purposes of this Agreement, references to "**Financing**" and "**Debt Financing**" and "**Definitive Debt Agreements**" shall include the financing contemplated by the Debt Financing Letter as permitted by this Section 7.15(a) to be amended, modified or replaced and references to "**Debt Financing Letter**" shall include such documents as permitted by this Section 7.15(a) to be amended, modified or replaced, in each case from and after such amendment, modification, or replacement.

(c) The Company shall use reasonable best efforts, shall cause its Subsidiaries to use reasonable best efforts, and shall use its reasonable best efforts to cause each of its and their respective directors, officers, employees and Representatives (collectively for purposes of this Section 7.15(b), the “**Agents**”), to provide to Parent all reasonable cooperation requested in writing by Parent that is necessary in connection with the Debt Financing, including (i) furnishing Parent and its Financing Sources the Required Information, (ii) participating at reasonable times in a reasonable number of meetings (including customary one-on-one meetings among the parties acting as lead arrangers or agents for, and prospective lenders and purchasers of, the Debt Financing and senior management and Agents, with appropriate seniority and expertise, of the Company), presentations, road shows, due diligence sessions, drafting sessions and sessions with rating agencies in connection with the Debt Financing, (iii) assisting with the preparation of materials for rating agency presentations, bank information memoranda, offering documents, private placement memoranda and similar documents required in connection with the Debt Financing (including requesting any customary consents of accountants for use of their reports in any materials relating to the Debt Financing and the delivery of one or more customary representation letters), (iv) using reasonable efforts to obtain customary accountants’ comfort letters and customary legal opinions as reasonably requested by Parent, (v) reasonably cooperating with the pledging of collateral required to be pledged as of the Closing Date under the Debt Financing Letter, (vi) executing and delivering any documents as may be reasonably requested by Parent, (vii) causing the taking of corporate actions (subject to the occurrence of the Closing) by the Company and its Subsidiaries reasonably necessary to permit the completion of the Debt Financing, and (viii) facilitating the execution and delivery at the Closing of definitive documents related to the Debt Financing on the terms contemplated by the Debt Financing; *provided*, that such requested cooperation does not unreasonably interfere with the ongoing operations of the Company and its Subsidiaries and provided that such requested cooperation is of the type customarily provided in similar financings; *provided, further*, that, notwithstanding the foregoing, no obligations of the Company, its Subsidiaries or their respective Affiliates or Agents under any agreement, document or instrument executed or delivered by the Company, its Subsidiaries or their respective Affiliates or Agents pursuant to the Company’s obligations under this Section 7.15(b) shall be effective until the Closing; *provided, further*, that nothing herein shall require such assistance to the extent it would require the Company to pay (or to agree to pay) any fees, reimburse any expenses, incur any liability or give any indemnities prior to the Effective Time for which it is not promptly reimbursed or indemnified. The Company hereby consents to the reasonable use of the Company’s and its Subsidiaries’ logos in connection with the Debt Financing, provided that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage the Company or any of its Subsidiaries or the reputation or goodwill of the Company or any of its subsidiaries or any of their logos. For the purposes of this Agreement, “**Financing Sources**” shall mean the lenders and any other Persons that have committed to provide the Debt Financing, including any arrangers, book managers, administrative agents, collateral agents, or trustees part of the Debt Financing (and any of their representatives or agents) and their respective Affiliates and any of such entities’ or their respective Affiliates’ respective former, current or future general or limited partners, shareholders, managers, members, directors, officers, employees, representatives or agents or their heirs, executors, successors and assigns of any of the foregoing). For the purposes of this Agreement, “**Required Information**” shall mean, as of any date, all information regarding the Company and its Subsidiaries required by Regulation S-X and Regulation S-K under the Securities Act (including all audited financial statements and all unaudited financial statements (which shall have been reviewed by the independent accountants for the Company as provided in the procedures specified by the Public Company Accounting Oversight Board in AU 722) but excluding consolidating and other financial statements and data that would be required by Sections 3-10 and 3-16 of Regulation S-X, Item 402 of Regulation S-K and information regarding executive compensation) and all information regarding the Company and its Subsidiaries reasonably required for Parent to prepare pro forma financial information, prepared in accordance with, or reconciled to, GAAP, in each case (i) for a registration statement for a public offering of debt securities of the type contemplated by the Debt Financing Letter to be declared effective, and of the type and form customarily included in private placements of debt securities under Rule 144A under the Securities Act, to consummate the offering of high-yield debt securities contemplated by the Debt Financing Letters (which shall not include subsidiary financial statements that would be required under Rules

3-09, 3-10 or 3-16 of Regulation S-X or any compensation disclosure or analysis), and (ii) of the type contemplated in the Debt Financing Letter and form customarily included in information memoranda and other marketing documents used to syndicate credit facilities of the type to be included in the Debt Financing. If the Closing does not occur, Parent shall indemnify and hold harmless the Company and its Subsidiaries and their respective Agents for and against any and all losses actually suffered or incurred by them in connection with the arrangement of the Debt Financing, any action taken by them at the request of Parent pursuant to this Section 7.15(b) and any information utilized in connection therewith (other than information provided by the Company or its Subsidiaries). All non-public or otherwise confidential information regarding the Company or its Subsidiaries obtained by Parent or its Agents pursuant to this Section 7.15 shall be kept confidential in accordance with the Confidentiality Agreement.

(d) Notwithstanding the foregoing, Parent acknowledges and agrees that this Agreement, the Offer, the Merger and the other transactions contemplated hereby are not contingent on Parent's ability to obtain financing (including any Alternative Financing) or any specific amount or terms with respect to such financing.

ARTICLE 8

CONDITIONS

Section 8.01. *Conditions to Each Party's Obligation to Effect the Merger.* The respective obligation of each party to effect the Merger is subject to the satisfaction or waiver (to the extent permitted by applicable Law and other than the conditions set forth in Section 8.01(a) which may not be waived by any party) at or prior to the Effective Time of each of the following conditions:

- (a) *Shareholder Approval.* If the approval of this Agreement by the Company's shareholders is required under applicable Law in order to effect the Merger, this Agreement shall have been duly adopted by Company Shareholder Approval in accordance with applicable Law and the articles of incorporation and bylaws of the Company.

- (b) *No Injunction.* No Order (whether temporary, preliminary or permanent) by any Governmental Entity of competent jurisdiction in a jurisdiction in which any of the Company or Parent has substantial operations prohibiting consummation of the Merger shall have been issued and be continuing in effect. No Law shall have been enacted, issued, entered, promulgated or enforced by any Governmental Entity in such a jurisdiction that prohibits or makes illegal consummation of the Merger and shall continue to be in effect.

- (c) *Purchase of Common Stock in the Offer.* Merger Sub shall have previously accepted for payment all shares of Common Stock validly tendered and not validly withdrawn pursuant to the Offer (including pursuant to any "subsequent offering period" provided by Merger Sub pursuant to this Agreement).

Section 8.02. *Frustration of Closing Conditions.* None of the Company, Parent or Merger Sub may rely on the failure of any condition set forth in Section 8.01 to be satisfied to excuse such party's obligation to effect the Merger if such failure was caused by such party's breach of this Agreement.

ARTICLE 9

TERMINATION

Section 9.01. *Termination by Mutual Consent.* This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Effective Time, whether before or after the adoption of this Agreement by the shareholders of the Company referred to in Section 8.01(a), by mutual written consent of the Company and Parent.

Section 9.02. *Termination by Either Parent or the Company.* This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Effective Time by either Parent or the Company if:

(a) any Order by a Governmental Entity of competent jurisdiction in a jurisdiction in which any of the Company or Parent has substantial operations permanently restraining, enjoining or otherwise prohibiting consummation of the Offer or the Merger shall become final and non-appealable (whether before or after the adoption of this Agreement by the shareholders of the Company referred to in Section 8.01(a)); *provided, however,* that the terminating party shall have complied with its obligations under Section 7.04 (Reasonable Best Efforts); or

(b) if (i) the Offer Closing shall not have occurred on or before the Outside Date, and (ii) the party seeking to terminate this Agreement pursuant to this Section 9.02(c) shall not have breached in any material respect its obligations under this Agreement in any manner that shall have proximately caused or substantially contributed to the failure to consummate the Offer Closing on or before such date.

Section 9.03. *Termination by the Company.* This Agreement may be terminated and the Merger may be abandoned by the Company:

(a) at any time prior to the Offer Closing, in order to concurrently enter into an Alternative Acquisition Agreement for a Superior Proposal, *provided* that the Company has complied with Section 7.02, and the Company pays to Parent in immediately available funds any fees required to be paid pursuant to Section 9.05(c);

(b) at any time prior to the Offer Closing, if there has been a breach of any representation, warranty, covenant or agreement made by Parent or Merger Sub in this Agreement and such breach (i) is not curable by the Outside Date or, if curable, is not cured prior to the 30th day after written notice thereof is given by the Company to Parent and (ii) would reasonably be expected to have a material adverse effect on the ability of Parent and Merger Sub to perform their respective obligations hereunder (any such breach, a “**Purchaser Breach**”); *provided, however*, that the Company is not then in breach of this Agreement such that either clause (b) or clause (c) of the Offer Conditions would not be capable of being satisfied by the Outside Date; and *provided, further*, that notwithstanding the foregoing, the failure to pay any consideration when due hereunder shall not be entitled to a cure period;

(c) at any time prior to the Effective Time, if all of the Offer Conditions have been satisfied (other than those conditions that by their nature are to be satisfied at the Offer Closing) and Parent and Merger Sub fail to consummate the Offer Closing on or before the date on which the Offer Closing should have occurred pursuant to Section 1.01(e); or

(d) if Parent or Merger Sub shall have failed to commence the Offer within 15 Business Days of the date hereof (assuming the Company has timely complied with its obligations to cooperate with Parent and Merger Sub in connection with the Offer).

Section 9.04. *Termination by Parent.* This Agreement may be terminated and the Merger may be abandoned by Parent:

(a) at any time prior to the Offer Closing, if there has been a breach of any representation, warranty, covenant or agreement made by the Company in this Agreement such that either clause (b) or clause (c) of the Offer Conditions would not be capable of being satisfied by the Outside Date and such breach cannot be or is not cured prior to the 30th day after written notice thereof is given by Parent to the Company; *provided, however*, that there does not then exist any Purchaser Breach; or

(b) at any time prior to the Offer Closing if (i) the Company shall have entered into an Alternative Acquisition Agreement relating to any Acquisition Proposal, (ii) the Company shall have intentionally and materially breached Section 7.02, or (iii) a Company Adverse Recommendation Change shall have occurred.

Section 9.05. *Effect of Termination and Abandonment.*

(a) In the event of termination of this Agreement and the abandonment of the Offer and the Merger pursuant to this Article 9, this Agreement shall terminate and become void and of no effect with no liability to any Person on the part of any party hereto (or of any of its Representatives or Affiliates); *provided, however*, and notwithstanding anything in the foregoing to the contrary, (i) the provisions set forth in this Section 9.05, Article 10 (Miscellaneous and General) and the agreements of the Company, Parent and Merger Sub contained in Section 7.09 (Expenses), and any confidentiality agreement(s) shall survive the termination of this Agreement and (ii) nothing herein shall relieve the Company, Parent or Merger Sub from liability for (x) any Deliberate and material breach of any of its representations, warranties, covenants and agreements set forth in this Agreement occurring prior to such termination nor (y) in the case of Parent or Merger Sub, any failure of Parent and Merger Sub to consummate the Offer as provided by this Agreement notwithstanding satisfaction of all the Offer Conditions (other than conditions that by their nature are to be satisfied at the Offer Closing) or to perform their covenants in Section 7.15, and any aggrieved party shall be entitled to all rights and remedies at law or in equity, including the right of the aggrieved party to seek the benefit of its bargain (in the case of the Company, the bargain lost by the Company's shareholders); *provided, however*, that in connection with any Deliberate and material breach described in the foregoing clause (x), or any failure described in the foregoing clause (y), in no event shall the Company be entitled to any other rights or remedies at law or in equity in the event that it elects to receive (and does receive) the Parent Termination Fee, and in no event shall the Company be entitled to the Parent Termination Fee in the event that it elects to receive (and does receive) any other remedies at law or in equity with respect to such failure or breach. For purposes of this Agreement, "**Deliberate**" means an action or failure to act by or with the consent of an executive officer of the party where the executive officer has actual knowledge that such action or failure to act will constitute a breach of this Agreement; *provided however*, that failure by Parent to pay the aggregate Offer Price or the aggregate Merger Consideration when and if required by and in accordance with the terms of this Agreement shall be deemed Deliberate whether or not Financing or any other financing is available to Parent or Merger Sub.

(b) In the event that this Agreement is terminated by the Company pursuant to its rights under Section 9.03(b) or 9.03(c), then Parent shall pay to the Company or one or more Persons designated by the Company a termination fee of \$23,600,000 in cash (the "**Parent Termination Fee**") no later than two Business Days after the date of such termination (it being understood that in no event shall Parent be required to pay the Parent Termination Fee on more than one occasion), *provided, however*, that nothing herein shall limit the Company's rights to seek recovery for additional damages under Section 9.05(a).

(c) The Company shall pay to Parent or one or more Persons designated by Parent a termination fee of \$11,800,000 in cash (the “**Company Termination Fee**”) if this Agreement is terminated as follows, it being understood that in no event shall Company be required to pay the Company Termination Fee on more than one occasion, and *provided, however*, that nothing herein shall limit Parent’s rights to seek recovery for additional damages under Section 9.05(a):

(i) the Company shall pay to Parent the Company Termination Fee within two Business Days following termination pursuant to Section 9.03(a) or Section 9.04(b);

(ii) if (A) this Agreement is terminated pursuant to Section 9.02(b) or Section 9.04(a), (B) an Acquisition Proposal (including a previously communicated Acquisition Proposal) shall have been publicly announced or otherwise communicated to a member of the Board of Directors of the Company (or any Person shall have publicly announced or communicated a bona fide intention, whether or not conditional, to make an Acquisition Proposal) at any time prior to the date of termination, and (C) if within twelve months after the date of such termination, the Company enters into a definitive agreement to consummate, or consummates, or recommends to its shareholders, any Acquisition Proposal, then (upon the satisfaction of all of the conditions set forth in clauses (A) through (C) of this Section 9.05(c)(ii)), the Company shall pay to Parent the Company Termination Fee prior to entering into any definitive agreement with respect to, consummating or recommending, as applicable, an Acquisition Proposal; provided, however, that for purposes of this Section 9.05(c)(ii), the references in the definition of Acquisition Proposal to “15% or more” shall be deemed to be references to “a majority.”

(d) All amounts paid pursuant to this Section 9.05 shall be by wire transfer of immediately available funds to an account directed by the party hereto entitled to payment. ARTICLE 10

MISCELLANEOUS AND GENERAL

Section 10.01. *Survival.* None of the representations or warranties in this Agreement or in any document, certificate or instrument delivered pursuant to or in connection with this Agreement shall survive the Effective Time. This Section 10.01 shall not limit any covenant or agreement contained in this Agreement or in any document or instrument delivered pursuant to or in connection with this Agreement that by its terms applies in whole or in part after the Effective Time.

Section 10.02. *Modification or Amendment.* Subject to the provisions of the applicable Laws, at any time prior to the Effective Time, the parties hereto may modify or amend this Agreement by written agreement of the parties hereto. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a modification, amendment, or waiver of those rights. Notwithstanding anything to the contrary contained herein, Sections 10.05, 10.09, 10.15 and this Section 10.02 (and any provision of this Agreement to the extent a modification, waiver or termination of such provision would modify the substance of any of the foregoing provisions) may not be modified, waived or terminated in a manner that impacts or is adverse in any respect to a Financing Source without the prior written consent of such Financing Source.

Section 10.03. *Waiver of Conditions.* The conditions to each of the parties' obligations to consummate the Merger are for the sole benefit of such party and, together with the other provisions of this Agreement for the benefit of such party, may be waived in writing by such party in whole or in part to the extent permitted by applicable Laws.

Section 10.04. *Counterparts; Effectiveness.* This Agreement may be executed in any number of counterparts (including by pdf, facsimile or other readable electronic format), each such counterpart being deemed to be an original instrument, with the same effect as if the signatures thereto and hereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered (including by email or facsimile) to the other parties, and all such counterparts shall together constitute one and the same agreement.

Section 10.05. *Governing Law and Venue; Waiver of Jury Trial.*

(a) THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE COMMONWEALTH OF PENNSYLVANIA WITHOUT REGARD TO ANY CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD REQUIRE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION. Each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of the courts of the Commonwealth of Pennsylvania located in the City of Pittsburgh, Allegheny County, Pennsylvania, and, in each case, any appellate court therefrom (together, the "**Chosen Courts**"), for the purposes of any suit, action or other proceeding arising out of this Agreement or the Merger or any other transaction contemplated by this Agreement (and agrees that no such action, suit or proceeding relating to this Agreement shall be brought by it or any of its Subsidiaries except in such courts). Each of the parties further agrees that, to the fullest extent permitted by applicable Law, service of any process, summons, notice or document by U.S. registered mail to such person's respective address set forth below shall be effective service of process for any such action, suit or proceeding with respect to any matters to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence. Each of the parties hereto irrevocably and unconditionally waives (and agrees not to plead or claim), any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the Merger or any of the other transactions contemplated by this Agreement in the Chosen Courts, or that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (INCLUDING WITH RESPECT TO THE DEBT FINANCING LETTERS). EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.05.

(c) Notwithstanding the foregoing, each of the parties hereto hereby agrees that it shall not, and it shall not permit any of its Affiliates to, bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind of description, whether in law or in equity, whether in contract or in tort or otherwise, against any Financing Source, or any of its Affiliates, directors, officers, employees or Representatives, in any way relating to this Agreement or any of the transactions contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Financing or the performance thereof, in any forum other than a court of competent jurisdiction located within the Borough of Manhattan in the City of New York, New York, whether a state or Federal court, and that (i) the provisions of Section 10.05(b) relating to waiver of jury trial shall apply to such action, cause of action, claim, cross-claim or third-party claim and (ii) any such action, cause of action, claim, cross-claim or third-party claim shall be governed by and construed in accordance with the laws of the State of New York.

Section 10.06. *Specific Performance.* The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform their obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. Subject to the other provisions of this Section 10.06, the parties acknowledge and agree (and further agree not to take any contrary position in any litigation concerning this Agreement) that (a) the parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof (including the obligations of the parties hereto to consummate the Closing in accordance with Section 1.02) in the Chosen Courts without proof of damages or otherwise, and that such relief may be sought in addition to and shall not limit, diminish, or otherwise impair, any other remedy to which they are entitled under this Agreement, (b) the provisions set forth in Section 9.05 are not intended to and do not adequately compensate for the harm that would result from a breach of this Agreement and shall not be construed to limit, diminish or otherwise impair in any respect any party's right to specific enforcement, and (c) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, neither the Company nor Parent would have entered into this Agreement. The parties hereto acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.06 shall not be required to provide any bond or other security in connection with any such order or injunction. For the avoidance of doubt, notwithstanding anything herein to the contrary, while the Company may pursue any or all of (i) a grant of specific performance pursuant to this Section 10.06, (ii) damages for breach of this Agreement (but only to the extent permitted by Section 9.05(a)), and (iii) the payment of the Parent Termination Fee (only to the extent expressly permitted by Section 9.05(b)), under no circumstances shall Parent or Merger Sub be obligated to both specifically perform the terms of this Agreement and also pay the Parent Termination Fee (or any other damages contemplated by Section 9.05(a)). Notwithstanding anything to the contrary in this Agreement, the Company may obtain an injunction, specific performance or other appropriate form of equitable relief to cause Parent and Merger Sub to cause the Equity Financing to be funded only if each of the following has occurred (i) (x) with respect to any funding of the Equity Financing to occur at the Offer Closing, all the Offer Conditions have been satisfied or waived as of the expiration of the Offer, and (y) with respect to any funding of the Equity Financing to occur at the Closing, all the applicable conditions set forth in Section 8.01 have been satisfied if the Closing were to occur at such time (other than those conditions that, by their terms, are to be satisfied at the Closing, but subject in such case to their being capable of being satisfied at the Closing), (ii) the Debt Financing (or Alternative Financing) has been funded in accordance with the terms thereof or would be funded in accordance with the terms thereof at the Offer Closing or the Closing, as applicable, if the Equity Financing were to be funded at the Offer Closing or the Closing, as applicable, and (iii) with respect to any funding of the Equity Financing to occur at the Offer Closing, the Company has irrevocably confirmed to Parent in writing that, if the Equity Financing and the Debt Financing were funded, it would take such actions that are within its control to cause the Closing to occur.

Section 10.10. *Obligations of Parent and of the Company.* Whenever this Agreement requires a Subsidiary of Parent to take any action, such requirement shall be deemed to include an undertaking on the part of Parent to cause such Subsidiary (including, after the Effective Time, the Surviving Corporation and its Subsidiaries) to take such action. Whenever this Agreement requires a Subsidiary of the Company to take any action, such requirement shall be deemed to include an undertaking on the part of the Company to cause such Subsidiary to take such action and, after the Effective Time, on the part of the Surviving Corporation to cause such Subsidiary to take such action.

Section 10.11. *Definitions.* Each of the terms set forth in Annex A is defined as set forth therein or as in the Section of this Agreement corresponding to such term.

Section 10.12. *Severability.* The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 10.13. *Interpretation; Construction.*

(a) The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section or Exhibit, such reference shall be to a Section of or Exhibit to this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” All pronouns and all variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the Person may require. Where a reference in this Agreement is made to any agreement (including this Agreement), contract, statute or regulation, such references are to, except as context may otherwise require, the agreement, contract, statute or regulation as amended, modified, supplemented, restated or replaced from time to time (in the case of an agreement or contract, to the extent permitted by the terms thereof); and to any section of any statute or regulation including any successor to the section and, in the case of any statute, any rules or regulations promulgated thereunder. All references to “dollars” or “\$” in this Agreement are to United States dollars. All references to “days” shall be to calendar days unless otherwise indicated as a “Business Day.”

(b) The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

(c) The mere inclusion of any item in any section or subsection of the Company Disclosure Schedule as an exception to any representation or warranty or otherwise shall not be deemed to constitute an admission by the Company, or to otherwise imply, that any such item has had or would reasonably be expected to have a Company Material Adverse Effect or otherwise represents an exception or material development, fact, change, event, effect, occurrence or circumstance for the purposes of this Agreement, or that such item meets or exceeds a monetary or other threshold specified for disclosure in this Agreement. Matters disclosed in any section or subsection of the Company Disclosure Schedule are not necessarily limited to matters that are required by this Agreement to be disclosed therein. Headings inserted in the sections or subsections of the Company Disclosure Schedule are for convenience of reference only and shall not have the effect of amending or changing the express terms of the sections or subsections as set forth in this Agreement.

Section 10.14. *Assignment.* This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, legal representatives and permitted assigns. No party to this Agreement may assign any of its rights or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other party hereto; *provided, however,* that Merger Sub shall be permitted to assign its rights and obligations under this Agreement to any Subsidiary of Parent; *provided, further, however,* that such assignment by Merger Sub shall not (i) relieve Parent or Merger Sub of any of its obligations hereunder or enlarge, alter or change any obligation of the Company or (ii) impede or delay the consummation of the Merger or the other transactions contemplated by this Agreement. Any purported assignment in violation of this Agreement is void.

Section 10.15. *Remedies*

(a) Notwithstanding anything in this Agreement to the contrary, none of the Financing Sources acting in the capacities set forth in the Debt Financing Letter shall have any liability or obligation with respect to any claims or actions arising out of or relating to any breach or termination of or under this Agreement or any of the transactions contemplated hereunder, and in no event shall any party hereto, any of their respective Subsidiaries or Affiliates or any of such entities' officers, directors, employees or Representatives seek any recovery, judgment or damages of any kind, including consequential, indirect or punitive damages, against any Financing Source, by the enforcement of any assessment or by any legal or equitable proceeding against any Financing Source, by virtue of any statute, regulation or applicable Law, or otherwise, whether at law or in equity, in contract, in tort or otherwise, in each case in connection with this Agreement or the transactions contemplated hereunder; provided, that nothing contained herein is intended or shall be construed to limit any obligations of the Financing Sources under the Debt Financing Letter or, to the extent applicable, Definitive Debt Agreements or the remedies available to Parent and/or, to the extent applicable, Merger Sub under the Debt Financing Letter or, to the extent applicable, Definitive Debt Agreements.

(b) Subject to the foregoing, solely as it relates to the Financing Sources, this Agreement may only be enforced, and any claim or cause of action based upon, arising out of, or related to this Agreement may only be brought, against the entities that are expressly named as parties hereto and then only with respect to the obligations set forth herein with respect to such party.

Re: Acquisition of Michael Baker Corporation

Ladies and Gentlemen:

Reference is made to the Agreement and Plan of Merger, dated as of the date hereof (the "**Merger Agreement**"), by and among INTEGRATED MISSION SOLUTIONS, LLC, a Delaware limited liability company ("**Parent**"), PROJECT STEEL MERGER SUB, INC., a Delaware corporation ("**Acquisition Sub**"), and MICHAEL BAKER CORPORATION, a Pennsylvania corporation (the "**Company**"), pursuant to which Acquisition Sub, or its permitted assignees, will be merged with and into the Company (the "**Merger**"). This letter is being delivered to Parent to induce the Company to enter into the Merger Agreement. Capitalized terms used but not defined herein have the meanings ascribed to them in the Merger Agreement.

1. **Commitment.** Thomas J. Campbell ("**Sponsor**") hereby commits, subject to the terms and conditions set forth herein, that he shall purchase, or shall cause the purchase of, equity interests of Parent for an aggregate amount equal to \$52,500,000 (the "**Commitment**"), solely for the purpose of funding, and to the extent necessary to fund, a portion of the aggregate payment by Acquisition Sub for shares of Common Stock validly tendered and accepted for payment as of the Offer Closing Date and the Merger Consideration as of the Closing, in each case pursuant to and in accordance with the Merger Agreement, together with related expenses; *provided*, that Sponsor shall not, under any circumstances, be obligated to contribute to, purchase equity or debt of, or otherwise provide funds to Parent or Acquisition Sub in any amount in excess of the Commitment. Sponsor may effect the purchase of the equity interests of Parent directly or indirectly through one or more affiliated entities, provided, however, that no such action will reduce the amount of the Commitment or otherwise affect the obligations of the Sponsor under this letter agreement. The amount of the Commitment to be funded under this letter agreement may be reduced in an amount specified by Parent but only to the extent that Parent has consummated the transactions contemplated by the Merger Agreement with Sponsor contributing, or causing to be contributed, less than the full amount of the Commitment.

2. Use of Proceeds. The proceeds of the Commitment will be contributed by Parent to Acquisition Sub in exchange for common equity of Acquisition Sub and used by Acquisition Sub solely to provide a portion of the funds needed to consummate the purchase of the shares of Common Stock validly tendered and accepted for payment as of the Offer Closing Date and the Merger Consideration as of the Closing and to pay transaction expenses in connection with the Offer and the Merger.

3. Conditions. The Commitment shall be subject to (a) the execution and delivery of the Merger Agreement by the Company, (b) the satisfaction or waiver at the Offer Closing Date of each of the Offer Conditions, (c) with respect to the portion of the Commitment not required to be funded in order to consummate the Offer, the satisfaction or waiver at the Closing of each of the conditions to Parent's and Acquisition Sub's obligations to consummate the Merger, (d) the substantially concurrent funding of the financing transactions contemplated under the Debt Financing Letter (as may be amended or replaced in accordance with Section 7.15 of the Merger Agreement), and (e) the contemporaneous consummation of the Offer or the Merger, as applicable.

4. Enforceability. Except for the Company's rights to specific performance under Section 10.06 of the Merger Agreement solely with respect to Parent and Acquisition Sub, for which purpose, and for which purpose only, the Company is named as an express third party beneficiary of this letter agreement, this letter agreement may only be enforced by Sponsor and Parent at the direction of Sponsor, and may not be otherwise specifically enforced. Parent's creditors shall have no right to enforce this letter agreement or to cause Parent to enforce this letter agreement

5. Termination. The obligation of Sponsor to fund the Commitment will terminate automatically and immediately upon the earliest to occur of (a) the valid termination of the Merger Agreement in accordance with its terms, (b) the Closing if the obligation is satisfied at the Closing, and (c) the Company or any of its affiliates, directly or indirectly, asserting a claim against any of the former, current and future equity holders, controlling persons, directors, officers, employees, agents, affiliates, members, managers, general or limited partners, or assignees of Sponsor, Parent or Acquisition Sub or any former, current or future equity holder, controlling person, director, officer, employee, agent, affiliate, member, manager, general or limited partner, or assignee of any of the foregoing (collectively, but not including Sponsor, Parent or Acquisition Sub, each a "Non-Recourse Party") in connection with the Merger Agreement or any of the transactions contemplated thereby, provided, however, that clause (c) above does not apply to claims against Sponsor for breach of the Facilitation Agreement or this Agreement or against Parent or Acquisition Sub.

6. No Modification; Entire Agreement. This agreement may not be amended, modified or supplemented, or any provision hereof waived, except by an agreement in writing signed by Parent and Sponsor and, to the extent that any such amendment, modification, supplement or waiver would impact or be material adverse to any right or interest of the Company, the Company. This letter agreement constitutes the sole and entire agreement among Sponsor or any of his affiliates, on the one hand, and Parent or any of its affiliates, on the other, with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, among the foregoing with respect to such subject matter.

7. Parties in Interest; Third Party Beneficiaries. Except as set forth in Section 4, this letter agreement is for the sole benefit of and shall be binding upon Parent and Sponsor and their respective successors and permitted assigns and nothing in this letter agreement, express or implied, is intended to or shall confer upon any person other than Parent and Sponsor any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this letter agreement.

8. Governing Law; Submission to Jurisdiction; Venue. (a) This Agreement shall be governed by and construed in accordance with the internal laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of laws provision or rule (whether of the Commonwealth of Pennsylvania or any other jurisdiction) that would require application of the law of any other jurisdiction.

(b) In the event of any action to enforce or relating to the Company's rights as an express third-party beneficiary of this Agreement, each of Parent and Sponsor irrevocably and unconditionally submits to the exclusive jurisdiction of the Chosen Courts for the purposes of any suit, action or other proceeding arising out of this Agreement (and agrees that no such action, suit or proceeding relating to this Agreement shall be brought by it or any of its affiliates, successors or assigns except in such Chosen Courts). Each of Sponsor and Parent further agrees that, to the fullest extent permitted by applicable Law, service of any process, summons, notice or document by U.S. registered mail to such person's respective address set forth in the Merger Agreement shall be effective service of process for any such action, suit or proceeding with respect to any matters to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence. Each of Parent and Sponsor irrevocably and unconditionally waives (and agrees not to plead or claim), any objection to the laying of venue of any action, suit or proceeding that is the subject of this Section 8(b) in the Chosen Courts, or that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

9. Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this letter is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this letter or the transactions contemplated hereby.

10. No Assignment. The Commitment evidenced by this letter shall not be assignable by Parent without the prior written consent of both Sponsor and the Company, and the granting of such consent in a given instance shall be solely in the discretion of Sponsor and the Company respectively, and, if granted, shall not constitute a waiver of this requirement as to any subsequent assignment. Except as expressly permitted in Section 1 hereof, no transfer of any rights or obligations hereunder by Sponsor shall be permitted without the prior written consent of both Parent and the Company. Any purported assignment of this commitment in contravention of this Section 10 shall be void.

11. Counterparts. This letter may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this letter delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

12. Confidentiality. This letter agreement shall be treated as confidential and is being provided to Parent solely in connection with the Merger. This letter agreement may not be used, circulated, quoted or otherwise referred to in any document, except with the written consent of Sponsor and Parent. The foregoing notwithstanding, this letter shall be provided to the Company and the Company and the undersigned may disclose the existence of this letter to (a) its affiliates and representatives and (b) to the extent required by law, the applicable rules of any national securities exchange or in connection with any securities regulatory agency filings relating to the Offer or the Merger.

13. No Recourse. Notwithstanding anything that may be expressed or implied in this letter agreement or any document or instrument delivered in connection herewith, by its acceptance of the benefits of this letter agreement, Parent acknowledges and agrees that no person other than Sponsor and Parent has any obligations hereunder and that no recourse shall be had hereunder or under any document or instrument delivered in connection herewith, or for any claim based on, in respect of, or by reason of, such obligations or their creation, against, and no personal liability shall attach to, any Non-Recourse Party through Parent, Acquisition Sub or otherwise, whether by or through attempted piercing of the corporate veil, by or through a claim by or on behalf of Parent against any Non-Recourse Party, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable law, or otherwise. Recourse against Sponsor pursuant to this letter agreement shall be the sole and exclusive remedy of Parent and all of its affiliates against Sponsor and the Non-Recourse Parties in respect of any liabilities or obligations arising under, or in connection with, the Merger Agreement or the transactions contemplated thereby.

Attention: Thomas Campbell, President

Re: Acquisition of Michael Baker Corporation/Project Steel

Ladies and Gentlemen:

You have advised Jefferies Finance LLC (“*Jefferies Finance*”, “*we*” or “*us*”) that Integrated Mission Solutions, LLC, a Delaware limited liability company (the “*Acquiror*” or “*you*”) controlled by DC Capital Partners, LLC (the “*Sponsor*”), intends to acquire (the “*Acquisition*”) all of the issued and outstanding capital stock of Michael Baker Corporation, a Pennsylvania corporation (the “*Target*” and, together with its subsidiaries, the “*Acquired Business*”) and to refinance (together with any applicable prepayment premium or fee, with the commitments thereunder being terminated, and all guarantees and security in respect thereof being released) substantially all of the existing indebtedness for borrowed money (the “*Existing Debt*”) of the Acquiror and its subsidiaries and the Acquired Business (the “*Refinancing*”). We understand that the Acquisition will be effected as follows:

(i) the Acquiror shall form a new wholly-owned subsidiary organized under the laws of Pennsylvania (“*MergerCo*”) which will acquire, in a “friendly” negotiated transaction, 100% of the issued and outstanding shares of common stock (the “*Shares*”) of the Target by way of (x) a cash tender offer (the “*Tender Offer*”) for any and all of the Shares of the Target, subject to the Minimum Tender Condition (as defined below) and (y) on the Closing Date (as hereinafter defined), a merger of MergerCo with and into the Target (the “*Merger*”) in accordance with the Purchase Agreement (as defined on Exhibit D hereto) and all applicable law, with the Target, as the surviving corporation of the Merger, to be a wholly-owned subsidiary of the Acquiror; and

(ii) if on the Closing Date the Minimum Tender Condition is satisfied but the 80% Condition (as defined below) is not satisfied, then MergerCo shall make one or more additional purchases (such additional purchases, “*Top-Off Purchases*”) of Shares of the Target on the Closing Date as provided in the Purchase Agreement (such additional Shares, “*Top-Off Shares*”) for the purposes of satisfying the 80% Condition.

As used herein, (i) the term “**Minimum Tender Condition**” means that at least a majority of the fully diluted Shares have been validly tendered and delivered for purchase (and not withdrawn) pursuant to the Tender Offer prior to the expiration of the Tender Offer and that, on the Closing Date, at least a majority of the fully diluted Shares have actually been purchased pursuant to the Tender Offer and (ii) the term “**80% Condition**” means the satisfaction of the following conditions on the Closing Date (as a result of Top-Off Purchases or otherwise): (a) at least 80% of the fully diluted Shares have been validly tendered and not withdrawn pursuant to the Tender Offer and (b) a “short form” merger may be effected under applicable law and without any consent from any governmental authority or any shareholder of the Target other than MergerCo.

Capitalized terms used but not defined herein and defined in any exhibit hereto have the meanings assigned to them in such exhibit.

You have advised us that the total purchase price for the Acquisition (including fees, commissions and expenses and the Refinancing) (the “**Purchase Price**”) will be financed from the following sources:

- (i) up to \$70.0 million of borrowings under a \$100.0 million senior secured first lien asset based revolving credit facility having the terms set forth in Exhibit A hereto (the “**Revolving Credit Facility**” or the “**Senior Credit Facility**”),
- (ii) the issuance and sale (the “**Notes Offering**”) of Senior Secured Notes (the “**Notes**”) yielding gross proceeds of \$340.0 million (or, if the offering of the Notes is not consummated prior to, or concurrently with, the Acquisition, the drawdown of senior secured increasing rate loans (the “**Bridge Loans**”) under a senior secured bridge loan facility having the terms set forth in Exhibits B and C hereto (the “**Bridge Loan Facility**” and, together with the Senior Credit Facility, the “**Facilities**”) in an aggregate principal amount of \$340.0 million),
- (iii) the contribution (the “**Equity Contribution**”) in cash of at least \$52.5 million by the Sponsor to the Borrower as common equity,
- (iv) at least \$87.0 million of existing unrestricted cash on the balance sheet of the Target (the “**Existing Target Cash**”), and
- (v) at least \$15.0 million of existing unrestricted cash on the balance sheet of the Acquiror (the “**Existing Acquiror Cash**”).

The transactions described in clauses (i) and (ii) above are referred to as the “*Debt Financing*” and, together with the Acquisition, the Top-Off Purchases, the Merger, the Refinancing and the Equity Contribution and the payment of all related fees, commissions and expenses are collectively referred to herein as the “*Transactions*.” You and your subsidiaries (and, following the Acquisition, the Target and its subsidiaries) are collectively referred to herein as the “*Company*.” As used in this Commitment Letter and the other Debt Financing Letters (as defined below), the words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.”

We are pleased to inform you that we hereby commit, directly or through one or more of our affiliates, to provide the Facilities.

2

The commitments described in this Section 1 are collectively referred to herein as the “**Commitments**.” Our Commitments are, in each case, on the terms and subject to the conditions set forth in (i) this letter (including the exhibits, schedules and annexes hereto, collectively, this “**Commitment Letter**”), (ii) the fee letter, dated the date hereof (the “**Fee Letter**”), between you and us, and (iii) the engagement letter, dated the date hereof (together with any exhibits, schedules and annexes thereto, collectively, the “**Engagement Letter**” and, together with this Commitment Letter and the Fee Letter, the “**Debt Financing Letters**”), between you and Jefferies LLC (“**Jefferies**”). Notwithstanding anything to the contrary in any Debt Financing Letter, the terms of this Commitment Letter are intended as an outline of certain of the material provisions of the Facilities, but do not include all of the terms, covenants, representations, warranties, default clauses and other provisions that will be contained in the definitive documents relating to the Debt Financing, which shall be prepared by our counsel (collectively, the “**Definitive Debt Documents**”); *provided* that there shall be no closing condition contained in the Definitive Debt Documents that is not specifically set forth in Section 3 hereof, on Exhibit A or B to this Commitment Letter under the heading “Conditions Precedent to Initial Borrowing” or on Exhibit D to this Commitment Letter. Those matters that are not covered or made clear in the Debt Financing Letters are subject to mutual agreement of the parties hereto. No party hereto has been authorized by us to make any oral or written statements or representations that are inconsistent with the Debt Financing Letters.

2. Titles and Roles. As consideration for the Commitments, you agree that you hereby retain and will cause your affiliates (including the Sponsor) to retain us or our designee to act as the sole administrative agent, sole collateral agent, sole book-runner and sole lead arranger for you and your affiliates in connection with the Facilities and no other titles shall be awarded and no compensation (other than that expressly contemplated by the Debt Financing Letters) shall be paid in connection with the Facilities, unless mutually agreed. In addition, you hereby retain and will cause your respective affiliates (including the Sponsor) to retain Jefferies to act in the capacities and in connection with the matters set forth in the Engagement Letter.

Without limiting the foregoing, you shall not, and shall not permit any of your affiliates, directly or indirectly until the later of (i) the termination or expiration of this Commitment Letter or (ii) if the Bridge Loans are funded, the repayment in full of all outstanding Bridge Loans (including through the conversion thereof into Term Loans), if applicable, to contact or use any other financial institution or other source of capital in connection with any financing referred to above.

3. Conditions Precedent. The closing of the Facilities and the making of the initial loans and other extensions of credit under the Facilities on the Closing Date are conditioned upon satisfaction or waiver by us of each of the following conditions: (i) since December 31, 2012, there shall not have occurred with respect to the Acquired Business any facts, developments, changes, circumstances, effects or events constituting, or which would reasonably be expected to result in, individually or in the aggregate, a Target Material Adverse Effect (as defined below); (ii) since December 31, 2012, there shall not have occurred with respect to the Acquiror and its subsidiaries any facts, developments, changes, circumstances, effects or events constituting, or which would reasonably be expected to result in, individually or in the aggregate, an Acquiror Material Adverse Effect (as defined below); (iii) the Specified Purchase Agreement Representations (as defined below) and the Specified Representations (as defined below) shall be true and correct in all material respects (provided, that any representation and warranty that is qualified as to “materiality,” “material adverse effect” or similar language shall be true and correct in all respects (after giving effect to any such qualification therein)), (iv) the other conditions expressly set forth in Exhibit A and Exhibit B to this

Commitment Letter, in each case under the heading “Conditions Precedent to Initial Borrowing”, and (v) the other conditions referred to on Exhibit D to this Commitment Letter.

For purposes hereof, (i) “**Target Material Adverse Effect**” means any facts, circumstances, events or changes that are materially adverse to the business, assets, financial condition or results of operations of the Company (for purposes of this clause (i), as defined in the Purchase Agreement as in effect on the date hereof) and its Subsidiaries (for purposes of this paragraph, as defined in the Purchase Agreement as in effect on the date hereof), taken as a whole, or that have a material adverse effect on the ability of the Company to perform its obligations under the Purchase Agreement, or to consummate the Merger (for purposes of this paragraph, as defined in the Purchase Agreement as in effect on the date hereof) and the other transactions to be performed or consummated by the Company pursuant to the Purchase Agreement; *provided, however* that “Target Material Adverse Effect” shall not include facts, circumstances, events or changes resulting from (a) changes in general economic or political conditions (including any consequences of the Budget Control Act of 2011, any successor or related legislation and executive orders, or the effects of any failure to increase or waive the effect of any limitation on the incurrence by the United States of America of public debt) or the securities, credit or financial markets in general, (b) general changes or developments in the industries in which the Company and its Subsidiaries operate, including general changes in Law (for purposes of this paragraph, as defined in the Purchase Agreement as in effect on the date hereof) or regulation across such industries, (c) the announcement of the Purchase Agreement or the pendency or consummation of the Merger, (d) any acts required to be taken to remain in compliance with the terms of, or the taking of any action required by, the Purchase Agreement or consented to by Parent (for purposes of this paragraph, as defined in the Purchase Agreement as in effect on the date hereof), (e) any acts of terrorism or war, (f) the identity of Parent or any of its affiliates as participants in the transactions contemplated by the Purchase Agreement or the other agreements described in the recitals thereof, or (g) changes in GAAP (for purposes of this paragraph, as defined in the Purchase Agreement as in effect on the date hereof) or the interpretation thereof by the Financial Accounting Standards Board, the Accounting Principles Board, the American Institute of Certified Public Accountants and other similar organizations generally considered authoritative with respect to the interpretation of GAAP, except, in the case of the foregoing clauses (a) and (b), to the extent such facts, circumstances, events, changes or developments referred to therein have a disproportionate impact on the Company and its Subsidiaries, taken as a whole, relative to other companies in the industries or in the geographic markets in which the Company conducts its businesses after taking into account the size of the Company relative to such other companies; *provided, further*, that, for the avoidance of doubt, the parties agree that any decline in the stock price of the Common Stock (for purposes of this clause (i), as defined in the Purchase Agreement as in effect on the date hereof) on the NYSE MKT or any failure to meet internal or published projections, forecasts or revenue or earning predictions for any period shall not, in and of itself, constitute a Target Material Adverse Effect, it being understood that, subject to the exclusions noted above, the facts or occurrences giving rise or contributing to such decline or failure may be deemed to constitute, or be taken into account in determining whether there has been or could reasonably be expected to be, a Target Material Adverse Effect, and (ii), “**Acquiror Material Adverse Effect**” means any facts, circumstances, events or changes that are materially adverse to the business, assets, financial condition or results of operations of the Acquiror and its Subsidiaries, taken as a whole, or that have a material adverse effect on the ability of the Acquiror or MergerCo to perform its obligations under the Purchase Agreement, or to consummate the Merger and the other transactions to be performed or consummated by the Acquiror or its Subsidiaries pursuant to the Purchase Agreement; *provided, however* that “Acquiror Material Adverse Effect” shall not include facts, circumstances, events or changes resulting from (a) changes in general economic or political conditions (including any consequences of the Budget Control Act of 2011, any successor or related legislation and executive orders, or the effects of any failure to increase or waive the effect of any limitation on the incurrence by the United States of America of public debt) or the securities, credit or financial markets in general, (b) general changes or developments in the industries in which the Acquiror and its Subsidiaries operate, including general changes in Law or regulation across such industries, (c) the announcement of the Purchase Agreement or the pendency or consummation of the Merger, (d) any acts required to be taken to remain in compliance with the terms of, or the taking of any action required by, the Purchase Agreement or consented to by Parent, (e) any acts of terrorism or war, (f) the identity of Parent or any of its affiliates as participants in the transactions contemplated by the Purchase Agreement or the other agreements described in the recitals thereof, or (g) changes in GAAP or the interpretation thereof by the Financial

Accounting Standards Board, the Accounting Principles Board, the American Institute of Certified Public Accountants and other similar organizations generally considered authoritative with respect to the interpretation of GAAP, except, in the case of the foregoing clauses (a) and (b), to the extent such facts, circumstances, events, changes or developments referred to therein have a disproportionate impact on the Acquiror and its Subsidiaries, taken as a whole, relative to other companies in the industries or in the geographic markets in which the Acquiror conducts its businesses after taking into account the size of the Acquiror relative to such other companies; *provided, further*, that, for the avoidance of doubt, any failure to meet internal or published projections, forecasts or revenue or earning predictions for any period shall not, in and of itself, constitute an Acquiror Material Adverse Effect, it being understood that, subject to the exclusions noted above, the facts or occurrences giving rise or contributing to such decline or failure may be deemed to constitute, or be taken into account in determining whether there has been or could reasonably be expected to be, an Acquiror Material Adverse Effect.

Notwithstanding anything in the Debt Financing Letters or the Definitive Debt Documents, or any other letter agreement or other undertaking concerning the financing or the Acquisition to the contrary, (i) the only representations and warranties the making of which shall be a condition to the availability of the Facilities on the Closing Date shall be (A) such of the representations and warranties made by (or with respect to) the Acquired Business in the Purchase Agreement as are material to the interests of the Lenders or the Lead Arranger, but only to the extent that you have (or your applicable affiliate has) the right to terminate your (or its) obligations under the Purchase Agreement or decline to consummate the Acquisition as a result of a breach of such representations and warranties (collectively, the “***Specified Purchase Agreement Representations***”) and (B) the Specified Representations and (ii) the terms of the Definitive Debt Documents shall be in a form such that they do not impair availability of the Facilities on the Closing Date if the conditions expressly set forth in the Commitment Letter are satisfied (it being understood that, to the extent any Collateral (other than to the extent that a lien on such Collateral may be perfected (x) by the filing of a financing statement under the Uniform Commercial Code, (y) by the delivery of stock certificates of the subsidiaries of the Acquiror that are Credit Parties and other material domestic corporate subsidiaries, in each case, together with undated stock powers executed in blank or (z) by the filing of a security agreement on the applicable form with the United States Patent and Trademark Office or the United States Copyright Office) is not or cannot be perfected on the Closing Date after your use of commercially reasonable efforts to do so, the perfection of such Collateral shall not constitute a condition precedent to the availability of the Facilities on the Closing Date, but shall be required to be perfected within 60 days after the Closing Date (subject to extensions agreed to in writing by the Administrative Agent in its sole discretion). For purposes hereof, “***Specified Representations***” means the representations and warranties set forth in the Definitive Debt Documents relating to corporate or other organizational existence, organizational power and authority (as to execution, delivery and performance of the applicable Definitive Debt Documents), the due authorization, execution, delivery and enforceability of the applicable Definitive Debt Documents, solvency of the Borrower and its subsidiaries on a consolidated basis on the Closing Date after giving effect to the Transactions, no conflicts of the Definitive Debt Documents with charter documents, no conflicts with material laws (including material regulations), use of proceeds, Federal Reserve margin regulations, FCPA, the Patriot Act, OFAC/AML, accuracy of financial information (as it relates to the Acquiror and its subsidiaries), the Investment Company Act, accuracy of financial statements and disclosure (as it relates to the Acquiror and its subsidiaries) and, subject to permitted liens and the limitations set forth in the prior sentence, the creation, validity, perfection and priority of security interests. This paragraph shall be referred to herein as the “***Certain Funds Provision***”.

4. Syndication.

(a) We reserve the right, at any time prior to or after execution of the Definitive Debt Documents, to syndicate all or part of our Commitments to a syndicate of banks, financial institutions and other entities (which may include the Lead Arranger) identified by us in consultation with you (collectively, the “**Lenders**”). Our Commitments shall be reduced dollar-for-dollar as and when corresponding commitments are received from any Lenders; *provided* that, no such reduction shall relieve us of our obligation to fund on the Closing Date the portion of the Commitments so reduced to the extent any Lender fails, upon satisfaction or waiver of all conditions to such Lender making its initial extensions of credit on the Closing Date, to fund its Commitment on the Closing Date; *provided, further*, that unless you agree in writing, we shall retain exclusive control over the rights and obligations with respect to our Commitments in respect of the Facilities, including all rights with respect to consents, modifications, supplements and amendments, until the Closing Date has occurred. We will exclusively manage all aspects of any syndication in consultation with you, including decisions as to the selection of prospective Lenders to be approached, when they will be approached, when their commitments will be accepted, which prospective Lenders will participate, the allocation of the commitments among the Lenders, any naming rights and the amount and distribution of fees to such Lenders. To assist us in our syndication efforts, you agree to prepare and provide (and to cause the Sponsor, and to use your commercially reasonable efforts to cause the Acquired Business, to prepare and provide) promptly to us all customary information with respect to the Company, the Transactions and the other transactions contemplated hereby, including such Projections (defined below) as we may reasonably request in connection with the syndication of the Commitments; *provided* that, following the consummation of the Acquisition, you shall cause the Acquired Business to prepare and provide us with such information.

(b) We intend to commence our syndication efforts promptly upon your execution of this Commitment Letter, and you agree to assist us actively (and, in all events, using your commercially reasonable efforts) to complete a timely syndication that is reasonably satisfactory to us until the date that is the earlier of (i) 90 days after the Closing Date and (ii) the date on which a Successful Syndication (as defined in the Fee Letter) is achieved but in no event shall such date be earlier than the Closing Date (such earlier date referred to in clause (i) and (ii), the “**Syndication Date**”). Such assistance shall include:

(i) using commercially reasonable efforts to ensure that our efforts benefit materially from your, the Sponsor’s and the Acquired Business’ existing lending and investment banking relationships,

(ii) direct contact between your and the Sponsor’s senior management, representatives and advisors, on the one hand, and the senior management, representatives and advisors of the proposed Lenders, on the other hand (and (x) prior to the consummation of the Acquisition, your using commercially reasonable efforts to cause, and (y) thereafter, to cause direct contact between senior management, representatives and advisors of the Acquired Business on the one hand, and the senior management representatives and advisors of the proposed Lenders, on the other hand),

(iii) the Sponsor's and your assistance (and (x) prior to the consummation of the Acquisition, your using commercially reasonable efforts to cause, and (y) thereafter, to cause the Acquired Business to assist) in the prompt preparation of one or more confidential information memoranda (each, a "***Confidential Information Memorandum***"), and other marketing materials to be used in connection with the syndication of our Commitments (together with all Confidential Information Memoranda, the "***Materials***"),

- (iv) the provision to us of copies of any due diligence reports or memoranda prepared at your direction or at the direction of the Sponsor or any of your or its affiliates by legal, accounting, tax or other third party advisors in connection with the Acquisition, subject to the delivery by us to you of customary non-disclosure agreements as shall be reasonably requested,
- (v) your using commercially reasonable efforts to obtain, not less than 15 business days prior to the Closing Date, (A) a monitored public corporate rating and a monitored public corporate family rating for the Borrower from each of Standard & Poor's Ratings Services, a division of the McGraw-Hill Companies, Inc. ("**S&P**") and Moody's Investors Service, Inc. ("**Moody's**"), respectively, and (ii) monitored public facility ratings from each of S&P and Moody's for the Notes, and
- (vi) the hosting, with us (and to the extent we request that senior management or representatives of the Acquired Business attend, you shall use your commercially reasonable efforts to cause them to attend), of meetings with prospective Lenders at such times and in such places as mutually agreed.
- (c) You agree, at our request, to assist in the preparation of a version of any Materials consisting exclusively of information and documentation that is either (i) publicly available or (ii) not material with respect to the Company, their affiliates or any of its or their securities for purposes of United States federal and state securities laws (such information and Materials, "**Public Information**"). In addition, you agree that, unless specifically labeled "Private – Contains Non-Public Information," no Materials disseminated to potential Lenders in connection with the syndication of the Facilities, whether through an Internet website, electronically, in presentations, at meetings or otherwise, will contain any Material Non-Public Information (as defined below). Any information and documentation that is not Public Information is referred to herein as "**Material Non-Public Information**." It is understood that in connection with your assistance described above, authorization letters will be included in any information package and presentation whereby you authorize the distribution of such information to prospective Lenders, it being understood that the authorization letter for Public Information shall contain a representation by you to the Lenders that the Public Information does not include any such Material Non-Public Information and each letter shall contain a customary "10b-5" representation. You acknowledge and agree that the following documents contain and shall contain solely Public Information (unless you notify us promptly that any such document contains Material Non-Public Information): (i) drafts and final Definitive Debt Documents with respect to the Facilities, (ii) administrative materials prepared by us for prospective Lenders (including a lender meeting invitation, Lender allocations, if any, and funding and closing memoranda), and (iii) notification of changes in the terms of the Facilities. If reasonably requested by us, you shall identify Public Information by clearly and conspicuously marking the same as "PUBLIC".
- (d) You agree that all Materials and Information (as defined below) (including draft and execution versions of the Definitive Debt Documents and draft or final offering materials relating to contemporaneous or prior securities issuances by the Company) may be disseminated in accordance with our standard syndication practices (including through hard copy and via one or more internet sites (including an IntraLinks, SyndTrak or similar workspace), e-mail or other electronic transmissions). Without limiting the foregoing, you authorize, and will obtain contractual undertakings from the Acquired Business and the Sponsor to authorize, the use of your and its respective logos in

connection with any such dissemination. You further agree that, at our expense, we may place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web as we may choose, and circulate similar promotional materials, after the closing of the Transactions in the form of a “tombstone” or otherwise, containing information customarily included in such advertisements and materials, including (i) the names of the Company and its affiliates (or any of them), (ii) our and our affiliates’ titles and roles in connection with the Transactions, and (iii) the amount, type and closing date of such Transactions.

5. Information. You represent, warrant and covenant that (and, with respect to the Target and its subsidiaries, to the best of your knowledge that):

(a) all information and data other than the Projections and information of a general economic or industry-specific nature (including the Materials, the “*Information*”) that has been or will be made available to us by or on behalf of you, the Sponsor or the Acquired Business or any of your or their respective representatives is or will be, when furnished and when taken as a whole, complete and correct in all material respects,

(b) none of the Information shall, when furnished or on the Closing Date and when taken as a whole, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading in light of the circumstances under which such statements are made, and

(c) all projections and other forward-looking information that have been or will be made available to us by or on behalf of you, the Sponsor or the Acquired Business or any of your or their respective representatives (collectively, the “*Projections*”) have been or will be prepared in good faith based upon (i) accounting principles consistent with the most recent historical audited financial statements of the Acquiror and the Acquired Business and (ii) assumptions that are reasonable at the time made and at the time the related Projections are made available to us (it being understood that any such Projections are subject to uncertainties and contingencies, some of which are beyond your control, that no assurance can be given that any particular Projections will be realized, that actual results may differ and that such differences may be material).

You agree that, if at any time prior to the later of the Closing Date and the Syndication Date, you become aware that any of the representations and warranties in the preceding sentence would be incorrect if the Information or Projections were then being furnished and such representations and warranties were then being made, you shall, at such time, supplement promptly such Information and/or Projections, as the case may be, in order that such representations and warranties will be correct under those circumstances.

You shall be solely responsible for Information and the Projections, including the contents of all Materials. We (i) will be relying on Information, the Projections and data provided by or on behalf of you or the Acquired Business or any of your or its representatives or otherwise available from generally recognized public sources, without having independently verified the accuracy or completeness of the same, (ii) do not assume responsibility for the accuracy or completeness of any such Information, Projections and data and (iii) will not make an appraisal of your assets or liabilities or those of the Acquired Business. You shall (i) furnish us with all Information and data that we may reasonably request in connection with our activities on behalf of you and your affiliates (including the Sponsor) and (ii) provide us full access, as reasonably requested, to your and the Sponsor’s respective officers, directors, employees and professional advisors and use commercially reasonable efforts to provide us full access, as reasonably requested, to those of the Acquired Business; *provided that*, following the consummation of the Acquisition, you shall cause the Acquired Business to provide us full access, as reasonably requested, to such persons or entities.

6. Clear Market. You agree that, from the date hereof until the earlier of (a) the date on which a Successful Syndication has been achieved, *provided* that such date shall not be earlier than the Closing Date and (b) the date that is 90 days after the Closing Date, you will not, and you will use commercially reasonable efforts to cause the Acquired Business or any of your or its respective affiliates not to, directly or indirectly, (i) syndicate, place, sell or issue, (ii) attempt or offer to syndicate, place, sell or issue, (iii) announce or authorize the announcement of the syndication, placement, sale or issuance of, or (iv) engage in discussions concerning the syndication, placement, offering, sale or issuance of, any debt facility, or debt or equity-linked security of you, the Acquired Business or any of your or its respective affiliates (other than (i) the Debt Financing contemplated hereby, the Notes Offering and financings for other unrelated portfolio companies of the Sponsor or funds affiliated with the Sponsor and (ii) debt permitted to be incurred by the Acquired Business pursuant to the Purchase Agreement (as in effect on the date hereof)), including any renewals or refinancings of any existing debt facility, without our prior written consent, which may be given or withheld in our sole discretion.

7. Fees and Expenses. As consideration for the Commitments and our other undertakings hereunder, you hereby agree to pay or cause to be paid to us and Jefferies for our respective accounts the fees, expenses and other amounts set forth in the Debt Financing Letters.

8. Indemnification and Waivers. As consideration for the Commitments and our other undertakings hereunder, you agree to the provisions with respect to indemnification, waivers and other matters contained in Annex A hereto, which is hereby incorporated by reference in this Commitment Letter.

9. Confidentiality. This Commitment Letter is delivered to you on the understanding that neither the existence of this Commitment Letter or any other Debt Financing Letter nor any of their terms or substance will be disclosed by you, directly or indirectly, to any other person or entity except (a) as required by applicable law or compulsory legal process (in which case you agree to inform us promptly thereof and to cooperate with us in securing a protective order in respect thereof to the extent lawfully permitted to do so), (b) to your and the Sponsor's respective officers, directors, employees, attorneys, accountants and advisors on a confidential and need-to-know basis and only in connection with the Transactions, (c) this Commitment Letter may be disclosed (but not the Fee Letter) to rating agencies in connection with their review of the Facilities or the Company, (d) the information contained in this Commitment Letter (but not that contained in the Fee Letter) may be disclosed in any Confidential Information Memorandum or in connection with the syndication of the Facilities, and (e) this Commitment Letter and the Fee Letter (but not the Engagement Letter) may be disclosed to the Acquired Business and its officers, directors, employees, attorneys, accountants and advisors, in each case on a confidential and need-to-know basis and only in connection with the Transactions; *provided*, that the disclosure of the Fee Letter or its contents to the Acquired Business or any of its officers, directors, employees, attorneys, accountants and advisors shall be redacted in a manner satisfactory to us. Notwithstanding the foregoing, this Commitment Letter (but not any other Debt Financing Letter) may be filed with the Securities and Exchange Commission or any other regulatory agency as required by applicable law and regulations. You may also disclose the aggregate amount of fees payable under the Fee Letter as part of a generic disclosure regarding sources and uses (but without disclosing any specific fees set forth therein) in connection with the syndication of the Facilities and/or the offering of the Notes.

Notwithstanding anything herein to the contrary, you and we (and any of your and our respective employees, representatives or other agents) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by the Debt Financing Letters and all materials of any kind (including opinions or other tax analyses) that are provided to you or us relating to such tax treatment and tax structure, except that (i) tax treatment and tax structure shall not include the identity of any existing or future party (or any affiliate of such party) to any Debt Financing Letter, and (ii) neither you nor we shall disclose any information relating to such tax treatment and tax structure to the extent nondisclosure is reasonably necessary in order to comply with applicable securities laws. For this purpose, the tax treatment of the transactions contemplated by the Debt Financing Letters is the purported or claimed U.S. federal income tax treatment of such transactions and the tax structure of such transactions is any fact that may be relevant to understanding the purported or claimed U.S. federal income tax treatment of such transactions.

10. Conflicts of Interest: Absence of Fiduciary Relationship. You acknowledge and agree that:

(a) we and/or our affiliates and subsidiaries (including Jefferies Group LLC and its affiliates, the “**Jefferies Group**”), in our and their respective capacities as principal or agent are involved in a wide range of commercial banking and investment banking activities globally (including investment advisory, asset management, research, securities issuance, trading, and brokerage) from which conflicting interests or duties may arise and, therefore, conflicts may arise between (i) our interests and duties hereunder and (ii) the duties or interests or other duties or interests of another member of the Jefferies Group,

(b) we and any other member of the Jefferies Group may, at any time, (i) provide services to any other person, (ii) engage in any transaction (on our or its own account or otherwise) with respect to you or any member of the same group as you or (iii) act in relation to any matter for any other person whose interests may be adverse to you or any member of your group (a “**Third Party**”), and may retain for our or its own benefit any related remuneration or profit, notwithstanding that a conflict of interest exists or may arise and/or any member of the Jefferies Group is in possession or has come or comes into possession (whether before, during or after the consummation of the transactions contemplated hereunder) of information confidential to you; *provided* that such confidential information shall not be used by us or any other member of the Jefferies Group in performing services or providing advice to any Third Party. You accept that permanent or *ad hoc* arrangements/information barriers may be used between and within our divisions or divisions of other members of the Jefferies Group for this purpose and that locating directors, officers or employees in separate workplaces is not necessary for such purpose,

(c) information that is held elsewhere within us or the Jefferies Group, but of which none of the individual directors, officers or employees having primary responsibility for the consummation of the transactions contemplated by this Commitment Letter actually has knowledge (or can properly obtain knowledge without breach of internal procedures), shall not for any purpose be taken into account in determining our responsibilities to you hereunder,

(d) neither we nor any other member of the Jefferies Group shall have any duty to disclose to you, or utilize for your benefit, any non-public information acquired in the course of providing services to any other person, engaging in any transaction (on our or its own account or otherwise) or otherwise carrying on our or its business,

(e) (i) neither we nor any of our affiliates have assumed any advisory responsibility or any other obligation in favor of the Company or any of its affiliates except the obligations expressly provided for under the Debt Financing Letters, (ii) we and our affiliates, on the one hand, and the Company and its affiliates, on the other hand, have an arm's-length business relationship that does not directly or indirectly give rise to, nor does the Company or any of its affiliates rely on, any fiduciary duty on the part of us or any of our affiliates and (iii) we are (and are affiliated with) full service financial firms and as such may effect from time to time transactions for our own account or the account of customers, and hold long or short positions in debt, equity-linked or equity securities or loans of companies that may be the subject of the transactions contemplated by this Commitment Letter (and, in particular, we and any other member of the Jefferies Group may at any time hold debt or equity securities for our or its own account in the Company). With respect to any securities and/or financial instruments so held by us, any of our affiliates or any of our respective customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of such rights, in its sole discretion. You hereby waive and release, to the fullest extent permitted by law, any claims you have, or may have, with respect to (i) any breach or alleged breach of fiduciary duty (and agree that we shall have no liability (whether direct or indirect) to you in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of you, including your stockholders, employees or creditors) and (ii) any conflict of interest arising from such transactions, activities, investments or holdings, or arising from our failure or the failure of any of our affiliates to bring such transactions, activities, investments or holdings to your attention, and

(f) neither we nor any of our affiliates are advising you as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. You shall consult with your own advisors concerning such matters and shall be responsible for making your own independent investigation and appraisal of the transactions contemplated by the Debt Financing Letters, and neither we nor our affiliates shall have responsibility or liability to you with respect thereto. Any review by us, or on our behalf, of the Company, the Transactions, the other transactions contemplated by the Debt Financing Letters or other matters relating to such transactions will be performed solely for our benefit and shall not be on behalf of you or any of your affiliates.

11. Choice of Law; Jurisdiction; Waivers. The Debt Financing Letters, and any claim, controversy or dispute arising under or related to the Debt Financing Letters (whether based upon contract, tort or otherwise), shall be governed by, and construed in accordance with, the laws of the State of New York without regard to conflict of law principles (other than sections 5-1401 and 5-1402 of the New York General Obligations Law), provided, however, that the interpretation of provisions herein relating to any Specified Purchase Agreement Representation or a Target Material Adverse Effect shall be governed by the laws of the Commonwealth of Pennsylvania. To the fullest extent permitted by applicable law, you hereby irrevocably submit to the exclusive jurisdiction of any New York State court or federal court sitting in the County of New York and the Borough of Manhattan in respect of any claim, suit, action or proceeding arising out of or relating to the provisions of any Debt Financing Letter and irrevocably agree that all claims in respect of any such claim, suit, action or proceeding may be heard and determined in any such court and that service of process therein may be made by certified mail, postage prepaid, to your address set forth above. You and we hereby waive, to the fullest extent permitted by applicable law, any objection that you or we may now or hereafter have to the laying of venue of any such claim, suit, action or proceeding brought in any such court, and any claim that any such claim, suit, action or proceeding brought in any such court has been brought in an inconvenient forum. You and we hereby waive, to the fullest extent permitted by applicable law, any right to trial by jury with respect to any claim, suit, action or proceeding (whether based upon contract, tort or otherwise) arising out of or relating to the Debt Financing Letters, any of the Transactions or any of the other transactions contemplated hereby or thereby. The

provisions of this Section 11 are intended to be effective upon the execution of this Commitment Letter without any further action by you, and the introduction of a true copy of this Commitment Letter into evidence shall be conclusive and final evidence as to such matters.

12. Miscellaneous.

(a) This Commitment Letter may be executed in one or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument. Delivery of an executed signature page of this Commitment Letter by facsimile, PDF or other electronic transmission will be effective as delivery of a manually executed counterpart hereof.

(b) You may not assign any of your rights, or be relieved of any of your obligations, under this Commitment Letter without our prior written consent, which may be given or withheld in our sole discretion (and any purported assignment without such consent, at our sole option, shall be null and void). We may at any time and from time to time assign all or any portion of our Commitments hereunder to one or more of our affiliates or to one or more Lenders, whereupon we shall be released from the portion of our Commitments hereunder so assigned; *provided* that such assignment shall not relieve us of our obligation to fund on the Closing Date the portion of our Commitments so assigned to the extent such assignee fails, upon satisfaction or waiver by us of all conditions to such assignee making its initial extensions of credit on the Closing Date, to fund such assigned Commitments on the Closing Date. Any and all obligations of, and services to be provided by, us hereunder (including the Commitments) may be performed, and any and all of our rights hereunder may be exercised, by or through any of our affiliates or branches and we reserve the right to allocate, in whole or in part, to our affiliates or branches certain fees payable to us in such manner as we and our affiliates may agree in our and their sole discretion. You further acknowledge that we may share with any of our affiliates, and such affiliates may share with us, any information relating to the Transactions, you, the Acquired Business or the Sponsor (and your and their respective affiliates), or any of the matters contemplated in the Debt Financing Letters.

(c) This Commitment Letter has been and is made solely for the benefit of you, us and the indemnified persons (as defined in Annex A hereto) and your, our and their respective successors and assigns, and nothing in this Commitment Letter, expressed or implied, is intended to confer or does confer on any other person or entity any rights or remedies under or by reason of this Commitment Letter or your and our agreements contained herein.

(d) The Debt Financing Letters set forth the entire understanding of the parties hereto as to the scope of the Commitments and our obligations hereunder and thereunder. The Debt Financing Letters supersede all prior understandings and proposals, whether written or oral, between us and you relating to any financing or the transactions contemplated hereby and thereby.

(e) You acknowledge that we and our affiliates may be arranging or providing (or contemplating arranging or providing) a committed form of acquisition financing to other potential purchasers of the Acquired Business and that, in such capacity, we and our affiliates may acquire information about the Acquired Business, the Acquisition, and such other potential purchasers and their strategies and proposals, but that nonetheless neither we nor our affiliates shall have any obligation to disclose to you or your affiliates the substance of such information or the fact that we or our affiliates are in possession thereof.

(f) You agree that we or any of our affiliates may disclose information about the Transactions to market data collectors and similar service providers to the financing community.

(g) We hereby notify you and, upon its becoming bound by the provisions hereof, each other Credit Party (as defined in Exhibit A hereto), that pursuant to the requirements of the USA PATRIOT Improvement and

Reauthorization Act, Pub. L. 109-177 (signed into law March 9, 2006) (as amended from time to time, the “*Patriot Act*”), we and each Lender may be required to obtain, verify and record information that identifies you and the other Credit Parties, which information includes the name, address, tax identification number and other information regarding the Credit Parties that will allow us or such Lender to identify the Credit Parties in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective as to us and each Lender. You agree that we shall be permitted to share any or all such information with the Lenders.

13. Amendment: Waiver. This Commitment Letter may not be modified or amended except in a writing duly executed by the parties hereto. No waiver by any party of any breach of, or any provision of, this Commitment Letter shall be deemed a waiver of any similar or any other breach or provision of this Commitment Letter at the same or any prior or subsequent time. To be effective, a waiver must be set forth in writing signed by the waiving party and must specifically refer to this Commitment Letter and the breach or provision being waived.

14. Surviving Provisions. Notwithstanding anything to the contrary in this Commitment Letter: (i) Sections 7 to and including 15 hereof shall survive the expiration or termination of this Commitment Letter, regardless of whether the Definitive Debt Documents have been executed and delivered or the Transactions consummated, and (ii) Sections 2 and 4 to and including 13 hereof shall survive execution and delivery of the Definitive Debt Documents and the consummation of the Transactions.

15. Acceptance, Expiration and Termination. Please indicate your acceptance of the terms of the Debt Financing Letters by returning to us executed counterparts of the Debt Financing Letters not later than 5:00 p.m., New York City time, on July 29, 2013 (the “**Deadline**”). The Debt Financing Letters are conditioned upon your contemporaneous execution and delivery to us, and the contemporaneous receipt by us, of executed counterparts of each Debt Financing Letter on or prior to the Deadline. This Commitment Letter will expire at such time in the event that you have not returned such executed counterparts to us by such time. Thereafter, except with respect to any provision that expressly survives pursuant to Section 14, this Commitment Letter (but not the other Debt Financing Letters) will terminate automatically on the earliest of (i) the date of termination or abandonment of the Purchase Agreement, (ii) the closing of the Acquisition, (iii) the acceptance by the Target or any of its affiliates (or any of their respective equityholders) of an offer for all or any substantial part of the capital stock or property and assets of the Acquired Business (or any parent company thereof) other than as part of the Transactions, and (iv) 5:00 p.m., New York City time, on November 29, 2013 (the “**Termination Date**”). In addition, our Commitment hereunder to provide Bridge Loans shall terminate upon the closing of the sale of the Notes (in escrow or otherwise).

ANNEX A TO COMMITMENT LETTER

INDEMNIFICATION AND WAIVER

-
Except as otherwise defined in this Annex A, capitalized terms used but not defined herein have the meanings assigned to them elsewhere in this Commitment Letter.

The Acquiror (“**you**”) hereby agrees (i) to indemnify and hold harmless Jefferies Finance LLC (“**we**” or “**us**”), the Lenders in the Debt Financing and each of our and their respective affiliates and subsidiaries (including Jefferies) and each of the respective officers, directors, partners, trustees, employees, affiliates, shareholders, advisors, agents, representatives, attorneys-in-fact, members, successors, assigns and controlling persons of each of the foregoing (each, an “**indemnified person**”) from and against any and all losses, claims, damages and liabilities (collectively, “**Losses**”) to which any such indemnified person, directly or indirectly, may become subject arising out of, relating to, resulting from or otherwise in connection with the Debt Financing Letters, the Debt Financing, the use of the proceeds therefrom, the Transactions, any of the other transactions contemplated by the Debt Financing Letters, or any action, claim, suit, litigation, investigation, inquiry or proceeding (each, a “**Claim**”) directly or indirectly arising out of, relating to, resulting from or otherwise in connection with any of the foregoing (**IN ALL CASES, WHETHER OR NOT CAUSED OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNIFIED PERSON**), regardless of whether any indemnified person is a named party thereto or whether such Claim is brought by you, any of your affiliates or a third party and (ii) to reimburse each indemnified person upon demand at any time and from time to time for all out-of-pocket legal and other expenses incurred by it in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any Claim, directly or indirectly, arising out of, relating to, resulting from or otherwise in connection with any of the foregoing (including in connection with the enforcement of the indemnification obligations and waivers set forth in this Annex A); *provided, however*, that no indemnified person will be entitled to indemnity and waivers hereunder in respect of any Loss to the extent that it is found by a final, non-appealable judgment of a court of competent jurisdiction that such Loss resulted primarily from the gross negligence or willful misconduct of such indemnified person or from the breach by Jefferies Finance of its funding obligations under this Commitment Letter. In addition, in no event will any indemnified person be liable for consequential, special, exemplary, punitive or indirect damages (including any loss of profits, business or anticipated savings), whether, directly or indirectly, as a result of any failure to fund all or any portion of the Debt Financing or otherwise arising out of, relating to, resulting from or otherwise in connection with the Debt Financing or arising out of, relating to, resulting from or otherwise in connection with any Claim or otherwise. In addition, no indemnified person will be liable for any damages arising from the use by unauthorized persons of Information, Projections or other Materials sent through electronic, telecommunications or other information transmission systems that are intercepted or otherwise obtained by such persons.

You shall not settle or compromise or consent to the entry of any judgment in or otherwise seek to terminate any pending or threatened Claim in which any indemnified person is or could be a party and as to which indemnification or contribution could have been sought by such indemnified person hereunder whether or not such indemnified person

is a party to any Debt Financing Letter, unless (i) such indemnified person and each other indemnified person from which such indemnified person could have sought indemnification or contribution have given their prior written consent, which may be given or withheld in their sole discretion or (ii) the settlement, compromise, consent or termination (A) includes an express unconditional release of all indemnified persons and their respective affiliates from all Losses, directly or indirectly, arising out of, relating to, resulting from or otherwise in connection with such Claim and (B) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any indemnified person.

Annex A-1

In addition, you shall reimburse the indemnified persons for all expenses (including reasonable fees and expenses of counsel), as incurred, in connection with investigating, preparing, defending or settling any Claim for which indemnification or contribution may be sought by the indemnified person and for which such person is entitled to indemnity hereunder, whether or not any indemnified person is a named party thereto or whether such Claim is brought by you, any of your affiliates or a third party.

The indemnity, contribution and expense reimbursement obligations set forth herein (i) shall be in addition to any liability you may have to any indemnified person at law, in equity or otherwise, (ii) shall survive the expiration or termination of the Debt Financing Letters (notwithstanding any other provision of any Debt Financing Letter or the Definitive Debt Documents), (iii) shall apply to any modification, amendment, waiver or supplement of our and any of our affiliates' commitment and/or engagement, (iv) shall remain operative and in full force and effect regardless of any investigation made by or on behalf of us or any other indemnified person and (v) shall be binding on any successor or assign of you and the successors or assigns to any substantial portion of your business and assets.

Annex A-2

EXHIBIT A TO COMMITMENT LETTER

SUMMARY OF TERMS OF Revolving Credit FACILITY

Set forth below is a summary of certain of the terms of the Revolving Credit Facility and the documentation related thereto. Capitalized terms used and not otherwise defined in this Exhibit A have the meanings set forth elsewhere in this Commitment Letter.

I. Parties

- Borrowers: The Acquiror (the “**Administrative Borrower**”) and one or more wholly-owned U.S. operating subsidiaries of the Administrative Borrower that hold assets to be included in the Borrowing Base (as hereinafter defined), on a joint and several basis (collectively, the “**Borrowers**”).
- Guarantors: The Borrowers and each of the Administrative Borrower’s direct and indirect wholly owned U.S. subsidiaries (other than a Borrower as to obligations directly incurred by it), with exceptions (if any) to be mutually agreed upon) (collectively, the “**Guarantors**” and, together with the Borrowers, collectively, the “**Credit Parties**”).
- Lead Arranger and Book Runner: Jefferies Finance and/or one or more of its designees (in such capacities, the “**Lead Arranger**”). The Lead Arranger will perform the duties customarily associated with such role.
- Syndication Agent: Jefferies Finance and/or one or more of its designees (in such capacity, the “**Syndication Agent**”). The Syndication Agent will perform the duties customarily associated with such role.
- Administrative Agent: Jefferies Finance and/or one or more of its designees (in such capacity, the “**Administrative Agent**”). The Administrative Agent will perform the duties customarily associated with such role.
- Collateral Agent: Jefferies Finance and/or one or more of its designees (in such capacity, the “**Collateral Agent**”). The Collateral Agent will perform the duties customarily associated with such role.
- Lenders: A syndicate of banks, financial institutions and other entities (which may include Jefferies Finance) (collectively, the “**Revolving Lenders**”) arranged by the Lead Arranger.
- Closing Date: The date, on or before the date on which the Commitments are terminated in accordance with Section 15 of this Commitment Letter, on which the Acquisition is consummated (the “**Closing Date**”).

Exhibit A-1

Revolving Credit Facility Documents: The Definitive Debt Documents governing or evidencing the Revolving Credit Facility (collectively, the “*Revolving Credit Facility Documents*”).

II. Revolving Credit Facility

A senior secured first lien asset-based revolving credit facility (the “*Revolving Credit Facility*”) in an aggregate principal amount of \$100.0 million,¹ of which up to an amount to be mutually agreed upon will be available in the form of letters of credit (“*Letters of Credit*”).

Revolving Credit Facility: In connection with the Revolving Credit Facility, a Revolving Lender to be mutually agreed upon (in such capacity, the “*Swingline Lender*”) will make available to the Borrowers a swingline facility under which the Borrowers may make short-term borrowings of up to an aggregate principal amount to be mutually agreed upon, subject to Availability (as hereinafter defined). Except for purposes of calculating the Commitment Fee described below, any such swingline borrowings will reduce availability under the Revolving Credit Facility on a dollar-for-dollar basis.

Each Revolving Lender shall, promptly upon request by the Swingline Lender, fund to the Swingline Lender its pro rata share of any swingline borrowings.

Maturity of Revolving Credit Facility: Loans under the Revolving Credit Facility (“*Revolving Loans*”) will mature on the date that is four years after the Closing Date (“the “*Revolving Maturity Date*”), and all outstanding amounts under the Revolving Credit Facility will be due and payable in full (and all Revolving Credit Facility commitments shall terminate) on the Revolving Maturity Date.

¹ If Jefferies Finance believes in its sole discretion that the Transactions and the amount of eligible receivables of the Credit Parties can support a senior credit facility of up to \$125.0 million, then upon request of the Administrative Borrower, Jefferies Finance will consider (without any obligation to provide a commitment for the same) structuring a senior credit facility which includes a revolving credit facility and a term loan facility in an aggregate principal amount of up to \$125.0 million, on terms and conditions mutually agreed upon and so long as Jefferies Finance, in its sole discretion, determines that the increased senior credit facility could not reasonably be expected to impair the syndication or marketing of the Bridge Loans or the Notes.

Use of Proceeds: Subject to Availability, the Letters of Credit and the proceeds of Revolving Loans will be used by the Borrowers solely for working capital and general corporate purposes of the Borrowers and their subsidiaries; *provided, however*, subject to Availability, up to \$70.0 million of proceeds of Revolving Loans may be incurred on the Closing Date to finance the Purchase Price (including the Refinancing and all related fees and expenses). Additionally, Letters of Credit may be issued on the Closing Date in order to backstop or replace existing letters of credit outstanding on the Closing Date (including by “grandfathering” such existing letters of credit) under the facilities no longer available to the Borrowers or any of their subsidiaries as of the Closing Date.

Availability: Availability under the Revolving Credit Facility (“**Availability**”), including for Revolving Loans (including swingline borrowings) and Letters of Credit, at any time will be an amount equal to (a) the lesser of (i) the aggregate commitments under the Revolving Credit Facility at such time and (ii) the Borrowing Base minus (b) the sum, without duplication, of (i) the aggregate principal amount of all Revolving Loans (including swingline borrowings) under the Revolving Credit Facility, (ii) the aggregate amount of unreimbursed Letter of Credit drawings under the Revolving Credit Facility and (iii) the aggregate undrawn amount of outstanding Letters of Credit under the Revolving Credit Facility.

Subject to the Revolving Credit Facility Documents, amounts repaid under the Revolving Credit Facility may be reborrowed.

The borrowing base for the Borrowers (the “**Borrowing Base**”) at any time shall equal the remainder of (a) 85% of the amount of eligible accounts receivable of the Borrowers minus (b) any applicable reserves as determined by the Administrative Agent in its Reasonable Credit Judgment (as defined below).

Borrowing Base: Eligibility criteria for the Borrowing Base (including eligible receivables and the applicable advance rates) will be reasonably satisfactory to the Administrative Agent and will otherwise be customary for ABL facilities of this type.

All determinations by the Administrative Agent with respect to the eligibility criteria and the Borrowing Base shall be made by the Administrative Agent in its Reasonable Credit Judgment. All collateral included in the Borrowing Base shall be subject to a perfected first priority security interest to secure the Revolving Credit Facility (subject to certain permitted liens to be mutually agreed upon).

The Administrative Agent shall have the right to exercise its Reasonable Credit Judgment (including based on the completion and review of the initial and periodic collateral field examinations) to establish, modify or eliminate reserves with respect to the Borrowing Base and/or, on or prior to the Closing Date, adjust the advance rates (not to exceed the percentages set forth above), *provided* that, so long as no event of default then exists, the Administrative Agent shall provide prompt notice of any such establishment of reserves to the Borrowers.

“Reasonable Credit Judgment” means a determination made in good faith and in the exercise of reasonable (from the perspective of a secured asset-based lender) business judgment.

An aggregate amount to be mutually agreed upon under the Revolving Credit Facility will be made available for the issuance of standby and commercial letters of credit (denominated in U.S. Dollars) to the Borrowers (the **“Letters of Credit”**) by one or more issuing Revolving Lenders to be determined and reasonably acceptable to the Administrative Agent and the Administrative Borrower (each such issuing Revolving Lender in such capacity, an **“Issuing Lender”**). No Letter of Credit shall have an expiration date after the earlier of (i) one year after the date of issuance and (ii) five business days prior to the Revolving Maturity Date; *provided*, that any Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (ii) above).

Letters of
Credit:

Drawings under any Letter of Credit shall be reimbursed by the Borrowers (whether with their own funds or with proceeds from Revolving Loans) on the same business day. To the extent that the Borrowers do not so reimburse the Issuing Lender, the Revolving Lenders shall be irrevocably and unconditionally obligated to reimburse the Issuing Lender on a pro rata basis based on their respective Revolving Credit Facility commitments.

III. Certain
Payment
Provisions

Fees and
Interest Rates: As set forth on Annex A-I hereto.

Optional
Prepayments and
Commitment
Reductions: Optional reductions of the unutilized portion of the Revolving Credit Facility commitments and optional prepayments of borrowings thereunder by the Borrowers will be permitted at any time (subject to customary notice requirements), in minimum principal amounts to be mutually agreed upon, without premium or penalty (subject to reimbursement of the Revolving Lenders’ redeployment costs in the case of a prepayment of Eurodollar Loans other than on the last day of the relevant interest period).

Exhibit A-4

If at any time the aggregate amount of outstanding Revolving Loans (including swingline borrowings), unreimbursed Letter of Credit drawings and undrawn Letters of Credit under the Revolving Credit Facility exceeds the lesser of (i) the aggregate commitments under the Revolving Credit Facility and (ii) the Borrowing Base in effect at such time, then the Borrowers will repay on that business day outstanding Revolving Loans and/or cash collateralize Letters of Credit in an aggregate amount equal to such excess.

Mandatory Prepayments: In addition, 100% of the net proceeds of any non-ordinary course sale or other disposition of assets by the Administrative Borrower or any of its subsidiaries (including (i) as a result of casualty or condemnation and (ii) any issuance or sale of equity by any subsidiaries of the Administrative Borrower) (with certain exceptions to be mutually agreed upon) will be applied to prepay the Revolving Loans (or, if none, to cash collateralize Letters of Credit).

Mandatory prepayments of Revolving Loans (including, swingline borrowings) made pursuant to the immediately preceding paragraph shall not reduce the commitments under the Revolving Credit Facility.

IV. Collateral
and
Guarantees

Collateral: Subject to the Certain Funds Provision, the obligations of each Credit Party under the Revolving Credit Facility and under any interest rate hedging and currency rate hedging obligations and cash management obligations owed to the Administrative Agent, the Lead Arranger, a Revolving Lender or their respective affiliates or to an entity that was the Administrative Agent, the Lead Arranger, a Revolving Lender or an affiliate present at the time of such transaction (“**Permitted Secured Hedging/Cash Management Obligations**”) will be secured by, subject to permitted liens to be mutually agreed upon, (x) a perfected first priority security interest in all capital stock (but limited, in the case of the voting stock of a foreign subsidiary of a Credit Party that is a “controlled foreign corporation”, to 66% of all such voting stock), other equity interests and promissory notes owned by the Borrowers and the Guarantors and (y) a first priority perfected security interest in, and mortgages on, substantially all other tangible and intangible assets, including owned real estate, receivables, inventory, equipment, contract rights, cash, deposit accounts, cash and cash equivalents, securities accounts (including securities entitlements and related assets), securities, intellectual property, licenses, permits, intercompany indebtedness (which at the request of the Collateral Agent shall be evidenced by a subordinated promissory note), and proceeds of the foregoing (all assets described in clause (x) and this clause (y), collectively, the “**Collateral**”), subject to exceptions to be mutually agreed upon.

Subject to the terms of the Intercreditor Agreement (as defined below), the holders of the Notes (or the Bridge Loans) shall have a perfected second priority security interest in all Collateral of the Credit Parties.

The obligations of the Borrowers in respect of the Revolving Credit Facility and the Permitted Secured Hedging/Cash Management Obligations will be unconditionally guaranteed (the "*Guarantees*") jointly and severally by each Guarantor.

Guarantees:

Such Guarantees will be in form and substance reasonably satisfactory to the Administrative Borrower and the Administrative Agent. All Guarantees shall be guarantees of payment and performance, and not of collection. Any guarantees to be issued in respect of the Bridge Loan Facility or the Notes (as applicable) shall rank pari passu in right of payment with the obligations under the Guarantees.

The liens securing the Revolving Credit Facility and the Permitted Secured Hedging/Cash Management Obligations will be senior in priority to the liens securing the Bridge Loan Facility or the Notes (as applicable). The priority of the security interests in the Collateral and related creditor

V. Intercreditor rights among the Revolving Credit Facility, the Permitted Secured Hedging/Cash Management Obligations and the Bridge Loan Facility or the Notes will be set forth in an intercreditor agreement (the "*Intercreditor Agreement*") containing customary provisions for second-lien facilities and transactions of this type and otherwise reasonably satisfactory to the Administrative Agent and the Administrative Borrower.

Exhibit A-6

VI. Other Provisions

In the event (x) Excess Availability under the Revolving Credit Facility shall have been less than the greater of (i) 15.0% of the lesser of (A) the total commitment under the Revolving Credit Facility at such time and (B) the Borrowing Base at such time or (ii) \$12.5 million or (y) an event of default under the Revolving Credit Facility shall have occurred and be continuing, all such cash collections shall be applied daily pursuant to the payment waterfall to be set forth in the Revolving Credit Facility Documents. Such daily paydowns will cease to apply on the first date thereafter on which no event of default under the Revolving Credit Facility shall exist and Excess Availability is equal to or exceeds the greater of (i) 15.0% of the lesser of (A) the total commitment under the Revolving Credit Facility at such time and (B) the Borrowing Base at such time or (ii) \$12.5 million, for a period of sixty consecutive days (each period during which such daily paydowns shall occur, a “*Cash Dominion Period*”).

As used herein, “*Excess Availability*” shall mean the remainder of (A) Availability at such time minus (B) the aggregate amount of trade payables of the Borrowers that are, at such time, past due and past the invoice date, in each case, by a number of days to be mutually agreed upon.

In the event that (A) a default or an event of default has occurred and is continuing or (B) Excess Availability is less than the greater of (x) 15.0% of the lesser of (i) the total commitments under the Revolving Credit Facility as then in effect and (ii) the current Borrowing Base as then in effect and (y) \$12.5 million, in which case the Borrowing Base shall be computed on a weekly basis and the Borrowing Base Certificate will be delivered to the Administrative Agent within three business days after the end of each week, and shall continue on a weekly basis until such time as such default or event of default has been cured or waived and Excess Availability has been greater than the greater of (x) 15.0% of the lesser of (i) the total commitments under the Revolving Credit Facility as then in effect and (ii) the current Borrowing Base as then in effect and (y) \$12.5 million for a period of sixty consecutive days.

“**Base Rate**” means the highest of (i) the “U.S. Prime Lending Rate” as published in *The Wall Street Journal* (the “**Prime Rate**”), (ii) the federal funds effective rate from time to time, plus 0.50%, and (iii) the Eurodollar Rate for a one-month interest period plus 1.00%.

“**Eurodollar Rate**” means the rate *per annum* (adjusted for statutory reserve requirements for Eurocurrency liabilities) at which Eurodollar deposits are offered in the interbank Eurodollar market for the applicable interest period, as quoted on Reuters Screen LIBOR01 Page (or any successor page or service)%.

Interest Payment Dates: With respect to Revolving Loan bearing interest based upon the Base Rate (“**Base Rate Loans**”), quarterly in arrears on the last day of each calendar quarter and on the applicable maturity date.

With respect to Revolving Loans bearing interest based upon the Eurodollar Rate (“**Eurodollar Loans**”), on the last day of each relevant interest period and, in the case of any interest period longer than three months, on each successive date three months after the first day of such interest period and on the applicable maturity date.

A commission on all outstanding Letters of Credit at a *per annum* rate equal to the Applicable Margin then in effect with respect to Revolving Loans made or maintained as Eurodollar Loans on the face amount of each such Letter of Credit. Such commission shall be shared ratably among the Revolving Lenders and shall be payable quarterly in arrears

Letter of
Credit Fees:

In addition to the letters of credit commissions, a fronting fee calculated at a rate equal to 0.25% *per annum* on the face amount of each Letter of Credit shall be payable quarterly in arrears to the respective Issuing Lender for its own account or such other fee as may be agreed upon by such Issuing Lender and the Administrative Borrower. In addition, the Borrowers shall pay to each Issuing Lender that has issued a Letter of Credit customary (as determined by such Issuing Lender) administrative, issuance, amendment, payment and negotiation charges for its own account.

At any time during an event of default, outstanding Revolving Loans and the letter of credit commissions (and overdue amounts) under the Revolving Credit Facility Documents shall bear interest at 2.00% above the rate otherwise applicable and shall be payable on demand.

Rate and Fee
Basis:

All *per annum* rates shall be calculated on the basis of a year of 360 days (or 365/366 days, in the case of Base Rate Loans, the interest rate payable on which is then based on the Prime Rate) for the actual number of days elapsed (including the first day but excluding the last day).

Upfront Fees: As set forth in the Fee Letter.

If the Bridge Loans are not repaid in full on or prior to the Bridge Loan Maturity Date, and *provided* that no Conversion Default (as defined below) has occurred and is continuing, the Bridge Loans shall be automatically converted on the Bridge Loan Maturity Date into senior secured term loans due on the fourth anniversary of the Bridge Loan Maturity Date (the “*Term Loans*”) in an aggregate principal amount equal to the aggregate principal amount of Bridge Loans so converted. The Rate will increase by (i) 75 basis points upon the 90-day anniversary of the Closing Date, plus (ii) an additional 75 basis points upon each subsequent 90-day anniversary following the initial 90-day anniversary of the Closing Date. Interest on the Bridge Loans (excluding default interest, if any) shall not exceed the Total Cap (as defined in the Fee Letter), in each case, without giving effect to any default interest. Interest will be payable quarterly in arrears, on the Bridge Loan Maturity Date and on the date of any prepayment of the Bridge Loans. For amounts outstanding after the Bridge Loan Maturity Date, interest will be payable on demand at the default rate.

Default Rate: After the occurrence and during the continuation of an event of default under the Bridge Loan Facility, outstanding Bridge Loans and other amounts payable under the Bridge Loan Facilities shall bear interest at 2.00% above the rate applicable to the Bridge Loans and shall be payable in cash on demand.

Optional Repayment: The Bridge Loans may be repaid, in whole or in part, on a *pro rata* basis, at the option of the Borrower at any time upon five business days’ prior written notice, at a price equal to 100% of the principal amount thereof, plus all accrued and unpaid interest and fees to the date of repayment.

Exhibit B-3

**Mandatory

As provided in Exhibit A to the Commitment Letter.

In particular, the restricted payments, debt incurrence and prepayment of debt covenants will be more restrictive in connection with the Bridge Loans than the equivalent provisions for the Senior Credit Facility.

Events of Default; Remedies: Customary for facilities and transactions of this type (as reasonably determined by the Lead Arranger) (in certain cases, subject to customary and appropriate grace and cure periods and materiality thresholds to be mutually agreed upon) (including those specified under the caption “Events of Default” in Exhibit A to this Commitment Letter), with such changes and additions as are appropriate in connection with the Bridge Loans; *provided* that the cross-default to the Senior Credit Facility shall only be to (i) payment, bankruptcy and other specified events of default to be mutually agreed upon and (ii) other events of default under the Senior Credit Facility that have not been cured within 90 days. The engagement of an investment bank other than an investment bank satisfactory to the Lead Arranger in its sole discretion in order to provide Permanent Instruments (as defined in the Fee Letter) shall be deemed an event of default.

Exhibit B-5

With respect to the Bridge Loan Facility, the Collateral Agent, for the benefit of the Lenders under the Bridge Loan Facility and the other secured parties thereunder, shall have been granted perfected second priority security interests in all assets of the Credit Parties to the extent described in Exhibit B to this Commitment Letter under the caption “Collateral” in form and substance satisfactory to the Lead Arranger; *provided* that this condition is subject to the Certain Funds Provision.

2. Transactions. The Transactions (including the Acquisition, the Tender Offer, the Top-Off Purchases (if necessary) and the Merger) shall have been consummated or will be consummated in accordance with the executed merger agreement, dated as of July 29, 2013 (together with (i) the annexes, schedules, exhibits and attachments thereto and (ii) the documentation governing the Tender Offer, collectively, and as amended from time to time in accordance with the terms of this Commitment Letter, the “*Purchase Agreement*”), among you, your applicable wholly owned domestic subsidiary that is the merger vehicle and the Target concurrently with or immediately following the making of the Equity Contribution, the use of the Existing Target Cash and the Existing Acquiror Cash, the borrowing

The Purchase Agreement shall not have been amended, modified or waived, and the Acquiror (or its applicable affiliate) shall not have consented to any action thereunder or pursuant thereto which would require the consent of the Acquiror (or its applicable affiliate) under the Purchase Agreement, in each case in any manner materially adverse to the interest of the Lenders or the Lead Arranger in their respective capacities as such without the consent of the Lead Arranger (it being understood and agreed that any (1) decrease in the purchase price of more than 10% of the purchase price on the date of this Commitment Letter shall be deemed to be a modification which is materially adverse to the Lenders, (2) any decrease in the purchase price of 10% or less of the purchase price on the date of this Commitment Letter shall not be deemed to be a modification which is materially adverse to the Lenders, provided that the amount funded under the Revolving Credit Facility and the Bridge Loans (or the Notes, as the case may be) are reduced on a pro rata basis by the amount of any reduction of the purchase price; (3) any increase in such aggregate purchase price shall not be deemed to be a modification which is materially adverse to the Lenders so long as such increase is funded solely by an increase in the Equity Contribution; (4) change to the definition of “*Company Material Adverse Effect*” shall be deemed to be adverse to the interest of the Lenders and the Lead Arranger and (5) any modifications to any of the provisions relating to the Administrative Agent’s, the Collateral Agent’s, the Lead Arranger’s or any Lender’s liability, jurisdiction or status as a third party beneficiary under the Purchase Agreement shall be deemed to be adverse to the interest of the Lenders and the Lead Arranger). Without limiting the generality of the foregoing, at the time of the consummation of the Tender Offer, (i) each state anti-takeover law, if any, regulating the Tender Offer or the Merger shall have been complied with or shall be inapplicable to the Tender Offer and the Merger, (ii) no fair price provisions or provisions of the Target’s charter shall require a higher price to be paid for each Share in the Merger than in the Tender Offer and (iii) the Target’s shareholders rights program, if any, shall have been revoked or inapplicable to the Tender Offer and the Merger.

EXECUTION VERSION

FACILITATION AGREEMENT

This FACILITATION AGREEMENT (this "Agreement"), dated as of July 29, 2013, is entered into by and among Michael Baker Corporation, a Pennsylvania corporation (the "Company"), Integrated Mission Solutions, LLC, a Delaware limited liability company ("Parent"), Project Steel Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of Parent ("Merger Sub"), and Thomas J. Campbell, an individual (the "Shareholder").

A. Contemporaneously with the execution of this Agreement, Parent, Merger Sub, and the Company are entering into an Agreement and Plan of Merger, dated as of the date hereof (the "Merger Agreement"), providing, among other things, for (i) an offer by Merger Sub (the "Offer") to purchase all of the outstanding shares of common stock, par value \$1.00 per share, of the Company (the "Common Stock"), at a price per share of \$40.50 (such amount or any greater amount per share that may be paid pursuant to the Offer, the "Offer Price") and (ii) following the acceptance for payment of shares of Common Stock pursuant to the Offer, the merger of Merger Sub with and into the Company (the "Merger"). Capitalized terms used in this Agreement and not defined have the meaning given to such terms in the Merger Agreement.

B. The Shareholder is the beneficial owner of 498,121 shares of Common Stock (such shares, together with any other equity interests in the Company beneficially owned by the Shareholder and any other shares and any other equity interests in the Company of which the Shareholder obtains beneficial ownership after the date hereof, being collectively referred to herein as the "Covered Shares").

C. Shareholder, Parent, and Merger Sub desire to enter into this Agreement in connection with their efforts to consummate the Merger.

D. The Company desires to enter into this Agreement (i) to support the Merger and (ii) to obtain the Shareholder's commitment to cause Parent and Merger Sub to consummate the Merger pursuant to and in accordance with the terms and conditions of the Merger Agreement.

E. The Shareholder has agreed to enter into this Agreement and tender and vote his Covered Shares as described in this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Agreement and in the Merger Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

1. Certain Covenants.

(a) Lock-Up. Subject to Section 1(d) and except as otherwise contemplated by the Merger Agreement or this Agreement, the Shareholder hereby covenants and agrees that he shall not (i) directly or indirectly, sell, transfer, assign, or pledge any Covered Shares, or limit his right, title or interest in or voting rights with respect to any of the Covered Shares, or agree to do any of the foregoing, (ii) grant any proxies or powers of attorney with respect to any of the Covered Shares, deposit any of the Covered Shares into a voting trust, or enter into a voting agreement or other similar commitment or arrangement with respect to any of the Covered Shares in contravention of the obligations of the Shareholder under this Agreement, (iii) permit any Covered Shares to be, or become subject to, any Liens (as defined below), or (iv) take any other action that would in any way restrict, limit, or interfere with the performance of the Shareholder's obligations hereunder or the transactions contemplated by the Merger Agreement. This Agreement and the obligations hereunder will attach to the Covered Shares and will be binding upon any person to which legal or beneficial ownership of any or all of the Covered Shares passes, whether by operation of law or otherwise, including without limitation, the Shareholder's successors or assigns.

(b) Voting of Parent Interests. The Shareholder shall cause DC Capital Partners, LLC and its Affiliates to vote at a meeting of the members of Parent (or if the transaction may be approved by partial written consent, to execute and deliver written consents), in each case in respect of all membership interests held by them in Parent, to approve (x) the Merger Agreement and the transactions contemplated thereby and (y) the amendment of the limited liability company operating agreement of Parent as contemplated by Section 3.01 of the Merger Agreement and Schedule 3.01 thereto, and to not revoke or amend such consent or vote.

(c) Grant of Proxy; Voting Agreement. The Shareholder has revoked or terminated any and all proxies, voting agreements or similar arrangements previously given or entered into with respect to the Covered Shares and hereby grants the Company a limited irrevocable proxy to vote the Covered Shares as to which the Shareholder has voting power and in the Shareholder's name, place and stead, at any annual or special meeting of the shareholders of the Company, as applicable, or at any adjournment thereof solely for the adoption of the Merger Agreement and the approval of the Merger, including each other action, agreement and transaction in furtherance of the Offer, the Merger Agreement, the Merger, and this Agreement. The proxy granted by the Shareholder pursuant to this Section 1(b) is coupled with an interest and is irrevocable and is granted in consideration of the Company entering into this Agreement and the Merger Agreement. This irrevocable proxy shall not be terminated by any act of the Shareholder or by operation of law (including, without limiting the foregoing, by the dissolution or liquidation of any corporation or partnership).

(d) Tender of Shares. The Shareholder agrees, in exchange for the Offer Price, to tender the Covered Shares to Merger Sub in the Offer at least ten (10) days prior to the Initial Expiration Time pursuant to and in accordance with the terms of the Offer.

(e) Waiver of Appraisal and Dissenters' Rights. The Shareholder hereby waives and agrees not to exercise any rights of appraisal or rights to dissent from the Merger that the Shareholder may have.

2. Representations and Warranties of the Shareholder. The Shareholder hereby represents and warrants to the Company as of the date hereof and at all times until the Shareholder tenders his Covered Shares to Merger Sub in accordance with Section 1(c) as follows:

(a) Ownership. As of the date hereof, the Shareholder is the record holder or beneficially holds all of the Covered Shares, free and clear of all liabilities, claims, liens, options, proxies, charges, participations and encumbrances of any kind or character whatsoever, other than those arising under the securities laws or under the Company's governance documents (collectively, "Liens").

(b) Number of Shares. The Covered Shares set forth in this Agreement are the only shares of Common Stock owned beneficially or of record by the Shareholder on the date of this Agreement. The Shareholder does not have any direct or indirect options or other rights to acquire or dispose of any Common Stock, any derivative or other rights the value of which is determined by reference to any such securities, or any direct or indirect economic or voting interests associated with any such securities.

(c) Due Execution and Delivery. This Agreement has been duly and validly executed and delivered by the Shareholder and, assuming due authorization, execution and delivery hereof by the Company, constitutes a legal, valid and binding agreement of the Shareholder, enforceable in accordance with its terms.

(d) Receipt; Reliance. The Shareholder has received and reviewed a copy of the Merger Agreement. The Shareholder understands and acknowledges that the Company is entering into the Merger Agreement in reliance upon the execution, delivery, and performance of this Agreement by Shareholder.

(e) Other Agreements. Neither Shareholder, nor any Affiliate of Shareholder, is party to any Contract, understanding or arrangement with or relating to any director, officer or employee of the Company or any of its Subsidiaries other than this Agreement and the Merger Agreement.

3. Miscellaneous.

(a) Reasonable Efforts. Subject to the terms and conditions of this Agreement, each of the parties hereto agrees to use all reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws to consummate and make effective the transactions contemplated hereby. At the Company's reasonable request and without further consideration, each other party hereto shall execute and deliver such additional documents and take all such further lawful action as may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated hereby. Without limiting the foregoing, the Shareholder shall execute and deliver to the Company and any of its designees any additional proxies, including with respect to any Covered Shares acquired after the date hereof, reasonably requested by the Company in furtherance of this Agreement.

(b) Remedies. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any such right, power or remedy by any party hereto shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such party.
